From East To West Awakening To A Spiritual Search:

From East to West Brigid Marlin, 1989 **A Psychotherapy of Love** John Firman, Ann Gila, 2012-02-01 This book shows what psychosynthesis looks like in the empirical practice of psychotherapy Originally conceived by Italian psychiatrist Robert Assagioli psychosynthesis is one of the first Western psychologies that addresses both spiritual and psychological healing and growth through self realization In effect it offers an approach to psychotherapy founded in altruistic love and the nurturing that supports the innate drive within human beings to embrace and actualize the whole of who they are Authors John Firman and Ann Gila include experientially based models and theory case studies from both the client and therapist perspectives and an invitation for both the professional and the layperson to the self reflection inner work and commitment necessary to love and work at this depth After an overview of the fundamentals of psychosynthesis theory the authors explore how a therapist s own embrace of these ideas can foster an altruistic empathetic love that supports and improves therapist client rapport and progress **The Seeker's Guide to The Secret Teachings of All Ages** Mitch Horowitz, 2020-09-30 A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric mystical and occult traditions of the world than Manly P Hall s The Secret Teachings of All Ages Now historian Mitch Horowitz provides the first companion work to Hall s opus The Secret Teachings of All Ages helps twenty first century readers enter and experience or re experience Hall s hallowed pages and also clarifies and expands on some of the book s key themes and topics Mitch explores developments and historical discoveries since hall published his Great Book nearly a century ago and adds fresh dimensions to subjects including The antiquity and legacy of Ancient Egypt The mystical origins of the world s major faiths Strange beasts and anomalies in history and today The origins and esotericism of Tarot Secret Societies in Myth and Fact The enduring relevance of astrology Authorized by Manly P Hall s Philosophical Research Society The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history s unparalleled encyclopedia arcana Mitch is a fantastic tour guide to the fringes of reason high weirdness deep esoterica secret societies and mystery religions BoingBoing Has the rare gift of making the esoteric accessible to discerning masses HuffPost **Toward a Psychology of Awakening** John Welwood, 2002-02-12 A guide to understanding the relationship between Western psychology and the contemplative spirituality of the East and how one s spiritual journey can be enriched by both How can we connect the spiritual realizations of Buddhism with the psychological insights of the West In Toward a Psychology of Awakening John Welwood addresses this question with comprehensiveness and depth building on his innovative psychospiritual approach to health healing and spirituality He covers the following topics What can the spiritual methodologies of the East teach us about psychological health What issues arise when the recognition of our larger nature challenges our very conception of individual self What new directions become possible when psychological work is undertaken in a spiritual context How does Western psychological understanding affect our approach to spirituality Welwood s psychology of awakening brings together three

major dimensions of human existence personal interpersonal and suprapersonal in one overall framework of understanding and practice
