*Making a Difference* Karen Hunter-Quartz, Brad Olsen, Lauren Anderson, Kimberly Barraza-Lyons, 2016-01-08 Our culture and media often simplify the choice educators face stay in or leave classroom teaching Written for teachers and other educational professionals this book dispels this simple dichotomy by representing the range of responses and career pathways that enable educators to make a difference Based on interviews with hundreds of change minded educators the authors share career stories and insights against a backdrop that maps out the complexities roles and structures that define professional advancement in education All of the teachers in this book have taught in challenging urban contexts fought hard to exercise their professional autonomy and responsibility to serve students well navigated social networks of educators friends and family who buoy or dampen their reform spirit and remain committed to changing society through schooling Their stories are as instructive as they are inspiring and offer roadmaps for the current generation of change minded educators

*The American Friend*, 1923

**The Silent Vow** Gary Drewes, 2003-11 This how to manual teaches a useful skill in psychic sensing called Directed Intuition It involves merely shifting your awareness much like you routinely shift attention to recall a memory You can use the skill at any time with eyes open and engaged in activities The unique training method has proven effective both in classes and self instruction The author devised the concept in the mid 1960s after years of developing his own sensing ability by experiment and by 69 began teaching classes for several years This updated book first edition 1970

has abundant examples of remarkable results and swift learning even some within a few minutes The lessons are a third of the text The rest discusses expected achievements mental impressions during training and applications for the skill in diverse fields including business foreign affairs and relationships This book is intended for 1 people desiring to enrich their lives with psychic insight 2 disciplined researchers into psychic phenomena and 3 investigators of subjects where needed data cannot be obtained by other means

*An American Friendship* David Weinfeld, 2022-05-15 In *An American Friendship* David Weinfeld presents the biography of an idea cultural pluralism the intellectual precursor to modern multiculturalism He roots its origins in the friendship between two philosophers Jewish immigrant Horace Kallen and African American Alain Locke who advanced cultural pluralism in opposition to both racist nativism and the assimilationist melting pot It is a simple idea different ethnic groups can and should coexist in the United States perpetuating their cultures for the betterment of the country as whole and it grew out of the lived experience of this friendship between two remarkable individuals Kallen a founding faculty member of the New School for Social Research became a leading American Zionist Locke the first Black Rhodes Scholar taught at Howard University and is best known as the intellectual godfather of the Harlem Renaissance and the editor of *The New Negro* in 1925 Their friendship began at Harvard and Oxford during the years 1906 through 1908 and was rekindled during the Great Depression growing stronger until Locke's death in 1954 To Locke and Kallen friendship itself was a metaphor for cultural pluralism exemplified by people who found common ground while appreciating each other's differences Weinfeld demonstrates how this understanding of cultural pluralism offers a new vision for diverse societies across the globe *An American Friendship* provides critical background for understanding the conflicts over identity politics that polarize US society today
