*First Day Blues* Peggy King Anderson, 1992 It's tough to move right before school starts *First Day Blues* about a girl's move to a new state guides children through the trauma of changing schools and facing strange teachers and classmates

**First Day Blues** Danielle Holmes, Linette Jones, 2011-01-15 The purpose behind these illustrations and rhymes are to give each child the courage they need to embark on a journey they have not experienced previously Like adults children want to feel secure no matter where they are This book illustrates how things may appear more intimidating than they actually are *First Day Blues* gives each child the courage to experience their first day of school with excitement rather than fear I No

Hero Victor M. Villareal, 2010-07-21 Victor M Villarreal was born in a rural village in northern Mexico At an early age he immigrated to the United States settling in a small Texas town named Big Wells From there his family joined the migrant stream following seasonal crops across the United States Their travels took them to Fort Wayne Indiana and to Fremont California Ultimately he graduated from high school in Laredo Texas He was inducted into the U S Army and later graduated from Army Officer School as an Infantry Officer He served at Ft Bliss and later in Vietnam with the First Air Cavalry as a Platoon Leader and Infantry Company Commander *I No Hero* tells the story of growing up in a new country and defending what that country stands for despite the unpopularity of the stance that the United States took during the Vietnam War

Villarreal's story explores the sacrifices that Americans make to insure our freedoms **Fostergirls** Liane Shaw, 2011-03-01 Her name is Sadie but she might as well be called Fostergirl Grouphomegirl That's how everyone thinks of her Sadie doesn't care In fact she'd be happier if they didn't think of her at all Her goal is to go unnoticed to disappear After living in twelve different foster homes Sadie's learned that nothing good comes from being noticed Now here she is again this time in a small town There's a new high school another new group home to get used to lucky number 13 But Sadie's not finding it easy to stay beneath the radar In fact she's learning that it's impossible to be invisible in a small town She can't seem to get people to stay out of her life whether it's the endlessly chatty Rhiannon who for some reason wants to be her friend Jackson the do good guidance counsellor who thinks she can make Sadie into a student or the other girls in the group home whose problems keep intruding on her solitude Little by little Sadie starts to wonder if there might be a different course for her life one that lets a few other people along for the ride Liane Shaw author of *thinandbeautiful* com once again brings us a vivid and compelling portrait of a young woman at odds with the world around her My Alma Mater Khaidji, 2016-04-20 *My Alma*

*Mater* The Spirit Of Combermere Lives are in the making here at Combermere and this cleverly crafted collection of acrostic poems by a past student from this auspicious school gives readers glimpses back into some of the character building experiences students take away When you read *My Alma Mater* you might find that you too were part of similar if not the same experience and the nostalgia gets you to relive episodes of the best years of your life The Spirit of Combermere lives on in its graduates like a genotypic trait and where ever Cawmerians are found it is apparent their origin *The Quirky*

*Kampung Tales Of Ijan And His Early School Years* Saiful Lizan Muhamed,2022-11-30 The book is generally written in a humorous tone but there are poignant moments in the book where the narration takes on a more serious or sad tone where they are needed The book is about the growing up years of a boy called Ijan who grew up in a fast developing Singapore in the 1970s and 1980s in two different villages or kampung as they are called in Singapore Although the concept or notion of a kampung is now gone in the developed city of Singapore the book invites the readers to take a journey back to a historical Singapore as a backdrop Ingrained in the ways of the village Ijan the kampung boy had also attended schools which were very structured and the schools were where his parents were teachers As a kampung boy Ijan was accustomed to his roaming ways and as a teacher's son he was expected to behave This was further compounded where it seemed Ijan's DNA had been hardwired with the characteristics of what was known in the village as a pusu dua anomaly He was born with two hair whirls at the back of his head This led to a somewhat disorderly hair disposition for Ijan but more significantly the villagers believed this anomaly brought with it certain traits to the afflicted boy It was believed that a pusu dua boy would be a maverick of sorts hyperactive and stubborn to say the least He was also believed to be blessed with a very endearing character especially to animals The interesting contrast in environment character and expectations are the themes that carry the narration in this book with Ijan as the protagonist
