*The Turning Point in the Gospel of Mark* Gregg S Morrison,2015-02-26 Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter s confession 8 27 38 and the Transfiguration 9 2 13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author s main focus the identity of Jesus and the significance of that reality for his disciples Peter s confession of Jesus as Messiah faces backward toward the Prologue 1 1 13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow

Rainbow,2014-09-05 In this magisterial synthesis Paul A Rainbow presents the most complete account of the theology of the Johannine corpus available today Both critical and comprehensive this volume includes all the books of the New Testament ascribed to John the Gospel the three epistles and the book of Revelation     *Signs in the Wilderness* Daniel H.

Fletcher,2014-09-22 Signs in the Wilderness portrays Nicodemus as a traveler on a faith journeythrough the wilderness who is tested by Jesus s signs Signs test Nicodemus s faith in the same way they tested that of the wilderness generations of ancient Israel in the book of Numbers The first generation saw the miraculous signs of God yet refused to believe and so forfeited its right to enter the promised land The second generation in contrast saw the signs believed and boldly entered the promised land So it was in John s Gospel as well in which many people see Jesus miraculous signs but refuse to believe thus forfeiting eternal life Others believe and inherit eternal life Nicodemus is a test case in that his own wilderness experience is one of divine testing in the face of Jesus signs Will he have a heart of flesh believe and enter eternal life or a hard heart of stone refuse to believe and die in the wilderness Similarly Jesus signs test the readers of John s gospel resulting in either belief or unbelief     *Before There Was a Bible* Lee Martin McDonald,2023-01-26 How did authority function before the bible as we know it emerged Lee Martin McDonald examines the authorities that existed from the Church s beginning the appeal to the texts containing the words of Jesus and that would become the New Testament the not yet finalized Hebrew Scriptures referred to mostly in Greek and the apostolic leadership of the churches McDonald traces several sacred core traditions that broadly identified the essence of Christianity before there was a bible summarized in early creeds hymns and spiritual songs baptismal and Eucharistic affirmations and in lectionaries and catalogues from the fourth century and following McDonald shows how those traditions were included in the early Christian writings later recognized as the New Testament He also shows how Christians were never fully agreed on the scope of their Old Testament canon Hebrew scriptures and that it took centuries before there was universal acceptance of all of the books now included in the Christian bible Further McDonald shows that whilst writings such as the canonical gospels were read as authoritative texts likely from their beginning they

were not yet called or cited as scripture What was cited in an authoritative manner were the words of Jesus in those texts alongside the multiple affirmations and creeds that were circulated in the early Church and formed its key authorities and core sacred traditions

**Persuading the Cretans** Aldred A. Genade,2011-03-23 The Letter to Titus is often branded as incoherent its salutation inchoate Such premature conclusions are directly related to the authenticity debate that has marred analyses of the so called Pastoral Epistles From the corridors of academia echoes the cry to study the letters individually and independently of the authorship issue This book does exactly that It lays bare intricate and novel persuasive strategies strategies that belie the charge of incoherency In fact there is not one but three ways to describe the structure of this masterfully composed letter In Persuading the Cretans Aldred Genade does this utilizing a technique known as text generated persuasion analysis Careful thought has gone into the composition of the letter to communicate timeless truths relevant for generations of Christians This is first century outcomes based communication at its best and communicators preachers and scholars stand to benefit from the lessons in communication the author of Titus can teach us

### **Matthew**

David L. Turner,2008-04-15 An expert on Jewish backgrounds offers a substantial commentary on Matthew in the latest addition to the Baker Exegetical Commentary on the New Testament series *Levitical Sacrifice and Heavenly Cult in Hebrews* Benjamin J. Ribbens,2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ s new covenant sacrifice especially as it relates to the question of efficacy Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy but this work affirms a more positive depiction of the levitical sacrifices A mystical apocalyptic tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ s sacrifice The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ s sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end Ribbens bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult

### *Mark's Memory Resources and the Controversy Stories (Mark 2:1-3:6)*

Yoon-Man Park,2010 Drawing on frame theory from cognitive science this book shows that as a product of oral aural cultures the Gospel of Mark is basically an background knowledge based story and hence it can be only properly understood by the help of frames which the speaker and audience shared

**Textual Criticism of the Bible** Amy Anderson,Wendy Widder,2018-10-10 Textual Criticism of the Bible provides a starting point for the study of both Old and New Testament textual criticism In this book you will be introduced to the world of biblical manuscripts and learn how scholars analyze and evaluate all of that textual data to bring us copies of the Bible in Hebrew Aramaic and Greek that can be used for translating the Bible into modern languages Textual Criticism of the Bible

surveys the field explains technical terminology and demonstrates in numerous examples how various textual questions are evaluated Complicated concepts are clearly explained and illustrated to prepare readers for further study with either more advanced texts on textual criticism or scholarly commentaries with detailed discussions of textual issues You may not become a textual critic after reading this book but you will be well prepared to make use of a wide variety of text critical resources

**Renaming Abraham's Children** Robert B. Foster,2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham s children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God s chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age

***The Oxford Handbook of Pauline Studies*** Matthew V. Novenson,R. Barry Matlock,2022-03-10 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

Burlet,2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i e salvation not judgment The focus of the Genesis flood is acutely bent towards God s salvific rather than punitive purposes The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God s intention for creation is not thwarted and secondly God commits himself to his intentions of creation God s intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle

*From Typology to Doxology* Andrew David Naselli,2012-07-12 At the end of Romans 11 Paul quotes both Isaiah and Job As with other New Testament uses of Old Testament texts this raises several questions What is the context of these Old Testament passages How are they used in other Jewish literature What is Paul s hermeneutical warrant for using them in Romans 11 What theological use does Paul make of them How if at all does their use in Romans 11 contribute to the broader discussion on the use of the Old Testament in the New In addressing these questions this book reveals a remarkable typological connection that climaxes in the doxology of Romans 11 33 36 exalting God s incomprehensibility wisdom mercy grace patience independence and sovereignty **The Gospel According to Paul** Graham H. Twelftree,2019-11-20 Paul s gospel is misunderstood Paul s gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God s salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul s preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel s coming or establishment it is clear that at heart the gospel is God s salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul s message about God s Son Jesus Christ and the activity of God in the miraculous Not surprisingly then Paul rarely talks of preaching the gospel He sees himself as gospelling
