Theosophical Enlightenment Joscelyn Godwin, 1994-10-28 This is an intellectual history of occult and esoteric currents in the English speaking world from the early Romantic period to the early twentieth century The Theosophical Society founded in 1875 by Helena P Blavatsky holds a crucial position as the place where all these currents temporarily united before again diverging The book s ambiguous title points to the author s thesis that Theosophy owed as much to the skeptical Enlightenment of the eighteenth century as it did to the concept of spiritual enlightenment with which it is more readily associated The author respects his sources sufficiently to allow that their world so different from that of academic reductionism has a right to be exhibited on its own terms At the same time he does not conceal the fact that he considers many of them deluded and deluding In the context of theosophical history this book is neither on the side of the blind votaries of Madame Blavatsky nor on that of her enemies It may therefore be expected to mildly annoy both sides

Yeats Annual No. 10 Warwick Gould, 2016-07-27 Yeats Annual No 10 finds new thresholds and margins in Yeats s thought and work It concentrates upon his plays his occult concerns with spiritualism and the Irish belief in an otherworld and closely examines certain aspects of his textual state and the borders of his canon The admirable Yeats Annual a powerful base of biographical and textual knowledge Since 1982 the vade mecum of Yeats full of interest Bernard O Donoghue The Times Literary Supplement

Jack the Ripper's New Testament Nigel Graddon, 2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries old

European occult confederacy dedicated to human sacrifice This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed* and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run up to the outbreak of global conflict in 1914 The priest told of the existence of a Vatican based cabal of assassins known to its members by the maxim *Dead Men Carry No Tales* formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family Keith's Vatican informant Part of the substantiation for this evidence derives from Joseph Farrell in his recent *Hess and the Penguins* book for AUP The evidence also substantiates Keith's informant's astonishing claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust For the first time also the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century's highly influential and richly funded Bible Revision movement was associated with the grisly events in London's East End during 1888's Autumn of Terror Topics include Mr Splitfoot Whitechapel Martha HPB Polly The Occult Underground Dark Annie The Occult Establishment Long Liz The Lady with the Lilacs From Lilacs to Violets Mary Kelly Baconalia Rothschild's Bible Basle 1897 Through the Looking Glass more

The Theosophical Enlightenment Joscelyn Godwin, 1994 An enticing intellectual history of various esoteric currents from the early Romantic period to the early twentieth century The author maintains that the Theosophical Society held a crucial position as the place where all those currents temporarily united before diverging again
