

THE FIRST BOOK OF MOSES, CALLED
GENESIS

THE FIRST CHAPTER

The creation of heaven and earth, of the light, of the firmament, of the earth separated from the waters, and made fruitful, of the sun, moon, and stars, of fish and fowl, of beasts and cattle, of man in the image of God. Also the appointment of food.

IN THE beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night, and the evening and the morning were the first day.

¶ And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day.

(Comm. for sch.).** Charles John Ellicott (bp. of Gloucester),1885 Commentaries on the First Book of Moses Called Genesis Jean Calvin,1850 **The First Boke of Moses called Genesis** Anonymous,2021-04-26 The First Boke of Moses called Genesis is a foundational text that explores the beginnings of the world humanity and the Israelite people through a rich tapestry of narratives poetic layers and theological insights This work is notable for its intricate blend of mythic storytelling and moral teachings set against the backdrop of an ancient Near Eastern context The literary style is characterized by its rhythmic cadences and vivid imagery engaging readers in profound reflections on creation sin and covenant The text serves not only as a religious scripture but also as a vital historical document encapsulating a worldview that informs much of Western thought The author rendered anonymous through history likely represents a collective voice reflecting the diverse oral traditions of ancient communities This context suggests that the narratives contained within Genesis were shaped by various cultural historical and theological influences aiming to convey moral lessons and a sense of identity to the Israelite people The anonymity may also reflect a deliberate choice allowing the text to transcend individual authorship and resonate broadly within the community it served I highly recommend The First Boke of Moses called Genesis to anyone interested in the intersection of literature theology and history Its timeless themes and profound questions about existence continue to inspire provoke thought and challenge readers to grapple with their understanding of beginnings and the nature of the divine
