

I Love To Think Of Jesus

by Caleb Davis Bradlee

**I love to think of that dear one
Who walked in Judah's land,
And called himself God's only Son,
Led by the Father's hand.**

**I love to dream of that clear eye
That gazed at human woe,
And with a grace from God on high,
Did holy joy bestow.**

**I love to speak of words he spoke,
So gentle and so great,
Which the slumbering echoes woke
Of our right royal state.**

**I love to muse on deeds he did,
So mighty and so grand, -
As he healed the sick, raised the dead,
All through the Holy Land.**

**I love to say, he is here now,
Blessing us each and all
Ready to catch the faintest vow,
Always within our call.**

**I love to feel he waits above,
That when our breath shall cease,
He may receive us to his love,
And crown us with his peace!**

Untitled Ismael Fortunado, 2016-01-18 We are given one life and we must live to one standard Some are given a family and some are not Family is a beautiful blessing of God We must take care of it We must have a good upbringing Orphans consider others to be their mother father and siblings Those who have a family must share what is it to have a family This is a dream of each person to have a good family God is the center of each family It is written that Jesus Christ serves as a sword in the family We never forget that He is in our family to uphold each one He tests each member of the family The head of the family is a loving father He is blessed with understanding The light of the family is the mother She sees the need of the family Children serve as the happiness of the family A brother or a sister serves as an equal The baby serves as the laughter of the family A foundation of a person is his family He draws strength from his family *Pickles, Poems, and Prayers* Shawn Cook, 2015-05-28 I remember when you Were my only friend The thought the feeling That all was lost Until I knelt down And touched that cross At one time in his life Shawn Cook became angry with God lost all hope and subsequently embarked on a journey of self destruction that led him down paths he never could have imagined With the intent of illustrating to others that there is always hope no matter how dire the circumstances Cook shares his first compilation of poetry that offers a glimpse into his twenty plus year quest for peace acceptance and love Cooks verse touches on many issues that highlight his internal struggles as he attempted to find happiness and fill the void within him Through honest sometimes heartbreaking reflections Cook divulges how when he was lost broken and at his wits end he finally found his completeness in Jesus Christ *Pickles Poems and Prayers* shares one mans poetic journey of self discovery as he climbs out of the darkness of despair to embrace hope faith love and a new beginning *The Columbia Granger's Index to African-American Poetry* Nicholas Frankovich, David Larzelere, 1999 Responding to the enormous interest in African American literature Columbia University Press is publishing a Granger s R index devoted exclusively to poetry by African Americans To compile the Index to African American Poetry a team of consultants indentified the best most widely available anthologies and volumes of collected and selected works The result this new index includes more than 11 000 poems by 659 poets A World Of Poetry Sciantel Crista, 2017-05-22 Here is a collection of my poems and artwork I started writing poetry when I was 16 It started shortly after my brother s death The poems just came pouring out In the last days the Spirit of God would be poured out upon man Well I was one of them It came suddenly I have been published in The national Library Of Poetry but God sent me elsewhere from there So sit back with some Kleenex Massive Pissed Love Richard Hell, 2015-10-01 A seminal collection of ruminations on art books and music by one of the sharpest minds and sensibilities in both punk rock and literature Richard Hell may best be known as a punk icon a founding member of seminal bands Television the Heartbreakers and The Voidoids but for decades he s been a prominent voice in American letters Through his novels Go Now and Godlike and his critically acclaimed autobiography I Dreamed I Was a Very Clean Tramp Hell has proven himself as a talented and insightful writer across many

genres in many forms But one might argue that Richard s true genius lies in shorter form as a writer on culture Love comes in spurts Hell once sang and that could well describe the intensity of his penetrating and wickedly droll criticism Massive Pissed Love is a collection of Hell s ruminations on art literature and music among other things that s like a candy box of reading treats a bag of shiny marbles a cabinet of mementos and uncanny fetishes However one thinks of it it s a joy to read from start to finish and a deeply necessary addition to the oeuvre of one of the sharpest minds and sensibilities at work today
