Extra Virgin A Young Woman Discovers The Italian Riviera Where Every Month Is Enchanted:

Extra Virgin Annie Hawes, 2002-04-02 In 1983 a pale Annie Hawes and her equally pale sister leave England for the sun drenched olive groves of a small Italian town in Liguria With fantasies of handsome tanned men and swimming in the sea urging them on they are hired to work for ten weeks to graft roses of which they have little knowledge along the Italian Riviera board and lodging included But none of the men seem to be under forty and Ligurians have particular ideas about life including swimming To go swimming in seawater outside the month of July or August is even worse for your health than drinking cappuccino after twelve noon But Annie and her sister are captivated by San Pietro s quirkiness and beauty and suddenly their brief stay stretches into years as they are bemused charmed and ultimately accepted by the eccentric inhabitants of their adopted home Resonating with captivating verve and humor *Extra Virgin* dishes up a sumptuous sampling of Italian life from an irresistible new voice *Genoa Travel Adventures* Amy Finley, 2009-08 A detailed guide to every aspect of Genoa history culture foods restaurants hotels sightseeing things to do written by an author who knows the place intimately Two marble carved lions crouch flanking the stairs leading to the entrance of Genoa s monumental cathedral of San Lorenzo Their proud features are marred by graffiti cartoonish scribbles rendering their expression more pathetic than fierce They re an apt metaphor for the city of Genoa itself which can be a challenging one for tourists During two millennia of tumultuous history Genoa has seen its fortunes rise and fall At its pinnacle the city center of the Genoese Republic had unparalleled wealth and economic and political power French historiographer Fernand Braudel wrote of the city If ever a diabolically capitalist city can be said to have existed before the capitalist age in Europe and the world then it is Genoa opulent and sordid at the same time From these heights Genoa would plunge over successive centuries losing hegemony then autonomy and finally prosperity Today it is a city in the grip of evolution There is much that is decrepit and shabby but there are also the heralds of a renaissance both economic and cultural The lion that is Genoa may be blemished and humbled but there is every evidence that with attention and caretaking it is regaining if not its former brilliant grandeur at least its dignity and relevance on the world stage Perhaps that s why Genoa is particularly poignant and important for travelers who hope to leave Liguria with a greater understanding of the region both what it was and what it is becoming It is impossible to leave Genoa unimpressed and without an opinion Genoa is and has been for millennia a port town and the nature of a port is to facilitate trade via access to both sea and land routes The geography of Liguria is characterized by mountains that plunge steeply into the sea and that are criss crossed by deep valleys Genoa which sits at the near middle of Liguria s great land crescent is not only at the epicenter of what from above appears as one giant harbor It is also at the crossroads of land routes that made use of these deep valleys to cut across the Apennines to northern Italy and the rest of Europe This guide is drawn from our *Adventure Guide to the Italian Riviera* but with added pictures of the hotels restaurants and other features **Going Places** Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and

identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader's Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing

The Making and Unmaking of Mediterranean Landscape in Italian Literature Tullio Pagano, 2015-04-29 The book focuses on literary representations of the northern Italian region of Liguria whose landscape has been portrayed by internationally known Italian poets and novelists from Eugenio Montale to Italo Calvino The author argues that the most perceptive authors situate themselves on a metaphorical ridge dividing the dark side of Mediterranean landscape with its harsh and mountainous territory from the sun drenched Riviera celebrated by the tourist industry and for the most part destroyed during the so called economic boom The complex and often antithetical concepts of landscape examined in the introduction inform the author's readings of those modern and contemporary writers who have tried to make sense of the ambivalences present in Ligurian landscape from the period of Italian Risorgimento to the present
