From Coffin To Heaven A Psychological:

From Coffin to Heaven Ho-ye Ng, 2004 This is the story of a group of men who called themselves heroin coffin It is their story of ascension from the Styxian shore of heroin addiction to a new found heaven in a Christian brotherhood The research study which gives rise to this story raises the question of the apparent antagonism between science and religion Can religious faith be studied from a scientific viewpoint Psychology and Spiritual Transformation in a Substance Abuse Program W. Paul Williamson, Ralph W. Hood, Jr., 2016-01-29 Psychology and Spiritual Transformation in a Substance Abuse Program utilizes a five year longitudinal study to examine the evolving psychological and spiritual condition of victims of substance abuse who were treated as part of the Lazarus Project a Pentecostal faith based residency program span *The Psychology of Emotion, Morbid and Normal* John Thompson MacCurdy, 1925 **A Brighter Side** Yuet-wah Cheung, 2009 Despite the increase of research investigating various aspects of the drug problem in Hong Kong in the past decade little was known about the pathway to continuous drug use or recovery of chronic drug abusers This book reports upon a pioneer longitudinal study of chronic drug abusers in Hong Kong that used an analytical framework consisting of sociological psychological and treatment variables to explore the protective and risk factors affecting the relapse or abstinence of chronic drug abusers The findings of the study have significant implications for theories of drug use and rehabilitation especially highlighting the roles of social capital self efficacy short term abstinence and harm reduction in the chronic drug abuser s road to recovery **The American Journal of Psychology** Karl M. Dallenbach, Madison Bentley, Edwin Garrigues Boring, Margaret Floy Washburn, 1915 **The American Journal of Psychology**, 1897 *Complex/Archetype/Symbol in the Psychology of C.G. Jung* Jolande Jacobi, 2020-05-05 As an associate of C G Jung for many years Jolande Jacobi is in a unique position to provide an interpretation of his work In this volume Dr Jacobi presents a study of three central interrelated concepts in analytical psychology the individual complex the universal archetype and the dynamic symbol **Curiosities of London Life: or, Phases, physiological and social, of the great Metropolis** Charl. The Journal of Abnormal Psychology and Social Psychology ,1908 *The Psychology of Joss Whedon* Joy Davidson, Leah Wilson, 2007-12-01 First there was Buffy the Vampire Slayer then its spin off Angel then the cult hit Firefly and its follow up film Serenity They all had two things in common their creator Joss Whedon and their surprising psychological depth Revisit the worlds of Joss Whedon with trained psychologists at your side What are the psychological effects of constantly fighting for your life Why is neuroscience the Whedonverse s most terrifying villain How can watching Joss s shows help you take on your own psychological issues It s all the best parts of Psych 101 without Professor Walsh Robert Kurzban explains how Mal s morals are a form of evolutionary pornography and why we like to watch Thomas Flamson explores free will in the Whedonverse with prophecies sacred duties and the long arm of the Alliance does anyone actually have any Carole Poole demonstrates how Buffy and Spike s season six relationship could be considered metaphor for narcissistic personality disorder and concludes that Buffy may have been better off continuing it Bradley J Daniels looks at River s Alliance altered brain and the real effects of stripping the amygdala Mikhail Lyubansky shows why psychologically death really is Buffy s gift And editor Joy Davidson takes on Angel s mommy issues how the course of his whole extraordinary existence can be traced back to the woman who made him a vampire **British Journal of Medical Psychology** ,1925 Includes papers read before the Medical Section of the British Psychological Society **Psychology of the unconscious** Carl Gustav Jung, 1916
Psychology of The Unconscious Carl Gustav Jung, 2023-11-23 In *Psychology of The Unconscious* Carl Gustav Jung delves into the intricate landscape of the human psyche exploring the depths of the unconscious through a blend of analytical psychology and philosophical introspection Jung s literary style is characterized by an eloquent narrative that marries mythological references with psychological concepts facilitating a profound understanding of the collective unconscious and archetypes This groundbreaking work exists within the broader context of early 20th century psychology marking a departure from Freud s theories and setting the stage for Jung s own innovative contributions to the field Carl Gustav Jung a Swiss psychiatrist and psychoanalyst is renowned for founding analytical psychology His extensive childhood experiences in a culturally rich family and his later studies in both medicine and philosophy significantly informed his perspectives on the unconscious mind Jung s deep interest in mythology religion and the arts further shaped his understanding of human behavior prompting him to articulate these complex ideas in this seminal text Readers seeking a comprehensive exploration of the inner workings of the human mind will find *Psychology of The Unconscious* indispensable It serves not only as an intellectual inquiry into the depth of human experience but also as an invitation to engage with the symbolic nature of our dreams and emotions This work is essential for those interested in psychology philosophy and self discovery *Psychology of the Unconscious* C. G. Jung, 2024-11-21 *The Frontier in American History* by Frederick Jackson Turner is a landmark essay that profoundly influences the way we understand the development of American society and its character through the

exploration of the western frontier Originally presented in 1893 at the American Historical Association Turner s thesis posits that the frontier experience was crucial in shaping the unique qualities of the American identity setting it apart from European influences In this insightful work Turner argues that the availability of land and the challenges of frontier life fostered a spirit of independence democracy and innovation He explores how the relentless westward expansion not only transformed the physical landscape of America but also significantly impacted the social political and economic fabric of the nation By analyzing the impact of the frontier on American culture he illustrates how it instilled values of self reliance and adaptability among settlers and encouraged the formation of a distinctly American ethos The Frontier in American History is renowned for its profound implications on historiography and has become a cornerstone in the study of American history Turner s insights have sparked extensive scholarly debate prompting historians to reconsider the complexities of American identity the role of diverse communities and the consequences of expansionist policies Readers are drawn to The Frontier in American History for its compelling narrative and thought provoking analysis making it essential for anyone interested in the roots of American culture and the dynamics of frontier life Owning a copy of The Frontier in American History allows readers to delve into Turner s influential ideas offering valuable perspectives that resonate in contemporary discussions about identity culture and the American experience making it an indispensable addition to any literary or historical collection
