From Jerusalem To Cyprus:

From Jerusalem to Antioch Jerome Crowe,1997 From Jerusalem to Antioch explains what happened when Jewish missionaries carried the Gospel from the Jewish world of Jerusalem into the Hellenistic world of Antioch to found the first Christian community It presents the results of modern research on the church of Jerusalem and the church of Antioch Parallel chapters discuss the historical origins the way in which they presented the Christian message and their distinctive patterns of worship teaching and organization This case study shows how the process of transculturation of the Gospel leads the Church to a deeper understanding of the mystery that lies at its heart *Israel and the Cyprus Question* Gabriel Haritos,2023-05-18 Providing a detailed account of Israel s foreign policy towards the Cyprus question between 1946 and the declaration of Cypriot independence in August 1960 Gabriel Haritos examines the international and regional factors which shaped Israel s approach to diplomatic relations with the independent Republic of Cyprus Based on newly available archival material from the Israeli Ministry of Foreign Affairs declassified at the author s request and on archival material collected from both sides of the Cypriot divide Haritos highlights previously unknown events and the key personalities involved in Israel s political and diplomatic interactions over the Cyprus question In doing so he offers key insights into the Middle Eastern aspect of the unresolved Cyprus conflict Cyprus Within the Biblical World James H. Charlesworth,Jolyon G. R. Pruszinski,2021-03-25 This volume moves discussion of ancient Israelite culture beyond concepts of isolation and borders factoring in already well known insights from classical studies and ancient history that take greater account of the impressive connections between all the countries bordering the Mediterranean Sea Specifically the contributors focus on Cyprus and the Bible and offer archaeological and biblical insights to consider how and in what ways Cyprus and Cypriot culture was related to biblical life and perceptions Though the Mediterranean separated Palestine from Cyprus it also joined them archaeological finds expose significant trade relations and cultural commonalities not only in the Hellenistic and late Roman eras but for many centuries prior These relations developed and became even more intimate in the later biblical period as evidenced by early Jewish and Christian writings By exploring various methods of cultural contact the contributors suggest that further examination of cultural links between Cyprus and Palestine in the biblical period can repay dividends in understanding the development of ancient Israelite religion early Judaism and early Christianity St. Paul and the Church of Jerusalem Wilfred Lawrence Knox,1925 **A History of the Orthodox Church of Cyprus from the Coming of the Apostles Paul and Barnabas to the Commencement of the British Occupation (A. Constantinople during the earlier part of the Frankish Era 1196 1303 It examines the establishment of the Latin Church in Cyprus Morea and Constantinople and the consequences that followed Moreover the text analyses the relations between the Greek Church in Cyprus Morea and Constantinople with the Latin Church At the same time it demonstrates the relationship between the Greek Church of Cyprus Morea and Constantinople and the secular authorities Paul of Tarsus Robert Bird (writer on religion.),1900 **Cyprus** Angel Nicolaou-Konnari,Chris Schabel,2006-01-01 This volume is the only scholarly work in English examining the multicultural society of the Lusignan Kingdom of Cyprus during the first two centuries of Frankish rule following the conquest of the Byzantine island during the Third Crusade In this global synthesis based on original research often in manuscripts six chapters by acknowledged experts treat the main ethnic groups Greeks and Franks and the economy religion literature and art of a frontier society between Byzantium the papacy the Crusader States and the Islamic world Cyprus also home to Armenians Syrians Maronites Melkites Jacobites Nestorians Jews Muslims and others offers an excellent opportunity to study the fascinating issues of identity construction acculturation and assimilation in a ethnically and religiously diverse society **ThirdWay** ,1988-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Acts: Courageous Witness in a Hostile World** Howard Brant,2013-01-24 Most commentaries on Acts are written by Western scholars for a Western audience This book comes out of more than forty years of teaching in the Majority World It is aimed at the new breed of emerging missionaries from Asia Africa and Latin America The apostles in Acts faced a hostile world Yet in that context the Holy Spirit gave them incredible courage The scenes of Peter Stephen and Paul facing angry mobs and the fury of the Jewish Sanhedrin are being played out in India China and Eritrea today Acts teaches us how to have a courageous witness in a hostile world Further this work addresses the powerful forces that assault the worldwide church particularly the racism that splits the church all over the world Acts Courageous Witness in a Hostile World will thrill you as you see how God s Spirit overcomes every obstacle and keeps the church on track even when we think all is lost Read this book for yourself and become courageous **The First One Hundred Years of Christianity** Udo Schnelle,2020-06-30 Beginning as a marginal group in Galilee the movement initiated by Jesus of Nazareth became a world religion within 100 years Why among various religious movements did Christianity succeed This major work by internationally renowned scholar Udo Schnelle traces the historical cultural and theological influences and developments of the early years of the Christian movement It shows how Christianity provided an intellectual framework a literature and socialization among converts that led to its enduring influence Senior New Testament scholar James Thompson offers a clear fluent English translation of the successful German edition *Natural Materials of the Holy Land and the Visual Translation of Place, 500-1500* Renana Bartal,Neta Bodner,Bianca Kuhnel,2017-04-21 *Natural Materials of the Holy Land and the Visual Translation of Place 500 1500* focuses on the unique ways that natural materials carry the spirit of place Since early Christianity wood earth water and stone were taken from loca sancta to signify them

elsewhere Academic discourse has indiscriminately grouped material tokens from holy places and their containers with architectural and topographical emulations two dimensional images and bodily relics However unlike textual or visual representations natural materials do not describe or interpret the Holy Land they are part of it Tangible and timeless they realize the meaning of their place of origin in new locations What makes earth stones or bottled water transported from holy sites sacred How do they become pars pro toto signifying the whole from which they were taken This book will examine natural media used for translating loca sancta the processes of their sanctification and how although inherently abstract they become charged with meaning It will address their metamorphosis natural or induced how they change the environment to which they are transported their capacity to translate a static and distant site elsewhere the effect of their relocation on users viewers and how their containers and staging are used to communicate their substance **Travels of Ali Bey in**
