From Iraq To Armageddon:

From Iraq to Armageddon Keith Intrater, 2011-07-28 This book answers vital questions about Israel and the Endtimes. Never was a book more needed to unravel the controversies surrounding the conflicts in the Middle East. From Iraq to Armageddon is an in depth analysis of end time prophecy concerning this dangerous region of the world. What is the spirit and mystery of Babylon? How does Jerusalem fit into Middle East prophecy? Does the Bible give a deeper reason for the Iraqi War? Is the great battle of Armageddon near? Can the Jews and Arabs ever be reconciled? Messianic Jewish scholar Keith Intrater answers these and many other intriguing questions about prophecy and the Middle East.

The Global Politics of Jesus Nilay Saiya, 2022 A unique timely and wide ranging book that formulates and applies an ethic of Jesus to the realm of global politics. Since the fourth century Christians have wrestled with how they should interact with political authority. The most common view holds that while their ultimate loyalty rightfully belongs to God, Christians also have allegiance to their countries and a moral responsibility to transform their political systems. In *The Global Politics of Jesus* Nilay Saiya provides a normative critique of this conventional view and advances an alternative approach. While it may seem natural for the church to fervently engage in political life and cultivate a close relationship with the state, Saiya argues that such beliefs result in a paradox of privilege. As he shows, when the church yields to the seduction of political power when enjoying the benefits of an alliance with the state, it struggles to adhere to its tenets, and when it resists the allure of state power, it does its best work. This unique and wide ranging book examines the paradox of privilege in some of the most important areas of global politics and considers its implications for the church itself.

Compassionate Eschatology Ted Grimsrud,Michael Hardin,2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity s teaching about the end times should and can center on Jesus s message of peace and reconciliation Offering a peace oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology this

book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things Besides its creative treatment of biblical materials Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory Girard s project is shown to reinforce the biblical message of eschatological peace
