From Ararat To Suburbia The History Of The Jewish Community Of Buffalo:

From Ararat to Suburbia Selig Adler, Thomas E. Connolly, 1960 *Jewish Community of Greater Buffalo* Chana Revell Kotzin PhD, 2013-09-02 Jewish community life in Buffalo began in 1847 with the founding of Temple Beth El A dominantly German Jewish community transformed in the 1880s as Eastern European Jews settled around William Street Intense religious and commercial vibrancy emerged with new synagogues alongside Jewish grocery stores kosher butchers clothiers and more From this east side milieu lyricist Jack Yellen Happy Days are Here Again and composer Harold Arlen Over the Rainbow emerged as part of a new generation shaping local and national American life On the west side Temple Beth Zion the Jewish Federation Jewish Community Center Jewish Family Service and Rosa Coplon Jewish Old Folks Home built institutions on and around Delaware Avenue Jewish areas in Humboldt North Buffalo Kenmore Amherst Getzville and Williamsville developed over time Camp Lakeland continued earlier traditions of summer camping Throughout the 20th century Jewish Buffalonians made their marks as entrepreneurs distinguished lawyers award winning writers and Nobel Prize scientists among other careers The Jewish Community of Greater Buffalo showcases Buffalo and Niagara Falls Jewry over the last two centuries [A New Vision of Southern Jewish History](#) Mark K. Bauman, 2019-05-14 Winner of the 2023 Southern Jewish Historical Society Book Award Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history Mark K Bauman one of the foremost scholars of southern Jewish history working today has spent much of his career as he puts it rewriting southern Jewish history in ways that its earliest historians could not have envisioned or anticipated and doing so by specifically targeting themes and trends that might not have been readily apparent to those scholars A New Vision of Southern Jewish History Studies in Institution Building Leadership Interaction and Mobility features essays collected from over a forty year career including a never before published article The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities Bauman offers assessments that go far beyond these simplified frameworks and draws upon varieties of subject matter time periods locations tools and perspectives over three decades of writing and scholarship A New Vision of Southern Jewish History contains Bauman s studies of Jewish urbanization acculturation and migration intra and inter group relations economics and business government civic affairs transnational diplomacy social services and gender all complicating traditional notions of southern Jewish identity Drawing on role theory as informed by sociology psychology demographics and the nature and dynamics of leadership Bauman traverses a broad swath often urban of the southern landscape from Savannah Charleston and Baltimore through Atlanta New Orleans Galveston and beyond the country to Europe and Israel Bauman s retrospective volume gives readers the opportunity to review a lifetime of work in a single publication as well as peruse newly penned introductions to his essays The book also features an Additional Readings section designed to update the historiography in

the essays *Jewish Options* Arnold Dashefsky, Ira M. Sheskin, J. Alan Winter, 2024-10-03 This book offers an examination of an expanding set of options for being Jewish in contemporary American society It examines the evolution of Jewish identity across five epochs of Jewish civilization as well as the transformation of the American Jewish experience across four centuries In addition an institutional history and a geographic demographic and religious profile of American Jews are presented including an outline of contemporary Jewish options to express Jewish identity in twenty first century America Readers will gain an understanding of how these options developed via the provision of a socio historical and a social scientific analysis of each option in one integrated volume The book also discusses contemporary challenges to the continuity of American Jewish community and identity including the issues of education interfaith marriage and philanthropy *Jewish Giving* Jack Wertheimer, 2025-07-22 Evaluating Jewish donors over time The American Jewish philanthropic enterprise is unparalleled in scope dynamism and the diversity of funders and the causes they support Yet even as Jewish giving has been largely successful in responding with alacrity to emergencies it has been subjected to severe criticism What once was regarded as a point of pride has become the object of scorn and dismissal with skepticism if not harsh criticism about its work rife both within and outside Jewish communal circles Based on 320 interviews with professionals at Jewish not for profits across the United States principals of foundations and their top staff personnel and also tax filings of major foundations Jewish Giving provides readers with fresh perspectives to evaluate the efforts of Jewish donors large and small The book traces the evolution of Jewish giving from the colonial era to the present charting the changing profile of those who give to Jewish causes and what funders have aimed to achieve through their largesse It makes the case that philanthropy serves as a prism through which broader themes in communal life are illuminated As society or politics change the priorities of charitable giving adjust in response These changes in targeted funding can help to sharpen our understanding of demographic and social patterns Devoting much attention to twenty first century developments in contemporary Jewish giving the book pays special attention to the changing landscape of donors who are remaking Jewish philanthropy including women Orthodox Jews Sephardi givers and young funders *Zion in America* Henry L. Feingold, 2013-03-21 Scholarly survey covers Old World origins profiles of New World cultures of German and Eastern European Jews the effects of changing political and economic climates and immigrant settlement on the Lower East Side settlement **Jewish Feminism and Intersectionality** Marla Brettschneider, 2016-05-01 Addresses the absence of Jewish subjects in intersectionality studies and demonstrates how to do intersectionality work inclusive of Jewish perspectives Jewish Feminism and Intersectionality explores a range of opportunities to apply and build intersectionality studies from within the life and work of Jewish feminism in the United States today Marla Brettschneider builds on the best of what has been done in the field and offers a constructive internal critique Working from a nonidentitarian paradigm Brettschneider uses a Jewish critical lens to discuss the ways different politically salient identity signifiers cocreate and mutually constitute each other She

also includes analyses of matters of import in queer critical race and class based feminist studies This book is designed to demonstrate a range of ways that Jewish feminist work can operate with the full breadth of what intersectionality studies has to offer Blending feminist political theory with personal narratives Brettschneider makes a compelling case for the inclusion of Jewish feminist perspectives in intersectionality studies particularly its potential to provide insight in the undertheorized intersection of race sexuality and religious culture Kimala Price San Diego State University **From Iberia to Diaspora** Yedida K. Stillman, Norman A. Stillman, 2023-12-14 This rich interdisciplinary collection of articles offers fascinating new insights into the history and culture of Sephardic Jewry both in pre Expulsion Iberia and throughout the far flung diaspora

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education **The Jews of the United States, 1654 to 2000** Hasia R. Diner, 2006-05-30 Annotation A history of Jews in American that is informed by the constant process of negotiation undertaken by ordinary Jews in their communities who wanted at one and the same time to be good Jews and full Americans *Judaism in America* Marc Lee Raphael, 2005-12-20 Jews have been a religious and cultural presence in America since the colonial era and the community of Jews in the United States today some six million people continues to make a significant contribution to the American religious landscape Emphasizing developments in American Judaism in the last quarter century among active participants in Jewish worship this book provides both a look back into the 350 year history of Judaic life and a well crafted portrait of a multifaceted tradition today Combining extensive research into synagogue archival records and secondary sources as well as interviews and observations of worship services at more than a hundred Jewish congregations across the country Raphael s study distinguishes itself as both a history of the Judaic tradition and a witness to the vitality and variety of contemporary American Judaic life Beginning with a chapter on beliefs festivals and life cycle events both traditional and non traditional and an explanation of the enormous variation in practice Raphael then explores Jewish history in America from the arrival of the first Jews to the present highlighting the emergence and development of the four branches Orthodox Conservative Reconstructionist and Reform After documenting the considerable variety among the branches the book addresses issues of some controversy notably spirituality conversion homosexuality Jewish education synagogue architecture and the relationship to Israel Raphael turns next to a discussion of eight American Jews whose thoughts and or activities made a huge impact on American Judaism The final chapter focuses on the return to tradition in every branch of Judaism and examines prospects for the future

Immigrant Institutions George E. Pozzetta, 1991 **The Colonial and Early National Period 1654-1840** Jeffrey S.

Gurock,2014-02-04 The first volume contains articles on a variety of areas including Jewish involvement in the War of Independence and in the American Revolution the New York Jewish Community of the time and a look at the Dutch and English Jews of the period

Lower East Side Memories Hasia R. Diner,2020-11-10 Manhattan s Lower East Side stands for Jewish experience in America With the possible exception of African Americans and Harlem no ethnic group has been so thoroughly understood and imagined through a particular chunk of space Despite the fact that most American Jews have never set foot there and many come from families that did not immigrate through New York much less reside on Hester or Delancey Street the Lower East Side is firm in their collective memory Whether they have been there or not people reminisce about the Lower East Side as the place where life pulsed bread tasted better relationships were richer tradition thrived and passions flared This was not always so During the years now fondly recalled 1880 1930 the neighborhood was only occasionally called the Lower East Side Though largely populated by Jews from Eastern Europe it was not ethnically or even religiously homogenous The tenements grinding poverty sweatshops and packs of roaming children were considered the stuff of social work not nostalgia and romance To learn when and why this dark warren of pushcart lined streets became an icon Hasia Diner follows a wide trail of high and popular culture She examines children s stories novels movies museum exhibits television shows summer camp reenactments walking tours consumer catalogues and photos hung on deli walls far from Manhattan Diner finds that it was after World War II when the Lower East Side was enshrined as the place through which Jews passed from European oppression to the promised land of America The space became sacred at a time when Jews were simultaneously absorbing the enormity of the Holocaust and finding acceptance and opportunity in an increasingly liberal United States Particularly after 1960 the Lower East Side gave often secularized and suburban Jews a biblical yet distinctly American story about who they were and how they got here Displaying the author s own fondness for the Lower East Side of story books combined with a commitment to historical truth Lower East Side Memories is an insightful account of one of our most famous neighborhoods and its power to shape identity

The Forerunners Robert P. Swierenga,2018-02-05 He details the contributions and the leadership provided by the Dutch Jews and relates how they lost their Dutchness and their Orthodoxy within several generations of their arrival here and were absorbed into broader American Judaism

The Encyclopedia of New York State Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the

Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York's varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state's diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state's past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

We Remember with Reverence and Love Hasia R Diner, 2009-04-01 Winner of the 2009 National Jewish Book Award in American Jewish Studies Recipient of the 2010 Guggenheim Fellowship in Humanities Intellectual Cultural History It has become an accepted truth after World War II American Jews chose to be silent about the mass murder of millions of their European brothers and sisters at the hands of the Nazis In this compelling work Hasia R Diner shows the assumption of silence to be categorically false Uncovering a rich and incredibly varied trove of remembrances in song literature liturgy public display political activism and hundreds of other forms *We Remember with Reverence and Love* shows that publicly memorializing those who died in the Holocaust arose from a deep and powerful element of Jewish life in postwar America Not only does she marshal enough evidence to dismantle the idea of American Jewish forgetfulness she brings to life the moving and manifold ways that this widely diverse group paid tribute to the tragedy Diner also offers a compelling new perspective on the 1960s and its potent legacy by revealing how our typical understanding of the postwar years emerged from the cauldron of cultural divisions and campus battles a generation later The student activists and new Jews of the 1960s who in rebelling against the American Jewish world they had grown up in a world of remarkable affluence and broadening cultural possibilities created a flawed portrait of what their parents had or rather had not done in the postwar years This distorted legacy has been transformed by two generations of scholars writers rabbis and Jewish community leaders into a taken for granted truth

A Treasury of Jewish Anecdotes Lawrence Jeffrey Epstein, 1989 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com Shul with a Pool David Kaufman, 1999 The evolution of an American institution that reflects the unique tension between Judaism and Jewishness

Tales of and about Jewish Youth During the Fin-de-siècle Era Lawrence M. Ginsburg, 2010 This is the story of Jewish youth in upstate New York during the fin de siècle decade of the nineteenth century Ginsburg details periods of transition for these youths such as exploring life at various Jewish orphanages where children were sheltered educated and taught trade skills to support themselves thereafter He profiles *The Jewish Tidings* a weekly journal that ran from 1887 to 1897 which heralded itself as A Fearless Exponent of Progressive Judaism and polarized Eastern European Jewish immigrants from the predominantly German Jewish brethren Ginsburg rounds out his examination of Jewish life during the fin de siècle era by profiling figures such as a rabbi and a Jewish match peddler in Syracuse as well as the Young Men's Hebrew Association and the Jewish Chautauqua Association Ginsburg a native of Syracuse New York delves into the

history of Jewish youths during this era with interest and enthusiasm
