Extrasensory Deception:

Extrasensory Deception Henry Gordon, 1988 The Case for the Afterlife Chris Carter, 2025-08-05 The evidence for an afterlife is vast varied and ancient Now meticulously compiled into one place this evidence can be critically evaluated to resolve the age old controversy of survival beyond death Equipping you with a tool kit drawn from science philosophy and legal reasoning Oxford educated philosopher Chris Carter facilitates a thorough examination of the evidence and its corresponding counterarguments Explore compelling case studies of near death experiences deathbed visions apparitions children who remember a previous life and communications from the deceased With findings that cannot be explained away by fraud mistaken eyewitness testimony incompetence or extrasensory perception ESP this book proves beyond all reasonable doubt that our consciousness endures past bodily death The most factually based and rationally argued treatise I have ever read Reading this book will be a mind blowing clarification Ervin Laszlo author of Science and the Akashic Field

Extraterrestrial Contacts: the Roswell foil, UFOs, and how they alter our understanding of the modern world Jerry Kroth, 2017-07-22 *A Short History of (Nearly) Everything Paranormal* Terje G. Simonsen, 2020-06-09 A superb survey of the paranormal and a travelogue through the twilight zone of human consciousness hailed by experts as the best introduction to psychic phenomena Herbie Brennan New York Times bestselling author This is the most entertaining and broad survey of the paranormal ever made combining forgotten lore evidence from parapsychological experiments and the testimonies of scientists archaeologists anthropologists psychologists physicists and philosophers Exploring the possibility that paranormal phenomena may be objectively real this travelogue through the twilight zone of human consciousness is both scientifically rigorous and extremely entertaining Readers may be surprised to learn that reputable scientists among them several Nobel laureates have claimed that Telepathy is a reality Cleopatra's lost palace and Richard III's burial place were recovered with clairvoyance The US military set up an espionage program using psychics Could it be that what we usually call supernatural is a natural but little understood communication via this mental internet The winner of the most prestigious award in the field the Parapsychological Association Book Award *A Short History of Nearly Everything Paranormal* is an engaging entertaining and informative analysis of a controversial subject

EXTRASENSORY DECEPTION, ESP, PSYCHICS, SHIRLEY MACLAINE,

GHOSTS, UFO. Henry Gordon,1988 *Your Psychic Potential* Richard Ireland,2011-01-11 Known as the Psychic to the Stars Richard Ireland counseled celebrities including Mae West Amanda Blake and Glenn Ford Twelve years after Ireland's death in 1992 his son Mark was sent this manuscript written in 1973 Recently as Mark Ireland recounts in the foreword two psychic mediums with no prior knowledge of the project have received messages suggesting that his father deliberately delayed the book's release until now when it would reach an audience more receptive to developing their psychic talents *Your Psychic Potential* includes a description of the four spheres levels of psychic activity an exploration of the relationship between artistic talents and the psychic tests and experiments to help unleash psychic ability a psychic's diet and meditative exercises that support the freer flow of abilities and tools to counter inhibitory fears Anyone interested in discovering their extrasensory talents and achieving conscious control over them is sure to find this an indispensable guide The Paranormal Eric Carlton,2017-11-22 This title was first published in 2000 A manifestation of mass hysteria a compensation for physical or emotional deprivation or an alternative to religion What is the function of the paranormal in society This question and its many possible answers are the subject of this scholarly study of our enduring fascination with experiences for which science provides no ready explanations From the ancient cultures of Mesopotamia and Egypt to the present day Eric Carlton surveys the development of ideas and research associated with the paranormal culminating as it does today in the recognized academic status accorded to parapsychology With a critical yet open mind Carlton explores issues associated with the study of the paranormal such as witchcraft beliefs near death experiences and the UFO phenomenon Case studies are employed to illustrate and illuminate certain examples and theories This thought provoking book concludes that the paranormal and our study of it provides a multi faceted vehicle for humanity's quest to find meaning in life **Rather Cool for Mayhem** Lawrence G. Blochman,2023-07-11 On his return home from Europe a World War II veteran gets an invitation to a murder in this Golden Age mystery from the Edgar Award winning author Once a crack reporter photographer team a quarrel and the Second World War have kept journalists Jim Lawrence and Grace Boyd apart Making up for lost time the old friends head up to Grace's Ramapo Mountain cabin after Jim returns to New York City But their solitary weekend at Blindman's Lake is immediately crashed by carloads of friends who have been invited for cocktails by telegrams that Grace didn't send Among the unexpected guests is a dead body The murder victim is none other than Dr Norman one of two men Grace considered marrying In her circle of friends there is no shortage of suspects for the departed doctor was known for a cruel streak a mile wide As the party attendees are sequestered and questioned by the police at a nearby inn Jim dusts off his journalism skills to catch a killer The trails at Blindman's Lake may lead straight to a murderer but Jim must find out where they started in order to save himself and Grace from a life behind bars **Pseudoscience and the Paranormal** Terence Hines,2010-09-30 Television the movies and computer games fill the minds of their viewers with a daily staple of fantasy from tales of UFO landings haunted houses and communication with the dead to claims of miraculous cures by gifted healers or

breakthrough treatments by means of fringe medicine The paranormal is so ubiquitous in one form of entertainment or another that many people easily lose sight of the distinction between the real and the imaginary or they never learn to make the distinction in the first place In this thorough review of pseudoscience and the paranormal in contemporary life psychologist Terence Hines teaches readers how to carefully evaluate all such claims in terms of scientific evidence Hines devotes separate chapters to psychics life after death parapsychology astrology UFOs ancient astronauts cosmic collisions and the Bermuda Triangle faith healing and more New to this second edition are extended sections on psychoanalysis and pseudopsychologies especially recovered memory therapy satanic ritual abuse facilitated communication and other questionable psychotherapies There are also new chapters on alternative medicine which is now marketed in our drug stores and on environmental pseudoscience with special emphasis on the evidence that certain technologies like cell phones or environmental agents like asbestos cause cancer Finally Hines discusses the psychological causes for belief in the paranormal despite overwhelming evidence to the contrary This valuable highly interesting and completely accessible analysis critiques the whole range of current paranormal claims *Treatise on Basic Philosophy* Mario BUNGE,1979-04-30

Extra Sensory Perception](#) Joseph Banks Rhine,2012-07-10 This is the original account of the basic experiments in parapsychology at Duke University out of which came the phrase extra sensory perception that now appears in all dictionaries We originally published it in association with the Boston Society for Psychic

Research but it has been out of print for some years The Foreword by William McDougall author of Introduction to Social Psychology and the Introduction by Walter Franklin Prince who was Research Officer for the Boston Society for Psychic Research as well as all the illustrations have been retained but Dr Rhine has brought the book up to date and written a new Introduction especially for this edition The book remains as Waldemar Kaempffert said originally in the New York Times A report that gives an account of the most important study ever made in what is known as telepathy mindreading and clairvoyance

Extra-Sensory Perception After Sixty Years Joseph Banks Rhine, J. Gaither Pratt, 2018-12-01 Extrasensory Perception After Sixty Years A Critical Appraisal of the Research in Extra Sensory Perception which was first published in 1940 represented the follow up to parapsychologist Joseph Banks Rhine's 1934 book Extrasensory Perception In Extrasensory Perception After Sixty Years A Critical Appraisal of the Research in Extra Sensory Perception Rhine and his colleagues endeavor to present a complete review of the recent research in ESP and to include in their survey everything that is of importance to know in deciding whether ESP occurs and what it is like if it does occur Using three experiments that they believed demonstrated ESP namely the Pearce Pratt experiment the Pratt Woodruff experiment and the Ownbey Zirkle series the book's first two parts deal with the question of whether ESP does occur The formulation of the problem is presented the mathematical and experimental methods used in attempting its solution a survey of results obtained and a consideration of the adequacy of some 35 hypotheses proposed as explanations alternative to ESP Part II presents a survey of published criticisms and critical comments invited for this volume whilst Part III considers the nature of ESP the incidence of ESP ability conditions that affect ESP performance physical relations of ESP ESP as a psychological process The final part sketches the outstanding problems that still remain unsolved the methods under contemplation by which they may possibly be solved and the further needs and prospects which confront investigators The present volume includes 21 appendices a detailed glossary as well as a list of 361 references

Psychics, Sensitives and Somnambules Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory

making the work ideally suited as a permanent reference Rosinante's Sallies Sally Netzel,2008-12-05 Rosinante Don Quixotes brave but weary steed trades stories for oats and an occasional beer Her fables are told to Sally Netzel who translates roughly from the Horse Spanish They range from light humor to serious satire all told with gusto if far too much alliteration Illustrations are provided by Liz Netzel a relative with a compatible sense of the absurd The familiar tortoise and hare race ends with an ambivalent moral if any The other totally unfamiliar tales portray creatures such as vultures dismayed at their reputation hyenas protective of their volcanic neighborhood a love lorn woodpecker who projects loudly pecked personals bats who witness a miracle and a battle scared badger who delights in war stories of his athletic triumphs

Astrology and Psychic Phenomena Andre Kole,Terry Holley,2016-09-06 Astrology Tarot cards Ouija boards spiritism psychic healing palm reading and old fashioned fortune telling now called psychic consulting all these are popular in America today Psychic hotlines are heavily represented on television with testimonials to their amazing ability to give people accurate details about their past and predictions about their future Are psychics indeed gifted with supernatural powers Andre Kole and Terry Holley show convincingly how the success of these and other paranormal phenomena depends on deceit and slight of hand rather than on genuine supernatural powers This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood **Channeling Into the New Age** Henry Gordon,2011-04-29 What exactly is the New Age movement Why has it become the dominant force of the Zeitgeist invading nearly every aspect of American life After years of researching this burgeoning movement columnist

author and magician Henry Gordon is one of the world's foremost experts on every aspect of the New Age its derivations and content the people most involved in it the forces that motivate and prolong it and the enormous amount of money changing hands as the me generation takes on astrology crystals runes channeling mysticism yoga acupuncture herbal medicine telepathy precognition clairvoyance biofeedback biorhythms reincarnation and every sort of psychological technique for heightened awareness At the forefront of the brouhaha is high profile actress lecturer and free spirit Shirley MacLaine This book is strictly unauthorized a freewheeling and spirited roast of the New Age including a history of trends leading to the movement rooted in 19th century occultism and observations on the vast amount of coverage given to the movement and to New Age celebrities by the print and broadcast media Although Gordon delights in skewering the absurdities of the New Age there's a serious emphasis to his research and his message While the gurus are busy channeling into new realities they are becoming phenomenally rich without contributing in any significant way to the alleviation of human unhappiness and very often without making any sense at all Sharp wit and common sense Wise and often hilarious Rocky Mountain News
