Hollywood Shot by Shot Norman K. Denzin, 2017-09-04 To what extent have Hollywood feature films shaped the meanings that Americans attach to alcoholics their families and the alcoholic condition To what extent has the mass culture of the movie industry itself been conceptually shaped by a broad external societal discourse Norman Denzin brings to his life long study of alcoholism a searching interest in how cultural texts signify and lend themselves to interpretation within a social nexus Both historical and diachronic in his approach Denzin identifies five periods in the alcoholism films made between 1932 and the end of the 1980s and offers a detailed critical reading of thirty seven films produced during these six decades

The Soul of Sponsorship Robert Fitzgerald, 2011-03-04 The Soul of Sponsorship explores the relationship of Bill Wilson cofounder of Alcoholics Anonymous and his spiritual adviser and friend Father Ed Dowling Many might consider that such a remarkable individual as Bill Wilson who was the primary author of AA literature would be able to deal with many of life's problems on his own Reading The Soul of Sponsorship will illuminate and answer the question of how Father Ed an Irish Catholic Jesuit priest who was not an alcoholic was able to be of such great help to Bill Wilson Part of AA's Twelfth Step reminds us to carry this message to alcoholics and The Soul of Sponsorship illustrates how sober alcoholics still need the principles of the Twelve Steps brought to them by friends sponsors and spiritual advisers Some of the problems faced by Bill Wilson were depression in recovery dependency issues whether or not to experiment with LSD the place of money and power in AA knowing God's plan and will learning from mistakes Father Ed taught Bill the importance of discernment In Father Ed's Jesuit tradition discernment was a gift passed down to him from St Ignatius the founder of the Jesuits who described his own struggle with discernment in The Spiritual Exercises of St Ignatius The Twelve Steps of AA and The Spiritual Exercises of St Ignatius presuppose that there is a caring God whose will can be known The act of tuning in to God's action at one's center is discernment The big question is how do you know your Higher Power is speaking and revealing Himself through your feelings and desires For the good of AA and himself Bill learned to listen to his desires be aware of his inner dynamics and tune into the action of God within Doing this meant learning to recognize and identify his personal movements those inner

promptings and attractions often called emotions or affections which are part of ordinary human experiences The person who helped Bill grow in discernment was Father Ed the Jesuit priest with a cane who limped into the New York AA clubhouse one sleet filled November night in 1940 The two fellow travelers Father Ed Dowling and Bill Wilson gave each other perhaps the greatest gift friends can give calling on each to know who he is before God *That Amazing Grace* Dick B.,1996 Dick B as A A s leading historian is particularly qualified to write on this Clarence Snyder subject First he read the Clarence Snyder materials Second he met a number of Snyder sponsees at the Snyder spiritual retreats where he was invited to speak Third he worked with and partially edited the *How It Worked* book by Clarence Snyder sponsee Mitch K Fourth Dick and his son spent a week with Clarence s widow Grace gathering information about Clarence Grace and A A Finally Dick was later asked by three old timer Clarence Snyder sponsees to compile and edit their A A Legacy based on Snyder s teachings techniques beliefs and their successes Dick has published 33 history titles in all to date *God and Alcoholism* Dick B.,2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century **The Good Book and the Big Book** Dick B.,1997 In addition to being a recovered alcoholic Dick B has been an ardent Bible student especially for the last 22 years of his recovery It was always his objective to learn the Biblical roots of A A of which A A Cofounder Dr Bob spoke so often Dick wanted to locate and define those roots And after many years of digging he was able to write this first of several books on A A s roots in the Bible the Book of James the Sermon on the Mount and 1 Corinthians 13 Each year of continued research has unearthed more and more facts about early AA and the Bible And the facts begin with this Good Book work

Love on the Rocks Lori Rotskoff,2003-10-15 In this fascinating history of alcohol in postwar American culture Lori Rotskoff draws on short stories advertisements medical writings and Hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism After the repeal of Prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women But excessive or habitual drinking plagued many families How did people view the problem drinkers in their midst How did husbands and wives learn to cope within an alcoholic marriage And how was drinking linked to broader social concerns during the Great Depression World War II and the Cold War era By the 1950s Rotskoff explains mental health experts movie producers and members of self help groups like Alcoholics Anonymous and Al Anon helped bring about a shift in the public perception of alcoholism from sin to sickness Yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men On the silver screen in movies such as *The Lost Weekend* and *The Best Years of Our Lives* and on the printed page in stories by such writers as John Cheever in hospitals and at Twelve Step meetings chronic drunkenness became one of the most pressing public health issues of the day Shedding new light on the history of gender

marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture
