## **Ezra Pounds Early Poetry And Poetics:**

Ezra Pound's Early Poetry and Poetics Thomas F. Grieve, 1997 Ezra Pound's Early Poetry and Poetics uniquely contributes to an understanding of Ezra Pound's seminal role in literary modernism. The book allows readers to judge more fully the reasons for Pound's influence on the direction twentieth century poetry has taken. Central to this effort is Grieve's unfolding of Poundian objectivity in Pound's early poetry and poetics which is shown to be not just an attitude toward reality but a self-conscious deconstruction of subjectivity as the privileged ground of poetry. Such a view takes issue with and corrects previous studies that have tended to relegate Pound's early poetry to the simplifications and naivetes of realism or failed romanticism. *Collected Early Poems of Ezra Pound* Ezra Pound, 1982 The *Collected Early Poems of Ezra Pound* contains the complete text of the poet's first six books: their title pages in facsimile. A Lume Spento 1908 A Quinzaine for This Yule 1908 Personae 1909 Exultations 1909 Canzoni 1911 Ripostes 1912 and the long poem *Redondillas* 1911 for many years available only in a rare limited edition. There are in addition twenty-five poems originally published in periodicals but not previously collected as well as thirty-eight others drawn from miscellaneous manuscripts. Ezra Pound's 1926 collection entitled *Personae* after his earlier volume of that name was his personal choice of all the poems he wished to keep in print other than some translations and his *Cantos*. It was intended to be the definitive collection of his shorter poems and so it should remain. Yet even the discarded works of a great poet are of value and interest to students and devotees. Originally brought out clothbound by New Directions in 1976 the texts were established at the Center for the Study of Ezra Pound and His Contemporaries of The Beinecke Rare Book and Manuscript Library at Yale University. They were edited by Michael King under the direction of Louis L. Martz who wrote the introduction and Donald Gallup formerly Curator of American Literature. Included are textual and bibliographic notes as well as indexes of titles and first lines. **Ezra Pound** Ezra Pound, Thom Gunn, 2005 Ezra Pound was born in 1885 in Hailey, Idaho. He came to Europe in 1908 and settled in London where he became a central figure in the literary and artistic world, befriended by Yeats and a supporter of Eliot and Joyce among others. In 1920 he moved to Paris and later to Rapallo in Italy. During the Second World War he made a series of propagandist broadcasts over Radio Rome for which he was later tried in the United States and subsequently committed to a hospital for the insane. After thirteen years he was released and returned to Italy, dying in Venice in 1972. **Sons of Ezra** Michael Alexander, James McGonigal, 1995 *Sons of Ezra* British Poets and Ezra Pound is about the impact of Ezra Pound upon British poets writing today It is the story of a presence then of a voice and latterly of an idea When Pound left London in 1920 after a stay of 12 years his early ascendancy had waned and during the 1930s his voice sounded more remotely in British ears The first poet represented here Edwin Morgan began to read Pound towards the end of that decade Pound's subsequent political reputation has meant that students now coming to university born after his death in 1972 have not opened a book of his poems in the way that several who testify here remember doing with pleasure There was a revival of British interest in Pound with the publication of the *Pisan Cantos* and then in the 1960s and early 1970s but since then there has been little public opportunity for British poets to reflect on Pound Michael Alexander and James McGonigal invited British poets to whom Pound has meant something to reflect and to testify To the older writers he was a presence but the youngest contributors were born at the time that Pound fell silent about 1960 and to them he is an historical figure the greatest poetic influence since Wordsworth whose ambition seems an example to avoid as much as to follow

This encyclopedia is a concise yet comprehensive guide to his life and writings.      **Ezra Pound and Poetic Influence**, 2021-09-13 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound. The volume commences with five essays on matters to do with translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies. The next five essays consider different influences on Pound's poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry. The following five essays explore Pound's influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz. The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound's political poetic thought. The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time.
