**The 7 Maxims for Soul Happiness** Paul Rodney Turner, 2019-03-24 Happiness is something we all crave for whether in food sex entertainment relationships children career hobbies or sleep Happiness drives us and indeed it defines the quality of our life One may have immense wealth but if they are not happy then mostly they have failed in life Without happiness life loses its value And with a decrease in satisfaction we are witnessing an increase in suicide all over the world In a world where mental and physical stimuli are in abundance it seems inconceivable that anyone could be unhappy Surely everyone can find some form of happiness but alas many people fail and go through life sad and exasperated or hope against hope for some sliver of joy to miraculously appear over the horizon of their destiny Happiness is the nature of the spirit The Vedanta sutras states Anandamayo bhyst The soul is by nature full of joy However due to misidentifying our true self with matter we lose touch with this natural blissful state and identify with the pain and suffering of a physical form The 7 Maxims of Soul Happiness will provide the key to unlock the door to a more blissful life

Klara Goedecke, 2022-10-29 This book discusses men's friendships in relation to queer discursive and intersectional feminist theories. It analyses stories of intimacy, touch, hugs and conversations connecting these with current discussions within feminism and critical masculinity studies on new men, men's political activism and how friendships are lived and conceptualised in relation to heteronormative relationship ideals. Drawing on individual and dyadic interviews with middle class Swedish men all engaged in or sympathetic to feminist issues, in some sense this volume shows that Swedish gender equality ideologies as well as feminist therapeutic, neo liberal and individualist discourses prevalent in the Western world structured the men's friendships and their engagement with gender politics. Chapters cover friendship temporalities, gendered friendship ideals, friendship as men's politics and friendship as performed in interaction. Bridging the literatures of feminist research and friendship, the author points to tensions and contradictions in pro feminist men's political projects and in contemporary masculine positions.
