First Of The Civil War:

The First American Civil War Henry Belcher, 1911 Battle at Bull Run William C. Davis, 1981-04-01 From the first passage in William C Davis book about the twilight of America's innocence to the last the reader is carried through what many in the 1860s believed would be the only major conflict between North and South So optimistic were the people in Washington that a crowd of civilians came from the city with picnic hampers to witness the crushing defeat of the upstart rebels The following day however the mood would shatter in a battle that confounded the expectations of both sides the first Battle at Bull Run It was a training ground for some of America's most colorful military figures P G T Beauregard Joe Johnson Irvin McDowell and Stonewall Jackson It also marked the first strategic use of railroads and was perhaps the first time the horrors of battle were photographed for the people back home Drawing from a wealth of material old letters journals memoirs and military records Davis brings to life a vivid and vital chapter in American history *The First Battles* Carter Smith, 1995-10 Uses a variety of contemporary materials to describe and illustrate the early battles in the Civil War from the firing on Fort Sumter in April 1861 to the conflict at Fredericksburg at the end of 1862 **The Greatest Civil War Battles** Charles River Charles River Editors, 2018-02-14 Includes pictures of the battle's important generals and locations Includes several maps of the battle Includes accounts of the fighting written by important generals like McDowell Longstreet Sherman Beauregard and more Includes a Bibliography for further reading Today will be known as BLACK MONDAY We are utterly and disgracefully routed beaten whipped by secessionists George Templeton Strong Northern diarist After the Battle of Fort Sumter in April 1861 ignited the Civil War many in the North expected a relatively quick victory including Abraham Lincoln Days after the smoke had cleared in Charleston Harbor the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol recently relocated to Richmond Despite the fact commanding general Irvin McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia McDowell's strategy during the First Battle of Bull Run was grand and in many ways it was the forerunner of a tactic Robert E Lee Stonewall Jackson and James Longstreet executed brilliantly on nearly the same field during the Second Battle of Bull Run in August 1862 McDowell's plan called for parts of his army to pin down Beauregard's Confederate soldiers in front while marching another wing of his army around the flank and into the enemy's rear rolling up the line McDowell assumed the Confederates would be forced to abandon Manassas Junction and fall back to the next defensible line the Rappahannock River In July 1861 however this proved far too difficult for his inexperienced troops to carry out effectively As the first major land battle of the Civil War the First Battle of Bull Run made history in several ways McDowell's army met Fort Sumter hero P G T Beauregard's Confederate army near the railroad junction at Manassas on July 21 1861 just 25 miles away from Washington D C Many civilians from Washington came to watch what they expected to be a rout of Confederate forces and

for awhile it appeared as though that might be the case However Confederate reinforcements under General Joseph E Johnston s Army including a brigade led by Thomas Jonathan Jackson arrived by train on the eve of the battle evening up the numbers between Union and Confederate Shoring up the Confederates left flank Jackson s brigade helped reverse the Union s momentum and ultimately turn the tide along with Confederates that arrived by train during the middle of the battle itself As the battle s momentum switched the inexperienced Union troops were routed and retreated in disorder back toward Washington in an unorganized mass With over 350 killed on each side it was the deadliest battle in American history to date and both the Confederacy and the Union were quickly served notice that the war would be much more costly than either side had believed

Holt,2013-10-19 A comprehensive study of the Civil War s first major battle well leavened with strategic and political context Robert E L Krick author of Staff Officers in Gray Battle of Big Bethel is the first full length treatment of the small but consequential June 1861 Virginia battle that reshaped perceptions about what lay in store for the divided nation The successful Confederate defense reinforced the belief most Southerners held that their martial invincibility and protection of home and hearth were divinely inspired After initial disbelief and shame the defeat hardened Northern resolution to preserve their sacred Union The notion began to take hold that contrary to popular belief the war would be difficult and protracted a belief that was cemented in reality the following month on the plains of Manassas Years in the making Battle of Big Bethel relies upon letters diaries newspapers reminiscences official records and period images some used for the first time The authors detail the events leading up to the encounter survey the personalities as well as the contributions of the participants set forth a nuanced description of the confusion ridden field of battle and elaborate upon its consequences Here finally the story of Big Bethel is colorfully and compellingly brought to life through the words and deeds of a fascinating array of soldiers civilians contraband slaves and politicians whose lives intersected on that fateful day in the early summer of 1861 The authors do a wonderful job of describing the motivations and mindsets of both the U S and Confederate soldiers at the outset of the conflict and handle slavery very effectively throughout Edward L Ayers author of *The Thin Light of The Bombardment of Fort Sumter* Charles River,Jonathan Gianos-Steinberg,2024-03 At 4 30 a m on the morning of April 12 1861 Confederate Brigadier General P G T Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard s Confederates unleashed a general bombardment from 43 guns and mortars positioned at various points across the Harbor including at Fort Moultrie on Sullivan Island Fort Johnson off James Island Cummings Point on Morrison Island and a specially designed floating battery Almost immediately the inherent weakness of Fort Sumter became apparent to its defenders The fort had been designed to withstand a naval assault and naval warships of that time did not mount guns capable of elevating high enough to shoot over the walls of forts but the Confederates land based cannons could lob artillery shells and mortar directly inside Fort Sumter Though the defenders managed to protect themselves inside the fort their return fire was completely ineffective and by the morning of April 13 the fort was on fire threatening the garrison Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies Fort Sumter is popularly remembered today as the first fighting of the Civil War and a relatively painless battle at that but much of the history before April 12 that led to the shelling of the fort is often overlooked The federal garrison had been stationed there months before the fight
