## First Opinions Of Apollonius Of Tyana:

**The Theosophical Review** ,1900    *The Monthly Review, Or, Literary Journal* ,1814    The Saturday Review of Politics, Literature, Science and Art ,1862    **The Quest for a Historical Jesus Methodology** Michael Vicko Zolondek,2023-10-13 Throughout the quest for the historical Jesus there has been a parallel quest aimed at discovering new and improved methodologies for studying his life This methodological quest was originally driven by the belief that the Gospels are so unique even sui generis among the literary works of their time that such historical experimentation to use Schweitzer s words is necessary for the task of reconstructing Jesus s life Although most scholars today characterize the Gospels as a form of Graeco Roman biography rather than sui generis literature they nevertheless have continued this quest for new methodologies This has left historical Jesus studies in a problematic methodological state In this book Zolondek argues that if the Gospels are indeed types of Graeco Roman biographies of Jesus then no such experimentation is necessary Rather historical Jesus scholars should instead be adopting the standard methodological practices that historians and classicists have for decades used to effectively reconstruct the lives of other ancient persons who were also the subjects of Graeco Roman biographies After providing examples of three such methodological practices Zolondek goes on to offer suggestions as to how scholars might apply them to the study of Jesus and in doing so end their long running methodological quest

**The Journal of Sacred Literature and Biblical Record** B. Harris Cowper,2022-04-26 Reprint of the original first published in 1863    Did Jesus Live 100 B.C.? George Robert Stow Mead,1903    *The Journal of Sacred Literature and Biblical Record* John Kitto, Henry Burgess, Benjamin Harris Cowper,1863    **The Journal of Sacred Literature and Biblical Record** ,1863    *Subversive Virtue* James A. Francis,1995 Much attention has been devoted in recent years to Christian asceticism in Late Antiquity But Christianity did not introduce asceticism to the ancient world An underlying theme of this fascinating study of pagan asceticism is that much of the work on Christian holy men has ignored earlier manifestations of asceticism in Antiquity and the way Roman society confronted it Accordingly James Francis turns to the second century the balmy late afternoon of Rome s classical empire when the conflict between asceticism and authority reached a turning point Francis begins with the emperor Marcus Aurelius 121 180 who warned in his Meditations against displaying oneself as a man keen to impress others with a reputation for asceticism or beneficence The Stoic Aurelius saw ascetic self discipline as a virtue but one to be exercised in moderation Like other Roman aristocrats of his day he perceived practitioners of ostentatious physical asceticism as a threat to prevailing norms and the established order Prophecy sorcery miracle working charismatic leadership expressions of social discontent and advocacy of alternative values regarding wealth property marriage and sexuality were the issues provoking the controversy If Aurelius defined the acceptable limits of ascetical practice then the poet Lucian depicted the threat ascetics were perceived to pose to the social status quo through his biting satire In an eye opening analysis of Philostratus s Life of Apollonius of Tyana Francis shows how Roman society

reined in its deviant ascetics by rehabilitating them into pillars of traditional values Celsus's True Doctrine shows how the views pagans held of their own ascetics influenced their negative view of Christianity Finally Francis points out striking parallels between the conflict over pagan asceticism and its Christian counterpart By treating pagan asceticism seriously in its own right Francis establishes the context necessary for understanding the great flowering of asceticism in Late Antiquity
