The First Teddy Bear Helen Kay, 2005-07 For ages 4-8 This is the quintessential book about the teddy bear telling the story of the beginnings of the huggable stuffed animal loved all over the world by children and grown ups alike It is a wonderful story because it celebrates not one but four fathers as well as a life saving deed that warmed the heart and inspired the head of the sweet shop man who actually made the first teddy bear The author relates charmingly how each of the four became a father of Teddy and all because a powerful president spared the life of one little bear and another man celebrated the life sparing act with a toy bear whose descendants have inspired love around the world ever since This is a new larger size edition of this much loved classic

Nylander, The Teddy Bear's First Christmas is an engaging entertaining story which weaves the tale of Mrs Claus and three devoted elves helping Santa Claus discover the story behind the first Teddy Bear Along the way the characters meet historical figures of the day and travel across the globe in their quest to uncover this holiday mystery The Teddy Bear's First Christmas is sure to be a holiday classic and beloved children's story

The Untold Story of the Teddy Bear Patricia Thorne, 2012-09-01 The Untold Story of the Teddy Bear solves a mystery in the history of the Teddy Bear When the Steiff Company of Giengen Germany created what we know as the classic Teddy Bear in the fall of 1902 the first to be made of mohair with movable arms and legs no one would buy it After being presented to toy buyers in the United States and Europe no one was interested partly due to its cost size and weight Then along came a toy buyer in the spring of 1903 who saw it on display at the Leipzig Spring Fair in Germany and bought 3 000 According to the Steiff Company they have no document that reveals the buyer's name The only record they have is the amount of the sale though they know he was an American representing an American company Having financial troubles at the time Margarete's small shop of handmade toys was about to be taken over by its creditors so it was this sale of the little bears that saved the company Not having that many toy bears on hand to fill such a huge order however many townspeople were enlisted to help so that the shipment would arrive at its destination in time for Christmas As revealed in *The Untold Story of the Teddy Bear* the first true history of the Teddy Bear the author's grandfather was the American buyer representing Carson Pirie Scott Co of Chicago who placed that first large order of Steiff's new toy bear and gave it the name Teddy now referred to as the Teddy bear The author tells the dramatic story of her grandfather's life and the difficulties he had to overcome before becoming a successful international buyer and the remarkable story of Margarete Steiff founder of her little company of handmade toys The text also documents the history of the now famous toy bear in advertisements and editorials from the time it arrived in the United States in 1903 to its sudden rise in popularity by 1907

Included is the story of the revival of handmade Teddy Bears after World War II with colorful photographs that illustrate the work of today's talented award-winning artists. With this book, the author ties together the people, dramatic events, and circumstances that resulted in the establishment of the world's most beloved toy and what these endearing bears have come to mean to children and adults all over the world.
