### **Expository Thoughts On John Volume 3:**

*The Doctrines of Grace from the Lips of Our Lord* J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God's part and man's part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord

*Demolishing Supposed Bible Contradictions Volume 1* Ken Ham, 2010-11-01 One of the most popular misconceptions by people who have walked away from the Church and their faith is that the Bible contains errors or inaccurate accounts Many people also simply accept without question the claim by others that the Bible is full of contradictions Even more disturbing is that a growing number of Christians are unable to respond when presented with an apparent inconsistency in the Bible Now in a bold defense for the accuracy of Scripture Ken Ham leads a powerful team of contributors in providing core biblical truths to help refute claims regarding the inaccuracy of God's Holy Word Demolishing Supposed Bible Contradictions Addresses over 40 issues of contention in the Old and New Testaments including Genesis Exodus Deuteronomy Matthew John Acts and Revelation Contains vital and relevant context by Steve Fazekas Bodie Hodge Roger Patterson Stacia McKeever Gary Vaterlaus Dr Jason Lisle Paul F Taylor John Upchurch and Dr Georgia Purdom Equips you to accurately defend your faith while challenging secular or humanistic agendas With nearly two thirds of young people leaving the Church when they move from home there has never been a more important time to have a reasoned response for those who desire only to undermine your faith This book is a great starting point in teaching you how to think and then respond to false claims regarding the Bible It is imperative that believers are able to stand firm in their faith and have answers to the culture's attacks on the Bible

**John Through the Centuries** Mark Edwards, 2008-04-15 This pioneering commentary embraces the full scope and themes raised in John's Gospel offering an engaging and perceptive reading Mark Edwards explores a diverse range of excerpts and creative responses with particular emphasis on the treatment of the Gospel in English poetry Explores the diverse themes and issues raised in John's Gospel and considers its influence on figures from Saint Augustine to Dorothy Sayers and Bob Dylan Treats well known interpreters such as Thomas Aquinas along with lesser known figures such as the Gnostic Heracleon and the sixth century hymn writer Romanos Brings ancient and modern commentators into dialogue with

each other and takes a critical stance towards some parallels drawn by modern scholars between the Gospel and the surrounding pagan culture. Features excerpts from a wide variety of poets who give a creative interpretation of John's Gospel and considers many artistic representations. Suggests that imaginative response can illuminate a reading of the Bible where purely critical and historical analysis has proved unsatisfactory. An accessible introduction and extensive section notes address interpretations of the Gospel from antiquity to the present. ### **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church**

Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths, untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework. Many today with an interest in the end times face a problem they have forgotten the past. Knowing the history of eschatology is key to understanding its importance, how we interpret our faith and our outlook on God and humanity. So why do so many overlook it and what can we do to correct this? *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second-century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers. It makes a case for a contemporary Irenaean premillennial eschatology, arguing that it is a reliable framework for a biblically defensible, theologically balanced and historically informed eschatology. *The Fathers on the Future* includes these key features: Restores historical perspective; Recovers the forgotten roots of early Christian eschatology, emphasizing the teachings of Irenaeus of Lyons and other church fathers; Biblically grounded framework; Offers a well-supported case for a biblically defensible premillennial eschatology, balancing theology and history; Clarifies and corrects: Clarifies complex aspects of early eschatology, strengthens key theological points and corrects missteps; Fresh yet ancient approach; Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions. *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well-developed eschatology inherited from those who were close associates of the apostles. It then explores some of the features of that early eschatology, clarifying obscure points, strengthening some elements and correcting a few missteps. By looking back to Irenaeus and the eschatological emphases of his age, this book provides a new approach to eschatology today, new to contemporary readers but ancient in its original perspective.

**For the Sake of the Gospel** Desmond Ford, Gillian Ford, 2008 Nearly thirty years ago the Seventh-day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination's prophetic views. At the same time and on the same basis many other ministers also lost their positions. Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism's tertiary institutions in Australia and the U.S. What led him to speak out and is the

debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings     The Bookseller and the Stationery Trades' Journal ,1897 Official organ of the book trade of the United Kingdom

Lee Ligon-Borden, Ph.D.,2013-10-10 Dr Ligon Borden displays superior knowledge of the canonical Gospels and harmonizes the four resurrection scenes with insight and care In this day when other scholars delight to find as many alleged contradictions as they can in Holy Scripture it is encouraging to find one who manages the problems well and demonstrates not only the unity of the Gospel writers but also the basic message of each one and how that lends itself to the telling of the story of the resurrection Like a Who Done It movie where each scene reveals more you will at first with apprehension be confronted with the differences of the eyewitnesses but also thrill that they do not contradict one another Once the details are put together the Gospel writers give various pictures of the Incarnate Son of God Truly we have Four Views One Truth I commend this easy to read mosaic to all who love our Lord You will be greatly encouraged     **The Publishers' Circular and Booksellers' Record** ,1929     The Bookseller ,1875     Overwhelmed by Grace Brian Anderson,2008-10 Every Christian has been saved by Gods grace but many believers have never grasped the glory of that grace Can Gods grace be resisted Will it cause the believer to endure in faith How is it related to divine election Did Christ in His death have a particular group of people in mind Brian Anderson in *Overwhelmed By Grace* meets a widespread need for the doctrines of grace to be clearly simply and Biblically explained for all believers By the time you are done reading this book you may also be overwhelmed by grace Here is a well reasoned readable Biblical explanation of the doctrines of grace Many Christians find these truths difficult to wrestle with and unfortunately there is a dearth of material that explains them well Too many who attempt the task get bogged down in philosophical and historical arguments before they ever deal clearly with the Biblical data Brian Anderson avoids that pitfall and focuses his energies instead on simply giving a clear and understandable presentation of what Scripture teaches I am very grateful for his wonderful straightforward and above all Biblical treatment of these crucial doctrines John F MacArthur Jr Pastor Grace Community Church Sun Valley California President Masters College and Masters Seminary Brian Anderson has written a solid readable engaging and very clear book for those who want to understand the nature of Gods grace in the salvation of the lost I warmly recommend it Dr John H Armstrong Founder and President Act 3

**The Baptism of Jesus the Christ** Ralph Allan Smith, 2010-04-05 The baptism of Jesus by John the Baptizer is one of the theologically richest narratives in the Gospels touching the transition from the old to the new covenant the doctrines of water and Holy Spirit baptism and the doctrine of the Trinity to name only the most significant of topics In The Baptism of Jesus the Christ Ralph Allan Smith addresses each of these areas aiming in particular to respond to James D G Dunn s view that Jesus baptism and the gift of the Spirit are fundamentally distinct events to revive John Calvin s view of the baptism of Jesus as central to understanding Christian baptism and to suggest directions for re thinking the doctrine of God s attributes in the light of the fully personal interaction of Father Son and Spirit reflected in the baptismal narrative

**To Save Sinners** Michael Riccardi, 2023-04-12

The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

Christ and Theology Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin s famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates

in the Beatific Vision
