From Death Comes A Scribbler:

From Death Comes a Scribbler, 2002 A startling dream awakens the Unknown Scribbler to pay tribute to the master of macabre and pen Edward Gorey A simple story with a simple message **Death Comes for the Deconstructionist** Daniel Taylor, 2016-06-16 When Jon Mote is hired to investigate the murder of his erstwhile mentor literary star Richard Pratt the grad school dropout feels woefully unequal to the task Skittering on the edge of madness his only source of hope is the dogged love of his developmentally disabled sister Judy who serves as cheerleader critic and moral compass Soon the siblings find themselves haunting the neighbourhoods of Minneapolis and St Paul Minnesota from crime scenes to the halls of academe exposing a series of suspects along the way When he stumbles upon Pratt's terrible secret Mote is prompted to discover an equally dreadful mystery in his own past a revelation that accelerates his descent into darkness and puts both himself and Judy at grave risk Daniel Taylor's oddly reluctant Sherlock Holmes is accompanied by the most unusual and heartwarming Watson in my reading experience Paul J Willis author of *The Alpine Tales* **Death Comes to the Ballets Russes** David Dickinson, 2015-01-08 London 1912 and the famed Ballet Russes have come to London to perform Anticipation is high for Diaghilev's troupe is renowned throughout Europe At the end of their famed performance of *Thamar* at the Royal Opera House the Georgian queen stabs her prince to death and throws him into the river But life mirrors art when the prince is found truly dead stabbed through the heart in the orchestra pit below stage But the corpse is not the dancer in the programme It is his understudy Powerscourt is summoned to investigate But who was the intended victim the understudy or the star of the Ballets Russes And the Ballet Russes are not the only Russian visitors in London this season Lenin Europe's most dangerous revolutionary has sent some bank robbery money to be changed into pounds There are stolen jewels from St Petersburg to be sold And there are other darker forces abroad too and Powerscourt has to look death in the face before he can solve the mystery of Death at the Ballet Russes **A Scribbler's Pot Pourri** Maurice Jordan, 2023-03-16 A collection of happy sad silly funny thought provoking poems and short stories and a novella to help pass the time for those who have periods of enforced idleness *The Third Kind of Knowledge* Robert Fitzgerald, 1993 His friendship with Agee and also with Flannery O'Connor whose literary executor he became as well as with other literary figures such as John Berryman Allen Tate and Caroline Gordon flourished during this period In the early fifties he moved with his family to Italy where he worked for six years on his celebrated translation of the *Odyssey* His other classical translations the *Iliad* the *Aeneid* and his translations of Euripides and Sophocles several done in collaboration with Dudley Fitts have become the signal translations of our time A renowned teacher as well as poet and scholar Fitzgerald taught over the years at such institutions as Sarah Lawrence Princeton The New School Mount Holyoke and The University of Washington His career culminated at Harvard where in 1965 he was named Boylston Professor of Rhetoric and Oratory For fifteen years his course in Versification influenced a generation of young poets and his seminar in Homer Virgil and Dante a generation of young scholars

The Scribbler's Assassination Eric Johns,2015-04 E Rick Jones was a penniless author while Fred his twin brother was a successful inventor and entrepreneur Fred s advice on how Rick could improve his life was never any use because Rick although he dreamed of becoming like his brother in reality was hobbled by his timidity When Rick was accused of being a paedophile he found himself being investigated by the police and hounded by the media The evidence appeared conclusive No one would believe him that he was being framed and everyone he knew including his wife seemed to have a reason for wanting him imprisoned or murdered There was no one he could trust The media were doing their best to stir up a lynch mob and the police weren t interested in offering him protection His brother thought his predicament hilarious One way or another it seemed that his sheltered life was about to come to a painful end **The Scribbler's Revenge** Eric

Johns,2015-04-02 E Rick Jones was stoically living out his final days in an old folks home when a young woman dropped a time travelling device onto the tartan rug which encased his withered limbs This did not surprise him because he had written about something of the sort in a short story The opportunity to travel in time presented him with the chance to repair the injustices of a lifetime and revenge himself on the literary establishment which had ignored him The only flaw in his plan was that the people to whom the device belonged wanted it back and the young woman who had stolen it kept reappearing at inopportune moments The one chance he had of survival was to adjust time itself so that the story of his life reached a satisfactory conclusion But if he did that the terrifyingly ruthless owners of the device would immediately know which timeline he was hiding in and come hunting for him Given all the time in eternity there surely had to be a solution **The**

Gate of Two Snakes L.H. May,2013-11-01 The book is about Americans in love in Peru in 1973 74 when Watergate preoccupied everybody back home when Allende had just been overthrown in Chile and things weren t very stable around or between the characters The title refers to their garden gate in Cuzco which had a stone lintel with twin serpents He took it as a propitious sign for renewal of their love since the snake meant good luck and prosperity for the Incas Of course in Eden it

meant the opposite an ambiguity he appreciated as he reported on the aftermath of the Allende coup and the return of Peron while trying to make it as a foreign correspondent so he could be with Liz a photographer based in Cuzco Peru seemed stable by comparison to DC an inversion of the usual political stability of North versus South America but in impoverished Ayacucho Province a Maoist rebel group Sendero Luminoso had arisen and Liz had been taking photos there the summer before creating problems with the government they didn't need in addition to personal concerns with free love and open marriage black market and stolen art so chaos inside their gate as well as outside
