What do you do when you want to make a great meal for your spouse but all your recipes say serves 4 to 6? You've tried to cut down recipes, simple grade school fractions, right? But what do you do for a recipe that requires one egg? And did you know that liquid measurements require a different division system? But don't go rushing back to school yet. Award winning author and chef Ellen Brown has the answer. *The Complete Idiot's Guide to Cooking for Two*. This book offers familiar favourites and new dishes to tempt your taste buds, all specially developed to serve two without dealing with leftovers for the next week. Each recipe is created to maximize your ingredients and minimize your spending so you buy only what you need and use all of what you bought. Also included are recipes for small batch baking geared toward satisfying two so you're walking past the brownies sitting around on the counter for the next several days. *Consumer Behaviour in Food and Healthy Lifestyles* Isaac K.
