Ezra Pound The Cantos:

A Guide to the Cantos of Ezra Pound William Cookson, 1985 **The Cantos of Ezra Pound** Ezra Pound, 1996 The Cantos of Ezra Pound is the most important epic poem of the twentieth century *A Companion to the Cantos of Ezra Pound* Carroll Franklin Terrell, Ezra Pound, 1980-01-01 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos **Selected Cantos of Ezra Pound** Ezra Pound, 1970 This selection from the Cantos was made by Ezra Pound himself in 1965 It is intended to indicate main elements in the long poem his personal epic with which he was engaged for more than fifty years His choice includes of course a number of the Cantos most admired by critics and anthologists such as Canto XIII Kung Confucius walked by the dynastic temple Canto XLV With usura hath no man a house of good stone and the passage from The Pisan Cantos LXXXI beginning What thou lovest well remains the rest is dross and so the book is an ideal introduction for newcomers to the great work But it has too particular interest for the already initiated reader and the specialist in its revelation through Pound's own selection of main elements of the relative importance which he himself placed on various motifs as they figure in the architecture of the whole poem **Ezra Pound: The Cantos** George Kearns, 1989-11-23 Pound's 800 page Cantos written over a period of more than fifty years 1917 1969 invites the reader to join the poet on a journey from darkness and despair towards light and positive activity In this book George Kearns addresses the reader approaching The Cantos for the first time He examines the poem's aesthetic and political ethical didactic dimensions and shows that despite its complexity and the many objections which can be raised to its poetics and politics its study can be greatly rewarding *Ezra Pound's Cantos* Peter Makin, 2006 Publisher description

Ideas Into Action Clark Emery, 1958 **Guide to Ezra Pound's Selected Cantos** George Kearns, 1980 *Annotated Index to the Cantos of Ezra Pound, Cantos I-LXXXIV* John Hamilton Edwards, William W. Vasse, 1959 **The Genesis of Ezra Pound's Cantos. [Mit Abb.]** Ronald Bush, 1976 *The Cantos of Ezra Pound* Ezra Pound, 1987 For this edition of one of the great landmarks in twentieth century poetry two previously uncollected cantos have been added and some passages from other cantos omitted from earlier printings restored to the text The additional cantos numbered LXXII and LXXIII were written by Ezra Pound in Italian during the collapse of Italy at the end of the war They belong in the sequence between the John Adams and the Pisan cantos *The Celestial Tradition* Demetres P. Tryphonopoulos, 1992 Despite the painstaking work of Pound scholars the mythos of The Cantos has yet to be properly understood primarily because until now its occult sources

have not been examined sufficiently Drawing upon archival as well as recently published material this study traces Pound's intimate engagement with specific occultists W B Yeats Allen Upward Alfred Orage and G R S Mead and their ideas The author argues that speculative occultism was a major factor in the evolution of Pound's extraordinary aesthetic and religious sensibility much noticed in Pound criticism The discussion falls into two sections The first section details Pound's interest in particular occult movements It describes the tradition of Hellenistic occultism from Eleusis to the present and establishes that Pound's contact with the occult began at least as early as his undergraduate years and that he came to London already primed on the occult Many of his London acquaintances were unquestionably occultists The second section outlines a tripartite schema for The Cantos katabasis dromena epopteia which in turn is applied to the poem It is argued here that The Cantos is structured on the model of a initiation rather than a journey and that the poem does not so much describe an initiation rite as enact one for the reader In exploring and attempting to understand Pounds occultism and its implications to his Pounds oeuvre Tryphonopoulos sheds new light upon one of the great works of modern Western literature The Genesis of Ezra Pound's CANTOS Ronald L. Bush,2014-07-14 Ronald Hush traces the organic development of the poem and demonstrates that what seems to be eccentricity in the Cantos frequently corresponds to the common practice of Pound's contemporaries Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Light from Eleusis** Leon Surette,1979 The Late Cantos of Ezra Pound Michael Kindellan,2017-10-19 Drawing extensively on archival research The Late Cantos of Ezra Pound critically explores the textual history of Pound's late verse namely Section Rock Drill 1955 and Thrones 1959 Examining unpublished letters draft manuscripts and other prepublication material this book addresses the composition revision and dissemination of these difficult texts in order to shed new light on their significance to Pound's wider project his methods and techniques and the structures of authority literary and political that govern the meaning of his poetry Illustrated by reproductions of archival documents The Late Cantos of Ezra Pound is an innovative new study of one of the most important poets of the 20th century **Motive and Method in The Cantos of Ezra Pound** Lewis Leary,1954 **Selected Cantos** Ezra Pound,1987 **Readings in the Cantos** Richard Parker,2018 This volume offers clear readings of 28 Cantos from The Cantos of Ezra Pound in 23 essays written by eminent Poundians with careful explanation of sources balanced with critical analysis of Pound's project **[The cantos] ; The cantos of Ezra Pound** Ezra Pound,1991 **The Cantos of Ezra Pound** Ezra Pound (Poet, United States, Italy),1981
