## **First Messiah Investigating The Savior:**

**The First Messiah** Michael O. Wise, 1999-02-17 In *The First Messiah* renowned Dead Sea Scrolls scholar Michael O. Wise brings to light the life of Judah a forgotten prophet who predated Jesus as a messianic figure by a century and has had a profound impact on the course of Christianity and Western civilization Although Judah known in the Dead Sea Scrolls as the Teacher of Righteousness preached a message distinctly different from that of Jesus the parallels between their lives are striking Sharing with his successor a strong foundation in earlier written revelation Judah came to believe through meditation on Holy Writ that he brought a divine message from God like Christ Judah's claims to messianic status led to his arrest and condemnation Judah's warnings of Jewish apostasy and his apocalyptic prophecies combined with powerful personal charisma also built a movement that survived his death and even grew into an institution comprising bishops priests and laity Unlike Jesus Judah left behind a personal testament in his own words of his relationship with God By analyzing the Thanksgiving Hymns discovered among the Dead Sea Scrolls Wise uncovers the basis of a groundbreaking understanding of the prophetic mind In so doing Wise deepens our understanding of Christ his impact on the Jewish community of his time and even his interpretation of his own messianic role The parallels between Judah and Jesus blaze forth in sharp relief Both declared themselves prophets Both were hailed by followers as He Who Is to Come and worked attendant wonders Both founded vital and long lasting movements before leaving this world In all these things Judah was first anticipating the far more famous prophet from Galilee How can these similarities be explained A century before Christ a man came to Jerusalem who became known as the Teacher of Righteousness In *The First Messiah* distinguished Dead Sea Scrolls scholar Michael O. Wise provides a detailed examination of Judah a figure whose life and prophecies helped lay the foundation for the acceptance of Jesus as the savior Drawing on ancient texts as well as contemporary anthropological thought Wise reveals compelling parallels between early prophets such as Judah and Jesus and messianic figures who have emerged through the ages to the current day in cultures around the world

**The First Messiah** Michael Owen Wise, 1999 In a revealing study a noted biblical scholar traces the life of Judah the first historical messianic figure whose life reflected a remarkable parallel to that of Jesus and discusses his prophecies and teachings the movement developed by his followers and his influence on the history of Christianity 15 000 first printing

[The One who is to Come](#) Joseph A. Fitzmyer, 2007 Messiah is one of the most popular and most contested terms in Christian reflection with many often reading the concept back into early Old Testament texts Joseph Fitzmyer carefully and comprehensively contradicts this misreading tracing the emergence of messianism to a much later date 2nd century B C

**The World of Jesus and the Early Church** Craig A. Evans, 2022-05-03 How do religious texts impact the way communities of faith understand themselves In *The World of Jesus and the Early Church* Identity and Interpretation in Early Communities of Faith Craig Evans leads an interdisciplinary team of scholars to discover and explain how the dynamic relationship between text and community enabled

ancient Christian and Jewish communities to define themselves To this end scholars composed two sets of essays The first examines how communities understood and defined themselves and the second looks at how sacred texts informed communities about their own self understanding and identity in earliest stages of Christianity and late Second Temple Judaism Whether revealing new understandings of Jesus before Pilate the rituals governing the execution and burial of criminals or the problems of dating ancient manuscripts The World of Jesus and the Early Church draws the reader into the world of the early Christian and Jewish communities in fresh and insightful ways

**From Alexander to Jesus** Ory Amitay,2010-10-28 Scholars have long recognized the relevance to Christianity of the many stories surrounding the life of Alexander the Great who claimed to be the son of Zeus But until now no comprehensive effort has been made to connect the mythic life and career of Alexander to the stories about Jesus and to the earliest theology of the nascent Christian churches Ory Amitay delves into a wide range of primary texts in Greek Latin and Hebrew to trace Alexander as a mythological figure from his relationship to his ancestor and rival Herakles to the idea of his divinity as the son of a god In compelling detail Amitay illuminates both Alexander s links to Herakles and to two important and enduring ideas that of divine sonship and that of reconciliation among peoples

**Scriptures and Sectarianism** Collins,2016 Essays representing ten years of John J Collins s expert reflection on Scripture and the Qumran community are here collected in a volume that is sure to be of interest to students and scholars of Early Judaism and the Dead Sea Scrolls Collins opens with the introductory chapter What Have We Learned from the Dead Sea Scrolls before offering essays on the authority and interpretation of Scripture historiography and the emergence of the Qumran sect and specific aspects of the sectarian worldview covenant and dualism the angelic world the afterlife prayer and ritual and wisdom A concluding epilogue considers the account of the Suffering Servant and illustrates the relevance of the Dead Sea Scrolls for early Christianity

#### **Expectations of the End** Albert L. A.

Hogeterp,2009 Since a fuller range of Qumran sectarian and not clearly sectarian texts and recensions has recently become available to us its implications for the comparative study of eschatological apocalyptic and messianic ideas in the Dead Sea Scrolls and in the New Testament need to be explored anew This book situates eschatological ideas in Qumran literature between biblical tradition and developments in late Second Temple Judaism and examines how the Qumran evidence on eschatology resurrection apocalypticism and messianism illuminates Palestinian Jewish settings of emerging Christianity The present study challenges previous dichotomies between realized and futuristic eschatology wisdom and apocalypticism and provides many new insights into intra Jewish dimensions to eschatological ideas in Palestinian Judaism and in the early Jesus movement

The War Texts Jean Duhaime,2004-11-01 The War Texts is the name given to a small group of Dead Sea Scrolls that depict the preparation for and the various phases of the eschatological battle between the Sons of Light and the Sons of Darkness Jean Duhaime briefly surveys the history of these texts from their initial discovery to their official publication He describes the different scrolls and gives details of their contents and their relationships to one another Duhaime summarizes the various reasons supporting a dating of this composition to the Hellenistic or Roman period and provides an example of the use of the Bible in the War Texts The contributors to the Companion to the Qumran Scrolls series take account of all relevant and recently published texts and provide extensive bibliographies The books in the series are authoritatively written in accessible language and are ideal for students and non specialist scholars Companion to the

Qumran Scrolls 6     I Cried to the Lord Kenneth Atkinson,2004-02-01 This study examines the date of composition the social setting the provenance and the religious affiliation of the eighteen Greek poems known as the Psalms of Solomon a Palestinian Jewish pseudepigraphon from the first century B C E The book is divided into two major historical units Pompeian and pre Pompeian era Psalms of Solomon A separate chapter examines the remaining Psalms of which the precise historical backgrounds are uncertain All chapters include a translation of the psalm under examination textual notes and a discussion of all the characters mentioned in the text The book explores the Psalms of Solomon s use of poetry to document Pompey s 63 B C E conquest of Jerusalem through a comparison with contemporary classical texts Dead Sea Scrolls and archaeology

**Allegiance, Opposition, and Misunderstanding** Deven K. MacDonald,2018-03-07 The central aim of the Gospel of Mark is to introduce the reader to Jesus Christ the Son of God In this book MacDonald examines not just what the Gospel writer says but also how he says it When the Gospel of Mark is examined as a complete work and the motifs of allegiance opposition and misunderstand are traced through the narrative Mark is seen to be a rather sophisticated literary work The Gospel writer is not simply a compiler of tradition but one who shaped his narrative for specific rhetorical aims namely that his audience both ancient and modern would recognize Jesus as the Son of God and respond to him with allegiance     **Jesus and His Death** Scot McKnight,2005 Recent scholarship on the historical Jesus has rightly focused upon how Jesus understood his own mission But no scholarly effort to understand the mission of Jesus can rest content without exploring the historical possibility that Jesus envisioned his own death In this careful and far reaching study Scot McKnight contends that Jesus did in fact anticipate his own death that Jesus understood his death as an atoning sacrifice and that his death as an atoning sacrifice stood at the heart of Jesus own mission to protect his own followers from the judgment of God

**Matthew's Non-Messianic Mapping of Messianic Texts** Bruce Henning,2020-11-16 Scholars often explain Matthew s practice of applying non messianic texts to the messiah by postulating a Christological hermeneutic In Matthew s Non Messianic Mapping of Messianic texts Bruce Henning raises the question of how Matthew applies messianic texts to non messianic figures This neglected category challenges the popular view by stretching Matthew s paradigm to a broadly eschatological one in which disciples share in the mission of Jesus so as to fulfill Scriptural hopes Using Cognitive Linguistics this volume explores four case studies to demonstrate Matthew s non messianic mapping scheme the eschatological shepherd the vineyard care giver temple construction imagery and the Isaian herald These reveal how Matthew s theology of discipleship as participating in Jesus own vocation extends even to his hermeneutical paradigm of fulfillment     **From Faith to Faith** Gilbert Soo Hoo,2012-02-10 A most unlikely hero the man born blind in John 9 champions Jesus cause and triumphs against overwhelming odds Single handedly he disputes with the Pharisees and the Jews first as Jesus witness and then as his surrogate disputant Throughout the process the man navigates much like the proverbial blindfolded player in the children s game Blindman s Bluff by which he deepens in spiritual perception into Jesus true identity Set in the dramatic backdrop of a

two party juridical controversy between Jesus and his Jewish accusers the man's journey to full faith lights the often treacherous path for us modern readers to traverse as our vision of Jesus clarifies This story offers us hope that no one is too blind to be ennobled and reveal God working in our lives      **The Dead Sea Scrolls** John J. Collins, 2019-05-28 Since they were first discovered in the caves at Qumran in 1947 the Dead Sea Scrolls have aroused more fascination and controversy than perhaps any other archaeological find Collins sheds light on the bitter conflicts that have swirled around the scrolls and sheds lights on their true significance for Jewish and Christian history      **How Jesus Became Christian** Barrie Wilson, 2010-07-16 In How Jesus Became Christian Barrie Wilson asks How did a young rabbi become the god of a religion he wouldn't recognize one which was established through the use of calculated anti-Semitism Colourfully recreating the world of Jesus Christ Wilson brings the answer to life by looking at the rivalry between the Jesus movement informed by the teachings of Matthew and adhering to Torah worship and the Christ movement headed by Paul which shunned Torah Wilson suggests that Paul's movement was not rooted in the teachings and sayings of the historical Jesus but solely in Paul's mystical vision of Christ a man Paul actually never met He then shows how Paul established the new religion through anti-Semitic propaganda which ultimately crushed the Jesus Movement Sure to be controversial this is an exciting well written popular religious history that cuts to the heart of the differences between Christianity and Judaism to the origins of one of the world's great religions and ultimately to the question of who Jesus Christ really was a Jew or a Christian      *Knowing the End From the Beginning* Lester L. Grabbe, Robert D. Haak, 2004-05-01 Much study has taken place of the prophetic and apocalyptic writings in recent decades but the relationship between the two has been little explored A major explicit debate on the question is very much needed and is now provided This collection of essays addresses the subject from a variety of points of view including studies on the issues of definitions ancient Near Eastern prophecies social anthropology and modern apocalyptic movements In the introduction Lester Grabbe argues that many scholars operate with subconscious assumptions about how apocalyptic writings relate to the prophetic writings but that many of these assumptions now need to be questioned in the light of the essays in this volume Such a comprehensive attempt to tackle the main theoretical issues arising from the study of the prophetic and the apocalyptic has not been attempted for some time This volume brings fresh questions and insights that both specialists and students will want to consider
