Expository Sermons On Revelation 5 Volume 1:

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

affiliations **Revelation Exegetical Commentary - 2 volume set** Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest **The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume One**

Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don t want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God CALVINISM VS.
