Constitutions Do? Ellen Frankel Paul,Fred D. Miller, Jr,Jeffrey Paul,2011-01-31 The essays in this volume written by prominent philosophers political scientists and legal scholars address the basic purposes of constitutions and their status as fundamental law Some deal with specific constitutional provisions they ask for example which branches of government should have the authority to conduct foreign policy or how the judiciary should be organized or what role a preamble should play in a nation's founding document Other essays explore questions of constitutional design they consider the advantages of a federal system of government or the challenges of designing a constitution for a pluralistic society or they ask what form of constitution best promotes personal liberty and economic prosperity **Special Appendix to the Report of the**

**Commissioner for the Revision of Civil Salaries and Establishments Throughout India** ,1858 **The Oxford History of Hinduism** Gavin Flood,2020 Traditions of asceticism yoga and devotion bhakti including dance and music developed in Hinduism over long periods of time Some of these practices notably those denoted by the term yoga are orientated towards salvation from the cycle of reincarnation and go back several thousand years These practices borne witness to in ancient texts called Upaniads as well as in other traditions notably early Buddhism and Jainism are the subject of this volume in the Oxford History of Hinduism Practices of meditation are also linked to asceticism tapas and its institutional articulation in renunciation sannyasa There is a range of practices or disciplines from ascetic fasting to taking a vow vrata for a deity in return for a favour There are also devotional practices that might involve ritual making an offering to a deity and receiving a blessing dancing or visualization of the master guru The overall theme the history of religious practices might even be seen as being within a broader intellectual trajectory of cultural history In the substantial introduction by the editor this broad history is sketched paying particular attention to what we might call the medieval period post Gupta through to modernity when traditions had significantly developed in relation to each other The chapters in the book chart the history of Hindu practice paying particular attention to indigenous terms and recognizing indigenous distinctions such as between the ritual life of the householder and the renouncer seeking liberation between inner practices

of and external practices of ritual and between those desirous of liberation *mumukṣu* and those desirous of pleasure and worldly success *bhukṣu* This whole range of meditative and devotional practices that have developed in the history of Hinduism are represented in this book

**Democratization and the Judiciary** Roberto Gargarella, Siri Gloppen, Elin Skaar, 2004-03-01 This title examines the political role of courts in new democracies in Latin America and Africa focusing on their ability to hold political power holders accountable when they act outside their constitutionally defined powers The book also issues a warning there are problems inherent in the current global move towards strong constitutional government where increasingly strong powers are placed in the hands of judges who themselves are not made accountable

**Vulnerable** Colleen M. Flood, Vanessa MacDonnell, Jane Philpott, Sophie Thériault, Sridhar Venkatapuram, 2020-07-14 The novel coronavirus SARS CoV 2 which causes the disease known as COVID 19 has infected people in 212 countries so far and on every continent except Antarctica Vast changes to our home lives social interactions government functioning and relations between countries have swept the world in a few months and are difficult to hold in one's mind at one time That is why a collaborative effort such as this edited multidisciplinary collection is needed This book confronts the vulnerabilities and interconnectedness made visible by the pandemic and its consequences along with the legal ethical and policy responses These include vulnerabilities for people who have been harmed or will be harmed by the virus directly and those harmed by measures taken to slow its relentless march vulnerabilities exposed in our institutions governance and legal structures and vulnerabilities in other countries and at the global level where persistent injustices harm us all Hopefully COVID 19 will force us to deeply reflect on how we govern and our policy priorities to focus preparedness precaution and recovery to include all not just some Published in English with some chapters in French
