**From Buddha to Christ** Hermann Beckh, 2019-03-25 Many people who are drawn to Buddhism today are seeking for spiritual knowledge as opposed to simple faith or sectarian belief Hermann Beckh had a profound personal connection to the Buddhist path and the noble truths it contains yet he was also dedicated to a radical renewal of Christianity Assimilating the groundbreaking research of Rudolf Steiner 1861 1925 Beckh's comprehension of Buddhism was neither limited to historical documents nor scholarly research in philology Rather from his inner meditation and spiritual understanding he saw the earlier great world religions as waymarks for humanity's evolving consciousness In the modern world the apprehension of Christianity needed to be grounded firmly in a universally valid inner cognition and experience In this light knowledge becomes life Hermann Beckh Professor of Tibetan Studies and Sanskrit in Berlin subsequently a founding priest of The Christian Community first published this mature study in 1925 Having already produced the comprehensive Buddha's Life and Teaching in 1916 Beckh's sweeping perspectives combined with his extensive academic knowledge provided a unique grounding for authoring this work As he notes From Buddha to Christ follows a path of development both of method and goal Thus studying this book is itself a path of knowledge and potential initiation Beckh's universal insights remain relevant and if anything have gained in value to twenty first century readers This edition features an additional essay Steiner and Buddha Neo Buddhist Spiritual Streams and Anthroposophy 1931 in which Beckh for the first and last time explains his lifelong personal connection to the Buddhist path

Marcus Dods, 1878      Buddha and Christ Thundy, 2018-09-24 The infancy narratives of the gospels of Matthew and Luke appear as a magnificent mosaic of allusions not only to the Hebrew Bible but also to Buddhist and Hindu religious traditions Professor Thundy argues that many details of the infancy gospels as well as the rest of the gospels can be clarified by the Buddhist and Hindu scriptures In this sense the gospels are Eastern religious texts Buddha and Christ covers the following topics in order methodology of study priority of Indian texts vis vis Christian gospels parallels of the birth narratives of Buddha and Jesus uniqueness of Indian parallels the Gnostic context of the Christian gospels and contacts between India and the West in antiquity Multicultural studies such as this encourage ecumenism and mutual understanding in East West dialogues as well as reinforcing the view that the gospels should be taken seriously as Eastern religious texts      **The Buddha's Gospel** Lindsay Falvey, 2002 Described as unique and a great service to understanding this book is intended for three groups Western Buddhists that bulk of the West that have no religious affiliation yet know there is something more to life and Buddhists in Asia who follow the encounter of the dharma with the West It highlights the pervasive similarities in the teachings of Jesus and the Buddha as they were probably originally presented In its six chapters and appendix it compares the two great teachers the Buddha and Jesus briefly charts the process by which experts have produced words readily attributed to Jesus and presents a Buddhist imitation of these words based on the hypothetical Sayings of Jesus It then considers congruence between the Buddha's and Jesus teachings before offering both Buddhist and Christian interpretations An appendix re presents the Buddhist imitation of Jesus words as a continuous text Dr Falvey introduces his work Jesus speaking the Buddha's words exudes audacity and ignorance yet this work essentially wrote itself as a product of my socialization a modicum of Christian theological study and its explication through three decades of casual association with Thai Buddhism Differences between the two traditions such as Christianity relying on a God while Buddhism denies the existence of a God proved themselves facile upon consideration of the metaphorical intent of teachings of both traditions
