# HELL ON EARTH

**Britons flee raging  
wildfires in Rhodes**

By **Giles Sheldrick**  
Chief Reporter

**THOUSANDS** of British holidaymakers tried to flee Rhodes last night as wildfires swept the Greek island.

Terrified families abandoned their possessions and dashed to safety as a state of emergency was declared.

Rocky Mulligan, who ran down a dirt track with her daughter aged five amid smoke, admitted: "I thought I was going to die. It was like hell on earth."

As the sky turned orange, 19,000 people were evacuated – and the crisis spread to Corfu where locals in 28

## **Express Womans Guide To Finance Daily Express:**

*Willing's Press Guide* ,1931 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A     *May's British and Irish Press Guide* ,1900     *Willing's Press Guide and Advertisers' Directory and Handbook* ,2003     **Willing's Press Guide and Advertisers' Directory and Handbook** ,1899

The British National Bibliography Arthur James Wells,2007     **Willings Press Guide 2007 V1** Clare Redman,2007-02  
This press guide aims to provide a comprehensive accurate and informative guide to the UK press both print and broadcast

**Willings Press Guide 2006 V1 United Kingdom** Waymaker Publishing,2006-02 Now distributed by Thomson Gale the Willings Press Guide has been the world s leading international media directory for 125 years It provides extensive professionally researched coverage of the UK and international print media national and regional newspapers magazines periodicals and special interest titles     **Sexism in the City** James Taylor,2025-02-20 Sexism in the City is the first book to trace the history of women stockbrokers in the United Kingdom from the late nineteenth to the late twentieth centuries Forgotten pioneers these businesswomen fought against the odds to establish successful brokerages across the country and in the process challenged society s beliefs about women and money The book also tells the story of how the nation s stock exchanges denied them membership for generations mobilizing increasingly desperate arguments to try to justify their exclusion until women finally won the right to join the London Stock Exchange in 1973 Though historians have recently reassessed women s role in the development of capitalism highlighting their roles as investors and entrepreneurs they have assumed that because women were not members of stock exchanges they were not active as financial intermediaries until modern times By spotlighting the lives and careers of women who worked as stockbrokers outside male monopolized institutions this book reframes the historical development of finance in several ways It highlights the extent to which the seemingly gender neutral institutions and practices of finance were in fact based on gendered ideologies and exclusions It argues that focusing on institutions only reveals part of the financial ecosystem meaning that we miss what was happening outside the formal market And it challenges London centric interpretations of financial history asking questions about the financial cultures existing outside the metropolis If we look beyond the official exchanges and beyond London a more diverse financial environment comes into view The history uncovered in Sexism in the City also helps to address problems with financial culture in the twenty first century Current reform initiatives are unlikely to succeed unless they acknowledge that for hundreds of years professional identities and institutional structures in finance have been based on the denigration and marginalization of women Acknowledging the efforts of those female stockbrokers who challenged misogynistic beliefs and defied men s monopoly of high finance by forging their own careers is the first step towards imagining a different kind of market     The Saturday Review of Politics, Literature, Science, Art, and Finance ,1922     **The Newspaper Press Directory and Advertisers' Guide** ,1898     **Industrial Digest and Commodities & Finance** ,1922     **Women's Legal**

**Landmarks** Erika Rackley, Rosemary Auchmuty, 2018-12-27 Women's Legal Landmarks commemorates the centenary of women's admission in 1919 to the legal profession in the UK and Ireland by identifying key legal landmarks in women's legal history. Over 80 authors write about landmarks that represent a significant achievement or turning point in women's engagement with law and law reform. The landmarks cover a wide range of topics including matrimonial property, the right to vote, prostitution, surrogacy and assisted reproduction, rape, domestic violence, FGM, equal pay, abortion, image-based sexual abuse and the ordination of women bishops, as well as the life stories of women who were the first to undertake key legal roles and positions. Together, the landmarks offer a scholarly intervention in the recovery of women's lost history and in the development of methodology of feminist legal history, as well as a demonstration of women's agency and activism in the achievement of law reform and justice.
