Special Committee on Aging,1970 **Calvin on the Christian Life** Michael Horton,2014-03-31 John Calvin a man adored by some and maligned by others stands as a legendary figure in Christian history In Calvin on the Christian Life professor Michael Horton offers us fresh insights into the Reformer s personal piety and practical theology by allowing Calvin to speak in his own words Drawing not only from his Institutes and biblical commentaries but also from lesser known tracts treatises and letters this book will deepen your understanding of Calvin s theology and ministry by exploring the heart of his spiritual life confident trust and unwavering joy in the sovereign grace of God Part of the Theologians on the Christian Life series *Homilies on the Psalms* Origen,2020-12-18 In 2012 Dr Marina Marin Pradel an archivist at the Bayerische Staatsbibliothek in Munich discovered that a thick 12th century Byzantine manuscript Codex Monacensis Graecus 314 contained twenty nine of Origen s Homilies on the Psalms hitherto considered lost Lorenzo Perrone of the University of Bologna an internationally respected scholar of Origen vouched for the identification and immediately began work on the scholarly edition that appeared in 2015 as the thirteenth volume of Origen s works in the distinguished Griechische Christlichen Schriftsteller series In an introductory essay Perrone provided proof that the homilies are genuine and demonstrated that they are astonishingly his last known work Live transcripts these collection homilies constitute our largest collection of actual Christian preaching from the pre Constantinian period In these homilies the final expression of his mature thought Origen displays more fully than elsewhere his understanding of the church and of deification as the goal of Christian life They also give precious insights into his understanding of the incarnation and of human nature They are the earliest example of early Christian interpretation of the Psalms works at the heart of Christian spirituality Historians of biblical interpretation will find in them the largest body of Old Testament interpretation surviving in his own words not filtered through ancient translations into Latin that often failed to convey his intense philological acumen Among other things they give us new insights into the life of a third century Greco Roman metropolis into Christian Jewish relations and into Christian worship This translation using the GCS as its basis seeks to convey as faithfully as possible Origen s own categories of thought An introduction and notes relate the homilies to the theology and principles of interpretation in Origen s larger work and to that work s intellectual context and legacy *Library of Congress Catalogs* Library of Congress,1979 **Worship as Praise and Empowerment** David R. Newman,2009-12-01 Worship as praise of an all powerful deity has traditionally been

associated with the passive side of life If worship as praise is indeed passive it could be that such worship has the effect on people of taking power away Worship as praise would be at best irrelevant and at worst a hindrance in an age that is as perhaps never before preoccupied with the active exercise of power The central issue of this book is the question Can worship be both praise and empowerment By examining Christian worship in these terms the author seeks to make a strong affirmation of the importance of worship for the movements of liberation that are seeking to exercise power responsibly in our time In this respect Worship as Praise and Empowerment can be described as a major work of liberation theology in the North American setting Why worship What are some of the contemporary obstacles to worship What really transpires in the act of worship These are just some of the important questions addressed in this insightful book of liturgical theology The Spruce Valley Miracle Andrew Dequasie,1999-10-18 Our civilization is indeed fortunate that Dr Visionaire has been the first to solve the problem of turning back the clock on the aging process Fortunate because the brilliant Dr Visionaire is a highly ethical man He knows that his discovery can have disastrous consequences a sudden population explosion as death becomes rare economic chaos as pension plans go bankrupt entrenchment of immortal dictators frozen opportunities for young people facing an immovable establishment The doctor decides to expose the world to proof of his discovery in a small way without revealing the secret He knows that someone else will eventually discover the secret and perhaps have no compunction about releasing it but hopes to give the world time to prepare for the consequences before it becomes an unleashed reality He takes a job as resident physician in the Spruce Valley rest home for elderly people As the residents begin to regain their youth he pretends to be mystified and encourages the rumor that the spring supplying water to the facility might be a second Lourdes Then he leads the owner of the rest home and the owner s wife into a plot to confirm the Lourdes hoax As the good doctor puts it it s necessary to give God the credit and the blame The doctor has chosen his fellow conspirators well They have a grand time establishing the hoax which sometimes succeeds all too well As the fame of the Spruce Valley Miracle spreads and the facility is doubled the first of Doctor Visionaire s predictions comes true the Government wants a piece of the action in order to give certain VIPs preferred status Government money doubles the facility again bringing a host of new characters and overwhelming paperwork The local Government agent Jane Ormond becomes the doctor s soul mate Then the second of Doctor Visionaire s predictions comes true the bad guy appears A renegade CIA man worms his way into Spruce Valley to search out the real source **Through the Eye to the Heart** W. F. Crafts,2025-08-18 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Complete Idiot's Guide to Crafts With Kids* Georgene Lockwood,1988-06-01 Hundreds of budget friendly projects include edible homemade goodies holiday decorations toys musical instruments and gifts made from wood metal glass leather clay and found objects **The Works of Saint Augustine: v. 1. Sermons on the Old Testament, 20-50** Saint Augustine (of

Hippo), 1990
