Moore, 2008-02 I began teaching 35 years ago but this is not a book about how wonderful schools are Nor is it a book complementing education about a job well done KIDS never seem to rise to the level of expectations of the caretakers of our schools Unless they're the students who completely comply and excel it seems some little part of their make up too often repulses the people who are supposed to have compassion and understanding for their weaknesses and psychological frailties Education has a knack for suffocating creativity establishing unrealistically high expectations repressing exciting expressive adolescent personalities and perpetuating a system that is dull and disconnected from the potentials of technology Instead of paving the way for student success it creates unnecessary and complicated roadblocks that constantly keep students and parents off balance and confused Teachers and administrators led by the Theory Heads in state and federal government positions have established success in college as the gold standard Everyone is judged as a person according to whether they meet that narrow standard of success There within the problem lies The common thread that runs deep throughout this system is the fact that most of the people making the rules are well educated were great students wouldn't recognize a disability or a child at risk if they slapped them in the face and yet they are the people who pave the runways by which we all fly They equate high GPA's with effective teaching and effective learners They want to perpetuate the system in their own likeness and they have Students in the top 25% of their class will always succeed However a group I call the Muddled Middle gets the leftovers and little respect It is those misunderstood lost and timid souls along with their families for which I write this book

Genders and Sexualities in Indonesian Cinema Ben Murtagh, 2013-09-23 Indonesia has a long and rich tradition of homosexual and transgender cultures and the past 40 years in particular has seen an increased visibility of sexual minorities in the country which has been reflected through film and popular culture This book examines how representations of gay lesbian and transgender individuals and communities have developed in Indonesian cinema during this period The book first explores Indonesian engagement with waria male to female transgender identities and the emerging representation of gay and lesbi Indonesians during Suharto's New Order regime 1966-98 before going on to the reimagining of these positions following the fall of the New Order a period which saw the rebirth of the film industry with a new generation of directors producers and actors Using original interview research and focus groups with gay lesbi and waria identified Indonesians alongside the films themselves and a wealth of archival sources the book contrasts the ways in which transgendered lives are actually lived with their representations on screen

and he did not take part in the ordinary mafia activities Salvo was a business man one of the wealthiest business men in Sicily He took an interest in all important lines of business and had close political connections at the highest levels in Rome He represented another but not less important side of the mafia He was a central part of the far reaching network of economic and political interests that dominated Sicily through decades This book analyses the economic and political activities of the mafia on the basis of the latest source material and explains how the mafia has succeeded in surviving protecting and flourishing in post war Italy Soca Treats Destiny and Passion Glenda Phillips,2017-03-21 Enjoy reading Soca Treats Destiny and Passion This book tells of two groups of friends out for a night of unwinding from the day to day stress Alyssa Nelson Maxi Aymys and Felise Evans longtime school and neighborhood friends and businesswomen who are strong in their faith in God in their love of family and are very active within their communities are out to Soca Treats for a night of enjoyment They are unaware that their already busy lives and their faith is about to be tested Cameron Syms and his friends have been close like brothers since grade school and through their college years The fellows are all successful in their businesses and careers they have chosen to hang out at Soca Treats to blow off some stress themselves Cameron and his friend Ray Jones are about to cross paths with Alyssa and Felise in a way that is orchestrated only by God Neither group has a clue that destiny and passion can still be found at a place called Soca Treats **Blueness** Karen Stensgaard,2019-01-01 When a bucket list cruise vacation becomes a nightmare Solo traveling can lead to enormous complications American businesswoman Kat Jensen begins an exciting well deserved vacation on board an old Danish clipper ship sailing from Copenhagen Denmark to Hong Kong but she regrets her decision from the moment she sees her cabin Before boarding she agreed to an 1860 re enactment dress code and digital detox But life aboard the no frills ship means going without modern plumbing and electricity After she hits her head and is nearly swept overboard in a storm Kat decides to cut her trip short in Southampton England the first port of call But returning home to modern day New York City from Victorian England isn't easy **BLUENESS** features a resilient businesswoman on an unforgettable adventure who unexpectedly gets mixed up in some time travel and romance What readers are saying Easy to read and enjoyed falling into another world Full of imagination Made me wonder what I would do if I found myself in that situation Fast paced full of twists and turns Eager to see the next book **Blueness** is a work of science fiction on the theme of time travel which was penned by author Karen Stensgaard and it forms the second novel of The Aquamarine Sea series Following the events of book one *Aquavit* we return to the life of the go getting businesswoman Kat Jensen as she determinedly boards her pleasure cruise to escape her busy life But on board the Danish clipper where digital tech is banned and a 19th century dress code is encouraged Kat soon realizes that the old timey adventure is more realistic than she thought Returning to modern day New York is going to be an eye opening and epic task with plenty of surprises along the way Author Karen Stensgaard presents a truly unique concept in this novel which forms part of a continuing series of bizarre adventures for her central heroine Kat The character development of both Kat and the

people around her on the clipper is truly excellent adding a level of realism and relatability which stops the time travel plot becoming too cliché and over the top. The balance of genres is really well observed keeping the story interesting with unexpected twists but also grounding it emotionally with Kat's development arc and allowing readers to fall into this surreal and entertaining world with her. One can only guess where the series will go next but overall *Blueness* is a thrilling adventure tale with plenty of laughs and is highly recommended for readers looking for a well-written chick lit novel with a unique concept. 5 Star K C Finn Readers Favorite. The story follows a woman who is sent back in time. The prose is clean and moves the story quickly and there is some evocative descriptive writing. The plot moves along at a steady pace. The characters are consistent and realized. The central conceit of the novel a woman on a re-enactment trip ends up actually back in time is quite clever. The reactions of a modern middle-aged woman stranded 150 years in the past can be interesting. Critic's Report 2019 BookLife Prize Contest Sponsored by Publishers Weekly. In this time slip novel a contemporary business woman embarks on a re-enactment cruise aboard an authentic 1860s Danish sailing ship. Kat Jensen soon regrets the choice when she realizes just how authentic the ship is with no electricity or running water. Early in the voyage she is knocked unconscious during a storm and almost swept overboard. Things take an even more shocking turn after she wakes up. When the ship makes its first port of call in England Kat disembarks and discovers she actually has been transported back to the 1860. She now must deal with the cultural differences of this bygone era and figure out how to return to modern times. The historical elements of this novel are nicely done. It's clear the author did a great deal of research. Her descriptions of 19th century food fashion and customs created a vivid picture of the period and setting. The overall account of what it was like to travel by sea during that time is particularly dramatic and harrowing. Independent Judge 27th Annual Writer's Digest Self Published Book Awards. **Our Joe** Eddie Rowley, 2012-09-14.
