Maurepas Every chance I got I could be found at that ditch catching kooters another name for turtles On occasion a bullfrog might appear and at night they make their presence known with their loud croaking At the age of 19 I left Hammond and moved to Northern California though I never forgot about my heritage My imagination helped me to re create some events of my past and my art training helped me to put it on paper After dropping out of painting some years ago I decided to take it up again I created many scenic paintings and one day I decided to create a cartoon character of a frog imitating a human I named it Froggy Soon I began to create other paintings of Froggy each one in a different human setting driving a car dancing fishing sports mingling with humans etc I soon came up with an idea of creating her as an infant growing up in a swamp and being surrounded with other native creatures all working together and enjoying the simple pleasures of life without the modern conveniences present in human society Further encouragement from family and friends inspired me to write this book It is my wish that Froggy provides wholesome enjoyment for the young readers and the whole family It is filled with many great object lessons as well as good humor Though it is primarily written as a children s book many I hope will enjoy it and take something away from it
