benign as they might seem today these paintings changed the course of history The struggle between Meissonier and Manet to see their paintings achieve pride of place at the Salon was not just about artistic competitiveness it was about how to see the world Full of fantastic tidbits of information and a colourful cast of characters that includes Baudelaire Courbet and Zola with walk on parts for Monet Renoir Degas and Cezanne The Judgment of Paris casts new light on the birth of Impressionism and takes us to the heart of a time in which the modern French identity was being forged Good Stuff Rebecca Rupp,1993
