DK Eyewitness Books: Train John Coiley, 2009-04-20 The most trusted nonfiction series on the market Eyewitness Books provide an in depth comprehensive look at their subjects with a unique integration of words and pictures Eyewitness Train is DK's classic look at railroads and the trains that move along them *Train* John Coiley, 1992 Traces the development of railways from the first Babylonian rutways to the electromagnetic driverless trains of today and describes how trains are built and operated **Train** DK, 2022-09-06 Enjoy this journey through the fascinating history of trains in this picture packed celebration of the story of trains and how they have transformed our world Discover how George Stephenson's dream of a steam powered railway changed the world Look inside a locomotive to understand how the piston turns the wheels Learn how the railroads helped to shape the history of America Read how the electric and diesel power provided more speed and efficiency and take a glimpse into the future to see how trains keep transforming how we travel DK Eyewitness Train also looks beyond the trains and tracks to learn about the people who built the railroads and keep them running Cross continents too as you find out about some of the great train journeys of the world Become an eyewitness to the wonders of one of history's greatest inventions from royal trains to record breakers overcoming obstacles to traveling underground this picture led guide will take you on a visual tour of trains like never before Throughout the pages of this newly revised incredible history book you can expect to find Up to 20 per cent new images including photography and updated diagrams All information updated by expert consultants Packed with amazing facts infographics statistics and timelines Includes brand new eyewitness accounts from experts in the field This museum in a book uses striking full color photographs and illustrations as well as amazing facts infographics statistics and timelines to help bring the extraordinary high powered world of trains to life before your very eyes The unique visual approach immerses curious children in every page making this a must have volume for curious children aged 9 with a thirst for knowledge and learning alongside teachers parents and librarians So what's new Part of DK's best selling Eyewitness series this popular title has been reinvigorated for the next generation of information seekers and stay at home explorers with a fresh new look up to 20 percent new images including photography and updated diagrams updated information and a new eyewitness feature with fascinating first hand accounts from experts in the field Explore the series Globally the Eyewitness series has sold more than 50 million copies over 30 years Join the journey to combat climate change with Eyewitness Climate Change or take a trip aboard the most famous ship in history with Eyewitness Titanic *Eyewitness Testimony* Elizabeth F. Loftus, 1996 Every year hundreds of defendants are convicted on little more than the say so of a fellow citizen Although psychologists have suspected for decades that an eyewitness can be highly unreliable new evidence leaves no doubt that juries vastly overestimate the credibility of eyewitness accounts It is a problem that the courts have yet to solve or face squarely In Eyewitness Testimony Elizabeth Loftus makes the psychological case against the eyewitness Beginning with the basics of eyewitness fallibility such as poor viewing conditions brief exposure

and stress Loftus moves to more subtle factors such as expectations biases and personal stereotypes all of which can intervene to create erroneous reports Loftus also shows that eyewitness memory is chronically inaccurate in surprising ways An ingenious series of experiments reveals that memory can be radically altered by the way an eyewitness is questioned after the fact New memories can be implanted and old ones unconsciously altered under interrogation These results have important implications for court reform police interrogation methods defense strategy and many other aspects of criminal and civil procedure *Eyewitness Testimony* is a powerful book that should be required reading for trial lawyers social psychologists and anyone who considers the chilling prospect of confronting an eyewitness accusation in a court of law

Train John Coiley, Dorling Kindersley, Inc, 2022 Discover how George Stephenson's dream of a steam powered railway changed the world Look inside a locomotive to understand how the piston turns the wheels Learn how the railroads helped to shape the history of America Read how the electric and diesel power provided more speed and efficiency and take a glimpse into the future to see how trains keep transforming how we travel **Eyewitness Textures** Michael Lithgow, Michèle Martin, 2024-01-15 News coverage today is an emerging collaboration between the general public and professional journalists News consumers have come to expect and demand the unprecedented immediacy of experience and coverage of breaking news offered by photographs video clips audio recordings tweets commentary content created by ordinary citizens The use of user generated content is a salient aspect of how journalists and news organizations are responding to technological changes in the twenty first century *Eyewitness Textures* examines the far reaching changes in journalism spurred by the growing importance of user generated content Bringing together the voices and experiences of professional journalists and academic researchers from across five continents this collection explores news production practices changing skills among editors and journalists and corporate and newsroom restructuring Chapters by practitioners collectively reflect the newsroom experiences of major global media organizations while the academic contributions address issues of industrial transformation political influence truth and verification aesthetics and ideological implications Both perspectives combine to deepen our understanding of what constitutes the conditions and creation of good journalism as well as the implications of how the profession should be taught to future journalists Tracing recent shifts in journalism practice around the world *Eyewitness Textures* examines the creative adaptation and strategies of journalists and news organizations in the face of transformative technological change *Eyewitnesses to the Indian wars : 1865 - 1890. 3. Conquering the Southern Plains* Peter Cozzens, 2001 Civil War Eyewitnesses Garold Cole, 2000 A bibliographical guide to recently published Civil War diaries journals letters and memoirs *Live Television* Stephanie Marriott, 2007-11-18 The study of television still the most powerful of modern media has long been fascinated by its capacity for liveness Marriott offers an insightful analysis of the complexities of this phenomenon particularly its increasingly vital connection with the use of new media A timely contribution to our understanding of media events 24 hour news and the phenomenology of mediated experience Andrew

Tolson De Montfort University In the steps of Marshall McLuhan and Alfred Schutz Stephanie Marriott offers us a timely and sustained reflection upon the nature of mediation and the changing qualities of the live experience made possible by television Elegant lucid witty and thought provoking her account will become a canonical text in television studies Martin Montgomery University of Strathclyde In a fragmenting multichannel and multiplatform global broadcasting environment live television continues to attract huge audiences bucking the trend towards narrowcasting and niche markets yet little of a comprehensive nature has been written about the live television event In this fascinating book Stephanie Marriott engages in a close and detailed analysis of the nature of live television She examines the transformations in our experience of time and space which are brought about by the capacity of broadcasting to bring us the world in the moment in which it is unfolding situating the live television event in the context of an expanding and increasingly complex global communicative framework Building her argument by means of a series of case studies of events as diverse as the assassination of President Kennedy in 1963 the attack on the World Trade Centre in 2001 the 2005 London bombings election night coverage and live sports coverage Marriott provides a meticulous and articulate account of the way in which live television mediates the event for its audience This book will be essential reading for students and academics working in media cultural studies cultural sociology and linguistics and is an exciting new contribution to the field of broadcast talk and media discourse *American Negligence Reports, Current Series*, 1901 **American Negligence Reports, Current Series** John Milton Gardner, Walter James Eagle, 1901 All the current negligence cases decided in the federal courts of the United States the courts of last resort of all the states and territories and selections from the intermediate courts together with notes of English cases and annotations varies Report United States. Interstate Commerce Commission, 1960-06-10 **Gods at Play: An Eyewitness Account of Great Moments in American Sports** Tom Callahan, 2020-09-22 A beautifully observed narrative of American sport character grit tragedy unremarked heroism and always the illuminating story behind the story As a columnist for Time magazine among many other publications Tom Callahan witnessed an extraordinary number of defining moments in American sport across four decades He takes us from Roberto Clemente clinching his 3 000th and final regular season hit in Pittsburgh to ringside for the Muhammad Ali George Foreman fight in Zaire and to Arthur Ashe announcing at a news conference that he d tested positive for HIV There are also little known private moments Joe Morgan whispering thank you to a virtually blind Jackie Robinson on the field at the 1972 World Series or Kareem Abdul Jabbar saying he was more interested in being a good man than in being the greatest basketball player Brimming with colorful vignettes and enlivened by Callahan s eye for detail Gods at Play offers surprising portraits of the most celebrated names in sports Roger Rosenblatt calls Callahan the most complete sportswriter in America He knows the most and writes the best **The Mindful Interview Method** Gil Zamora, 2023-07-19 The Mindful Interview Method Retrieving Cognitive Evidence provides investigators with a proven methodology to gather authentic reliable information from eyewitnesses to help identify potential suspects The book

offers police and non law enforcement readers step by step techniques to improve gathering reliable evidence through a mindful interview process The author also provides an assessment component that can measure the reliability of previous interviews performed and further help to improve the interview process the skills of the investigator and thus the reliability of cognitive evidence gathered from future interviews It is notable that there is minimal to no instruction or training currently offered to those individuals most often tasked with interviewing an eyewitness about a crime as part of criminal investigations Despite the lack of training and certification we allow interviewers to conduct questioning in the face of well established research as to the malleability of human memory The assumption is that officials trained in the rules of evidence will innately ask the right questions and in the proper manner without the proper understanding of the fragility of human memory or the proper training That assumption is false and the reality is quite the opposite In fact we learn of cases commonplace in the media that frequently involve questionable interview tactics misidentifications and wrongful convictions of innocent people The Mindful Interview Method uses cognitive research to inform the methods and principles for a mindful approach to gathering only the information the subject remembers This is the best way to use evidence based lines of questioning to perform interviews that elicit the most reliable accounts and information for investigative purposes Considering current reforms on best practices throughout the criminal justice system the book provides a path forward for professional interviewers to adopt interview methodologies that guide the practitioner to question anyone in a mindful manner
