From Alley Pond to Rockefeller Center Henry Collins Brown, 1936      Douglaston-Little Neck Jason D. Antos, 2021 The neighborhoods of Douglaston and Little Neck are located on the northeastern frontier of Queens County The gateway to the north shore of Long Island both towns are linked not only geographically but through an illustrious history that dates back to the time of the Algonquin who called the area Matinecock or Place of the Hill Country In 1906 the Rickert Finlay Realty Company helped develop Douglaston and Little Neck featuring an architectural tapestry of Colonial and Tudor Revivals English cottages and Arts and Crafts style homes Douglaston quickly became a destination for artists and yachting enthusiasts while Little Neck quickly saw its conversion from farmland and quaint yet rustic country stores to a newly developed area of communities and hamlets that exemplified the American dream Today an historic district Douglaston includes homes designed by Josephine Wright Chapman one of the nation's earliest women architects as well as the childhood home of pro tennis legend John McEnroe      **Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined      *Satan's Circus* Mike Dash, 2007-06-12 They called it Satan's Circus a square mile of Midtown Manhattan where vice ruled sin flourished and depravity danced in every doorway At the turn of the twentieth century it was a place where everyone from the chorus girls to the beat cops was on the take and where bad boys became wicked men a place where an upstanding young policeman such as Charley Becker could become the crookedest cop who ever stood behind a shield Murder was so common in the vice district that few people were surprised when the loudmouthed owner of a shabby casino was gunned down on the steps of its best hotel But when two weeks later an ambitious district attorney charged Becker with ordering the murder even the denizens of Satan's Circus were surprised The handsome lieutenant was a decorated hero the renowned leader of New York's vice busting Special Squad Was he a bad cop leading a double life or a pawn felled by the sinister rogues who ran Manhattan's underworld With appearances by the legendary and the notorious including Big Tim Sullivan the election rigging vice lord of Tammany Hall future president Theodore Roosevelt beloved gangster Jack Zelig and the newly famous author Stephen Crane *Satan's Circus* brings to life an almost forgotten Gotham Chronicling Charley Becker's rise and fall the book tells of the raucous gaudy and utterly corrupt city that made him and recounts not one but two sensational murder trials that landed him in the electric chair      *The ^A City in Slang* Irving Lewis Allen, 1995-02-23 The American urban scene and in particular New York's has given us a rich cultural legacy of slang words

and phrases a bonanza of popular speech Hot dog rush hour butter and egg man gold digger shyster buttinsky smart aleck sidewalk superintendent yellow journalism breadline straphanger tar beach the Tenderloin the Great White Way to do a Brodie these are just a few of the hundreds of popular words and phrases that were born or took on new meaning in the streets of New York In *The City in Slang* Irving Lewis Allen traces this flowering of popular expressions that accompanied the emergence of the New York metropolis from the early nineteenth century down to the present This unique account of the cultural and social history of America's greatest city provides in effect a lexicon of popular speech about city life With many stories Allen shows how this vocabulary arose from city streets often interplaying with vaudeville radio movies comics and the popular songs of Tin Pan Alley Following the trail of these words and phrases into the city's East Side West Side and all around the town *The City in Slang* is a fascinating look at the rich cultural heritage of language about city life
