Joyce Simmons, 2020. Growing up in a house where alcohol fighting and adultery by a parent was not a recipe for success but God. Moving on to drugs, alcohol, living on park benches in New York for over a year and one relationship after another led to a life of pure hell. Here you will learn how fear manifested in me for over 50 years. How my ancestors' and my trials were passed on generationally. How God showed up and saved my life. How my children, my grandchildren, family are overcoming. How my family went from curses to blessings. If God showed up for me, He will show up for you. Test Him, read on. *Life Is Setting Me up for Success*, Victor Levy, 2021-11-15. What is success? What does it look like? How does one achieve it? Campbell, 2024-12-31. This book delves into the critical question of how counseling can help individuals navigate and resolve these struggles. It prioritizes the true experts in this domain: the strugglers themselves, and provides an in-depth examination of their experiences. Using the rich methodological approach of hermeneutic phenomenology, the author collaborates with participants to explore their lived experiences of the therapeutic relationship and the therapist's way of being. By incorporating a common factors lens, the book offers insights into how therapists can engage with clients in a way that fosters an alliance capable of addressing religious and spiritual struggles and promoting growth. The book provides readers with

a deep understanding of the r s struggle resolution process identifies how these findings advance the field and encourages practitioners to adopt the common factors meta model to work competently in this area It also examines how counseling can help individuals resolve r s struggles identifying how and when faith related questions emerge due to the failure of religious coping strategies It introduces to the religious coping literature the pathway toward decline delineates the process of how participants experience disconnection from God self and others and puts forward three movements of the resolving process Offering a new attempt to dissect this complex issue through the lens of common factors research it will appeal to researchers counselor educators and post graduate students with interests in religion and spirituality This book is a significant contribution to the discourse on spiritual struggle and the role of counseling in addressing it **An Exposition**
