From Fetters to Freedom Mícheál MacUileagóid, 1996-08-01 The Inside Story of Irish Jailbreaks A fascinating story of historical and political significance that chronicles some of the most significant jailbreaks in Irish penal history Relying heavily on first hand accounts from escapees themselves the work recounts tales of drama triumphs and disappointments which range from the Red Hugh O'Donnell's escape from Dublin Castle in 1592 to the story of two republican prisoners escaping from Brixton prison in 1991 **Jailtacht** Diarmait Mac Giolla Chríost, 2012-05-15 Using research methods and techniques the author closely analyses the emergence of the Irish language amongst republican prisoners and ex prisoners in Northern Ireland from the 1970s up until the present This pioneering study shows how the language was used exclusively in parts of the prison despite the efforts of the prison authorities to suppress the language and the dramatic impact this had on Irish society Drawing on interviews with the prisoners and various other materials Mac Giolla Chríost shows how these developments gave rise to the popular coinage of the term Jailtacht a deformation of Gaeltacht the official Irish speaking district of the Republic of Ireland to describe this unique linguistic phenomenon Smashing H-block F. Stuart Ross, 2011-01-01 The period from 1976 to 1982 is widely regarded as a crucial turning point in the Irish Troubles As time has passed the historic prison hunger strikes of 1980 and 1981 have taken on near mythic resonance somewhat distorting the broader picture of the Irish republican struggle against criminalization Focusing on the popular movement outside the prisons *Smashing H Block* gives us a gripping thorough account of this fateful time and reveals how these years of protest reshaped and revitalized modern Irish republicanism Drawing on extensive archival research and the widest range of sources available F Stuart Ross paints a compelling portrait of the last great wave of activism and mobilization with the nationalist population He argues that the protests outside of the infamous H Blocks of Maze Prison challenged republican orthodoxy while more broadly he examines the importance of popular grassroots movements in effecting political and social change

Unsafe Haven Karen McElrath, 2000-01-21 For almost two hundred years the United States has been a safe haven for Irish political prisoners seeking refuge More recently however the US government has sought deportation extradition and prosecution to exclude Irish republicans from the country In the first book to focus on the relationship between these tools of exclusion and US foreign policy Karen McElrath examines why this change has come about and the extent to which the granting of political asylum in the US is influenced by relations with Britain and other countries Karen McElrath questions US government attempts to portray an impartial role in the Irish conflict arguing that historical and contemporary evidence reveals otherwise She shows that far from being a neutral process the success of bids for political asylum often depends on the relationship between the US and the government of the applicant's country of origin Drawing on exclusive interviews with Irish Republicans who have faced deportation or extradition from the United States or who have been prosecuted in the US for politically motivated offences McElrath explores the links between deportation and extradition outcomes and foreign

policy issues The tools of exclusion are defined in their historical context and the history of US extradition law is described with particular focus on the treaties with Britain McElrath also examines the offences for which Irish and Irish American Republicans have been charged discusses the various levels of support for Irish political prisoners in the US and summarises the findings by international human rights organisations *Republican Internment and the Prison Ship Argenta 1922* Denise Kleinrichert,2001 Kleinrichert BA in economics minors in political science sociology and English Indiana University draws on interviews with former internees and their descendants to tell the story of the detainment of some 300 men of Northern Ireland in May 1922 on the prison ship S S Argenta and at Larne Workhouse Camp Includes bandw historical photos Distributed by ISBS Annotation copyrighted by Book News Inc Portland OR **Alex Maskey** Barry McCaffrey,2003
