The Four-Letter Word Edited Out of Church Life

Allan J. Macdonald,2023-08-07 It is misunderstood neglected ignored redacted deleted and hated The doctrine of Hell is naturally unpalatable to the unconverted but has become equally unpalatable to much of the visible church including many who deem themselves to be evangelical Jesus is still regarded as the one who saves but it is forgotten what he saves from It is a doctrine so unwanted and offensive that it is cut out of church teaching like an editorial cut out of a swear word in the media Yet not that long ago it was universally accepted dogma reflecting the emphatic manner in which the Lord Jesus addressed the subject giving more attention to Hell than to any other subject Concise yet comprehensive this book inspires a new generation of Christians to embrace and proclaim the doctrine in its fulness in imitation of Jesus and his gospel Extremely thought provoking it is a must read for all seminary students and prospective pastors Equally suitable as an evangelistic tool the unconverted are repeatedly entreated to take refuge in Jesus and escape the most terrible destination in all of creation Do not delete this four letter word from your church life
