Rooms of Their Own Alex Johnson, 2022-04-19 *Rooms of Their Own* travels around the world examining the unique spaces habits and rituals in which famous writers created their most notable works The perennial question asked of all authors is How do you write What do they require of their room or desk Do they have favourite pens paper or typewriters And have they found the perfect daily routine to channel their creativity Crossing centuries continents and genres Alex Johnson has pooled 50 of the best writers and transports you to the heart of their writing rooms from attics and studies to billiard rooms and bathtubs Discover the ins and outs of how each great writer penned their famous texts and the routines and habits they perfected Meet authors who rely on silence and seclusion and those who need people music and whisky Meet novelists who travel half way across the world to a luxury writing retreat and others who just need an empty shed at the bottom of the garden Some are particular about pencils inks paper and typewriters and some will scribble on anything including the furniture But whether they write in the library or in cars under trees private islands hotel rooms or towers each of these stories confirms that there is no best way to write From James Baldwin writing in the small hours of the morning in his Paris apartment to DH Lawrence writing at the foot of a towering Ponderosa pine tree to the Brontë sisters managing in a crowded co-working space this book takes us into the lives of some of history's greatest ever writers with each writing space illustrated in evocative watercolour by James Osse In looking at the working lives of our favourite authors bibliophiles will be transported to other worlds aspiring writers will find inspiration and literature fans will gain deeper insight into their most loved authors

A Space of Their Own Katie Baker, Naomi Walker, 2023-03-31 This collection explores how nineteenth and twentieth century women writers incorporated the idea of place into their writing Whether writing from a specific location or focusing upon a particular geographical or imaginary place women writers working between 1850 and 1950 valued a space of their own in which to work The period on which this collection focuses straddles two main areas of study nineteenth century writing and early twentieth century modernist writing so it enables discussion of how ideas of space progressed alongside changes in styles of writing It looks to the many ways women writers explored

concepts of space and place and how they expressed these through their writings for example how they interpreted both urban and rural landscapes and how they presented domestic spaces A Space of Their Own will be of interest to those studying Victorian literature and modernist works as it covers a period of immense change for women's rights in society It is also not limited to just one type or definition of space Therefore it may also be of interest to academics outside of literature for example in gender studies cultural geography place writing and digital humanities

Decline and Fall on Savage Street Fiona Farrell, 2017-07-31 A fascinating prize winning novel about a house with a fanciful little turret built by a river Unfolding within its rooms are lives of event and emotional upheaval A lot happens And the tumultuous events of the twentieth century also leave their mark from war to economic collapse the deaths of presidents and princesses to new waves of music art architecture and political ideas Meanwhile a few metres away in the river another creature follows a different slower rhythm And beneath them all the planet moves to its own immense geological time With insight wide ranging knowledge and humour

this novel explores the same territory as its non fiction twin *The Villa at the Edge of the Empire* Writing in a city devastated by major earthquakes Fiona Farrell rebuilds a brilliant compelling and imaginative structure from bits and pieces salvaged from one hundred years of history A lot has happened This is how it might have felt It s a work of incredible research and incredible scope and incredible feeling it s really wonderful It think we will look back at these two books *Decline and Fall on Savage Street* and *The Villa at the Edge of Empire* and think of them as being very important in our local literary history as marking time and place and moment and feeling it s a wonderful piece of art Louise O Brien Radio NZ It s so vast it shouldn t work but it does Primarily this is because rather than anchoring her text to dry historical minutiae Farrell chooses to ground it to people particularly family So as well as the impressive detail made especially graceful thanks to the author s poetic skill the narrative follows one house settled upon the titular street and its inhabitants particularly one family extended and diverse As such chapter by chapter are like a relay team an exercise in passing the chronological story along Wide ranging yet intimate poetic yet simple of the singular home yet speaking to the complexities of city and nation *Decline and Fall on Savage Street* is a remarkable read Siobhan Harvey Waikato Times
