*The First Exile* Roibeárd O'Faracháin, 1944      Letters of T. S. Eliot Volume 10: 1942-1944 T. S. Eliot, 2025-07-29 What is accomplished by this sort of cultural warfare is impossible to say but it is a part of total warfare which one must as an individual accept one's part in At the height of the Second World War T S Eliot commits himself to fighting for the cultural values of Europe He goes on a lecture tour of Sweden he writes talks for the BBC he reads poems for the Czechoslovak Centre for Aid to Russia and for the French in Britain Fund He lectures on The Music of Poetry in Glasgow addresses the Classical Association talks at the Moot and visits organisations including the Anglo Swedish Society and the British Norwegian Institute and he works for the Christian News Letter He serves as President of the English Circle of Books Across the Sea and as first President of the Virgil Society He feels exhausted by travel and performance but remains stalwart And always there is the threat in London he has no regular habitation of being bombed I have taken to sleeping in my teeth Contacts and correspondents during these dark days include the film director George Hollering for whom he struggles to adapt his play Murder in the Cathedral Kenneth Clark Henry Moore David Jones William Empson Mary Trevelyan Karl Mannheim Louis MacNeice Elizabeth Bowen M J Tambimuttu Edith Sitwell and Reinhold Niebuhr Notable poets recruited to the Faber fold include Lawrence Durrell Anne Ridler and Norman Nicholson Eliot's own creative energies are focused on completing Little Gidding the final poem of the supernal sequence Four Quartets The series of letters to John Hayward who advises him is a tour de force of the art full of news merriment and mischief      Reviews and Essays of Austin Clarke Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O Casey Lady Gregory George Moore and others enjoy the advantages of an insider's point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke's essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that gap      **Aloys Fleischmann** Séamas De Barra, 2006
