Eyes Behind the Lines: L Company Rangers in...

Gary A. Linderer

Eyes Behind The Lines

James F. Gebhardt

Eyes Behind The Lines:

Eyes Behind the Lines Gary Linderer, 2011-08-03 In mid December 1968 after recovering from wounds sustained in a murderous mission Gary Linderer returned to Phu Bai to complete his tour of duty as a LRP. His job was to find the enemy, observe him or kill him all the while behind enemy lines where success could be as dangerous as discovery. *Eyes Behind the Lines: US Army Long-Range Reconnaissance and Surveillance Units* James F. Gebhardt, 2005 *Eyes Behind the Lines* US Army Long Range Reconnaissance and Surveillance Units is the 10th study in the Combat Studies Institute CSI Global War on Terrorism GWOT Occasional Paper series. This work is an outgrowth of concerns identified by the authors of *On Point* The United States Army in Operation IRAQI FREEDOM. Specifically, these authors called into question the use of long range surveillance LRS assets by commanders during that campaign and suggested an assessment ought to be made about their continuing utility and means of employment. This revision contains some important additional information the author received after this book was originally published. Major Retired James Gebhardt of CSI researched and wrote this Occasional Paper with that end in view. In this study Gebhardt surveys the US Army's historical experience with LRRP and LRS units from the 1960s Cold War and Vietnam War through their resurgence in the 1980s and use in Operations JUST CAUSE and DESERT STORM to the advent of the GWOT. The paper's analytical framework examines each era of LRS units in terms of doctrine, organization, training, materiel, leadership, and personnel. In doing so, the author makes a strong case for continuing the LRS capability in the Army's force structure. The variety of environments and enemies likely to be faced by the military in the GWOT continues to demand the unique human intelligence abilities of trained and organized LRS units. As the Army leads the Armed Forces of the United States in combating terrorists, where they live, the lessons found in this survey remain timely and relevant. **Eyes Behind the Lines** James F. Gebhardt, 2005 **Heroines Behind the Lines Series (Set of 4 books)**

Jocelyn Green, 2015-03-01 This set includes all four books of the Heroines Behind the Lines Series: *Wedded to War*, *Widow of Gettysburg*, *Yankee in Atlanta*, and *Spy of Richmond*. The Heroines Behind the Lines Series highlights the crucial contributions made by women during the Civil War. In *Wedded to War*, Charlotte chooses a life of service over privilege just as her childhood friend had done when he became a military doctor. She soon discovers that she's combatting more than just the rebellion by becoming a nurse. Will the two men who love her simply stand by and watch as she fights her own battles? Or will their desire for her wage war on her desire to serve God? In *Widow of Gettysburg*, the farm of Union widow Liberty Holloway is disfigured into a Confederate field hospital, bringing her face to face with unspeakable suffering and a Confederate scout who awakens her long dormant heart. Will Liberty be defined by the tragedy in her life, or will she find a way to triumph over it? In *Yankee in Atlanta*, soldier Caitlin McKae wakes up in Atlanta after being wounded in battle. The Georgian doctor who treated her believed Caitlin's only secret was that she had been fighting for the Confederacy, disguised as a man. To avoid arrest or worse, Caitlin hides her true identity and makes a new life for herself in Atlanta. When Sherman's troops edge closer

to Atlanta Caitlin tries to escape north but is arrested on charges of being a spy Will honor dictate that Caitlin follow the rules or love demand that she break them In Spy of Richmond Union loyalist Sophie Kent attempts to end the war from within the Confederate capital but she can t do it alone As Sophie s spy network grows she walks a tightrope of deception using her father s position as newspaper editor and a suitor s position in the ordnance bureau When her espionage endangers the people she loves she s forced to make a life and death gamble The Camp Fire Girls Behind the Lines Margaret

Vandercook,2023-10-04 Margaret Vandercook s The Camp Fire Girls Behind the Lines is a captivating novel that delves into the adventures of a group of young girls during World War I Written in a straightforward and engaging literary style the book follows the girls as they navigate the challenges of war time America demonstrating themes of bravery resilience and camaraderie Vandercook s attention to detail and vivid descriptions provide a compelling backdrop to the girls experiences offering readers a glimpse into a unique historical period Margaret Vandercook a prolific author known for her insightful and emotion filled storytelling was inspired to write this book by the courage and perseverance displayed by women and girls during wartime Her deep understanding of the human spirit and her ability to capture the essence of each character make The Camp Fire Girls Behind the Lines a standout work in children s literature I highly recommend The Camp Fire Girls Behind the Lines to readers interested in historical fiction particularly those fascinated by the role of young women in war efforts Vandercook s vivid storytelling and well developed characters are sure to leave a lasting impression Behind the Lines Philip Metres,2007-05 Whether Thersites in Homer s Iliad Wilfred Owen in Dulce et Decorum Est or Allen Ginsberg in Wichita Vortex Sutra poets have long given solitary voice against the brutality of war The hasty cancellation of the 2003 White House symposium Poetry and the American Voice in the face of protests by Sam Hamill and other invited guests against the coming shock and awe campaign in Iraq reminded us that poetry and poets still have the power to challenge the powerful Behind the Lines investigates American war resistance poetry from the Second World War through the Iraq wars Rather than simply chronicling the genre Philip Metres argues that this poetry gets to the heart of who is authorized to speak about war and how it can be represented As such he explores a largely neglected area of scholarship the poet s relationship to dissenting political movements and the nation In his elegant study Metres examines the ways in which war resistance is registered not only in terms of its content but also at the level of the lyric He proposes that protest poetry constitutes a subgenre that by virtue of its preoccupation with politics history and trauma probes the limits of American lyric poetry Thus war resistance poetry and the role of what Shelley calls unacknowledged legislators is a crucial though largely unexamined body of writing that stands at the center of dissident political movements **Grand Tour** Robert F. Randall,2003

Behind the Lines W.E.B. Griffin,1996-09-01 Behind the Lines is W E B Griffin s powerful novel of World War II and the courage patriotism and sacrifice of those who fought it By 1942 the Japanese have routed the outnumbered American forces and conquered the Philippines But deep in the island jungles the combat continues Refusing to surrender a renegade Army

officer organizes a resistance force and vows to fight to the last man A Marine leads his team on a mission through the heart of enemy territory And the nation s proudest sons fight uncelebrated battles that will win or lose the war **US Army Long-Range Patrol Scout in Vietnam 1965-71** Gordon L. Rottman,2013-02-20 The Vietnamese knew the Long Range Patrol Scouts as the men with green faces a reference to the camouflage paint that they used Operating in patrols of four to six men these men were like ghosts scouting far behind enemy lines This book examines the Long Range Patrol Scout s superior stealth movement techniques camouflage and concealment tracking counter tracking observation and other fieldcraft skills It also examines the occasions they participated in small scale direct actions including ambushes and raids Written by a Special Forces Vietnam veteran this book not only depicts the remarkable lives of these scouts when on campaign but also details the training and conditioning that it took to become one of these shadow warriors **Behind the Lines** J. T. Wilson,2011-02 The stories in J T Wilson s first collection are both accessible and absorbing He has had immense success and media interest from selling his stories on the street The busking story teller is a familiar sight on Sydney streets and in other major cities in Australia and New Zealand It s a two way thing he says Everywhere he goes people chat to him and maybe purchase a story and in return he learns about them and uncovers new material for more stories Behind the Lines is a collection of thirteen stories that also includes an introduction in which he talks about his writing and his way of life It is sure to delight his many fans and attract new admirers too **Inside the Lines** Earl Derr Biggers,Robert Welles Ritchie,2022-12-13 Inside the Lines 1915 is a gripping novel by American writers Earl Derr Biggers and Robert Wells Ritchie On the eve of the First World War as preparations for the conflict are in full swing American businesswoman Jane Gerson is stranded on the tiny island of Gibraltar unable to get back home With rumours of a German plot and spies around every corner Jane s path home is fraught with suspicion and danger This page turning adventure thriller is perfect for fans of espionage films and fiction Earl Derr Biggers 1884 1933 was an American writer of novels and plays He predominantly wrote detective mysteries and famously created the Chinese American detective Charlie Chan which has been adapted for film and TV on numerous occasions His most popular works include The House Without a Key Seven Keys to Baldplate and The Black Camel Robert Welles Ritchie 1879 1942 was an American writer and journalist He wrote novels and short stories and is mostly remembered today for Inside the Lines Trails to Two Moons and Dust of the Desert Many of his works were also adapted for film **Behind the Lines** Michael Crowley,2012 A book for anyone concerned about the level of literacy amongst prisoners Behind The Lines is the product of some 15 years of working with offenders and people at risk in prison and in the community It is based on the author s extensive experience of using creative writing to change and improve thinking and behaviour to prevent crime It includes Easy to read explanations of the method Dozens of practical exercises and ideas for discussion Advice about the different approaches Samples of writing by offenders inside and outside of prison The author s views about what works to engage and encourage often wary participants Behind the Lines represents a major contribution to rehabilitative work in one

sense it is the prison writing equivalent of the highly successful Waterside Press publication *The Geese Theatre Handbook* A Key Resource For Writers in residence Offending behaviour group workers Youth workers Youth offending teams Community workers Psychotherapists therapists and counsellors Special needs workers and teachers Anyone tackling literacy levels of risk groups and people training or studying in these and related fields Reviews A very useful resource for those working in difficult environments with students who generally have low levels of traditional educational attainment negative learning experiences and who due to cultural and class barriers are not accustomed to engaging with the arts either in institutions or outside Cormac Behan Lecturer in Criminology University of Sheffield Essential reading for anyone interested in the real challenges of rehabilitation Pat Jones Director of the Prisoners Education Trust 2008 12 Shows how you can turn the lead of anger and despair in prisoners into the gold of insight and creativity Oliver James author Shows a sceptical world that young offenders are capable of reflection of understanding what led them into the acts they have committed and the effects on other people and on themselves Alicia Stubbersfield Poet and Koestler Award Judge A wake up call to the educational system which allows so many young people to leave school in the parlous position that he describes and which creative writers up and down the country are devoting so much time and effort to mitigate David Ramsbotham Author Michael Crowley is a youth justice worker and writer His works as a playwright include *Beyond Omarska* *The Man They Couldn't Hang* published by Waterside Press 2010 and *A Warning against Idle Gossip* He has written for youth theatre and been writer in residence at a young offenders institution for the last five years He lives in West Yorkshire *Behind the Lines* Jaroslav Hašek ,2016-08-01 The collection of short stories entitled *Behind the Lines* *Bulguma and Other Stories* draws on Hašek's experience from revolutionary Russia In a manner similar to that employed in his caricatures of the pre war monarchy he satirically captures events of the Bolshevik revolution from the perspective of a Red commissar in a combination of grotesque humor and sarcasm Historical events serve merely as part of the historical mystification Hašek presents them as he perceived them as a man and participant in historical events He depicts them primarily as simple and human pushing his critical view into the background On the border of a comic exaggeration and a realistic depiction an amusing story about a forgotten Tartar town of Bugulma unfolds featuring the Soviet commander of the Tver Revolutionary Regiment drunk Yerokhimov and Comrade Gašek the Commanding Officer of Bugulma Employing humor and exaggeration Hašek demonstrates the zealotry of the revolutionary period as well as the stupidity and simple human insecurity of authoritarians The collection of short stories *Behind the Lines* also includes other sketches by Hašek written at the same time *Death in the A Shau Valley* Larry Chambers,2018-03-13 Featuring a new introduction by the author about his return to Vietnam his reflections on the war and his humanitarian work in Cambodia The enemy had a single purpose kill me and my teammates Larry Chambers was still new to Vietnam in early 1969 when the LRRPs of the 101st Airborne Division became L Company 75th Rangers But his unit's mission stayed the same act as the eyes and ears of the 101st deep in the dreaded A Shau Valley where the NVA ruled

Relentless thick fog frequently made fighter bombers useless in the A Shau and the enemy had furnished the nearby mountaintops with anti-aircraft machine guns to protect the massive trail network that snaked through it. So outgunned, outmanned and unsupported, the teams of L Company executed hundreds of courageous missions. Now in this powerful personal record, Larry Chambers recaptures the experience of the war's most brutal on-the-job training where the slightest noise or smallest error could bring sudden and certain death.

The Secret Behind The Lines - My Discovery Gregory Adedayo Akinlotan, 2018-03-20 Kolade lives a life filled with wild dreams and his vivid imagination. For him, everything great that life has to offer is just for him. The idea that there is a God seems more fantastical than any of the dreams he's made his reality. That is, until his life takes a sharp turn. It is only then that he finds he'll need more than just his imagination to get him through. Can a boy who chose not to believe have a change of heart and spirit?

Stories-untold : [-- WW II Era "behind the Lines"] Cap'n Dee, 2002 Revealing stories of what goes on behind the lines during wartime. Graphic, hard-hitting true tales intended for adult reading, a must for military men past or present.

The Refraction of the Eye Gustavus Hartridge, 1891

Patterns of Violence Behind the Lines in Europe's Civil Wars Francisco J. Leira-Castiñeira, John Sakkas, 2025-09-30 This edited collection examines the violence experienced by non-combatants during the civil wars which took place in Europe in the first half of the twentieth century. The determinants of violence in civil wars are highly complex and variable. By focusing on both the victims and perpetrators of violence in eight European countries including Russia, Ireland, France, and Spain, the book explores what happened when differing groups within a polity clashed and in which ways internal conflicts manifested themselves and permeated societies. Divided into two parts, the chapters firstly identify and analyse how rear-guard violence was produced and exercised during the European civil wars, and secondly they examine the violence perpetrated by and against women. Shedding light on the violence that was inflicted upon European civilians in the early to mid-twentieth century, this book presents insights for historians, political scientists, and international relations scholars alike.
