first night together All of this was shattered by the mauling that nearly killed him that left him blind and disfigured Facing paralyzing pain and inconceivable loss Dan was in no shape to be in a relationship He and Amber let each other go Five surgeries later partway into his long healing journey they found their way back to each other The couple's unforgettable story is one of courage tenacious will and the power of love to lead the way out of darkness Dan Bigley's triumph over tragedy is a testament to the ability of the human spirit to overcome physical and emotional devastation to choose not just to live but to live fully Visit Dan Bigley's site or Beyond the Bear *Bioethics Beyond the Headlines* Albert R.
