The First Forest John Gile, 1989 A modern fable to remind us that greed and selfishness are harmful and that peace and harmony flow from an attitude of grateful appreciation for the gifts we receive and a respect for the need and right of others to share in those gifts

Minnesota's Forests Patrick D. Miles, 2007 Explorations in Applied Geography ASHOK K. DUTT, H.N. MISRA, MEERA CHATTERJEE, 2008-02-21 Applied geography a new frontier in geographic discipline distinguishes itself from other branches of geography through the application of geographical knowledge and its techniques in solving practical problems of the land and the environment Explorations in Applied Geography is a felicitation volume in honour of Professor L R Singh Department of Geography University of Allahabad who has established his international credentials as a leading exponent of Applied Geography He considers public policy to be one of the applications of applied geographic principles since many problems facing society today have a geographical dimension To Professor L R Singh Applied Geography is the strategy of the trinity of men space and resources which need to be harmonized in advancing human well being This volume contributed by geographers of eminence within the country and from other parts of the globe focuses on the following thrust areas Natural and environmental hazards Environmental change and management Challenges of the human environment Application of techniques of spatial analysis In a nutshell the book emphasizes the important proactive role that the Applied Geography must play in the formulation of public policies and programmes for sustainable human development This comprehensive and classic compendium will not only be useful to post graduate students in geography but also provide new vistas in geographic research

Public Lands Politics Paul J. Culhane, 2013-11-26 First Published in 2011 During the 1970s land managers in the U S Forest Service and Bureau of Land Management BLM often must have felt they lived in interesting times The decade began with the first Earth Day an event that revealed the increasing strength and militancy of the environmental movement as it ended western commercial users of the public lands disaffected by environmentalist policymaking victories had launched the sagebrush rebellion Those managers were expected to reconcile often sharply polarized interest group pressures with professional values as well as with diverse federal statutes and regulations that reflected uneasy compromises among group and professional influences Although the technical specifics of public lands management differ from those in other fields of natural resources management the political tensions in public lands policymaking are similar to those in other natural resources fields Thus this description of the Forest Service's xiii xiv PREFACE and BLM's handling of those tensions should be of interest to many in the natural resources management community as a whole This study should also be useful to students of public administrative politics generally
