Face Down In The Marrowbone Pie:

Face Down Before Rebel Hooves Kathy Lynn Emerson, 2003-04-01 Susanna Lady Appleton masquerades as her old friend Walter's deceased wife in order to infiltrate a gang of conspirators bent on overthrowing Queen Elizabeth I **Face Down Across the Western Sea** Kathy Lynn Emerson, 2002-04-09 Anxious to prove England's claim on the New World Queen Elizabeth has charged Sir Walter Pendennis seasoned spy and diplomat with the top secret mission Walter gathers a team of scholars at his Cornwall estate and calls upon his dear friend Susanna Lady Appleton to assist Susanna is an expert herbalist with a quick mind and wise ways and Walter has long carried a flame for her When Walter's wife appears uninvited at Priory House she sets about extinguishing that flame Meanwhile Susanna and Walter find that troubling discrepancies have surfaced among sailors' accounts of the land beyond the Western Sea Their research becomes intrigue when an eyewitness account turns up missing and a scholar is found dead in his study Is the murder the work of an academic rival A jealous lover A Spanish spy Scholarly trickery and New World scandal come to light as Susanna's sleuthing skills are put to the test **Face Down Across the Western Sea** is a potent concoction brimming with the qualities that have made the Susanna Lady Appleton series a favorite among mystery lovers rich period detail first rate suspense and at the center of it all Susanna a headstrong and beguiling heroine **Face Down Under the Wych Elm** Kathy Lynn Emerson, 2002 Elizabethan herbalist Susanna Lady Appleton must root out a killer when two women are accused of witchcraft while the real killer an expert in poisons remains free to strike again Reprint Face Down Among the Winchester Geese Kathy Lynn Emerson, 1999-06-12 She heard him come up behind her expected him to turn her in his arms and embrace her with a lover's enthusiasm Instead his forearm abruptly cut off her supply of air as it pressed into her throat A harsh whisper close to her ear was the last thing she heard before one abrupt movement snapped her neck Whore her murderer said No better than a Winchester goose It is the spring of 1563 and Susanna Lady Appleton wants only to tend to the medicinal herbs in the garden of her London townhouse But the appearance of a mysterious veiled woman disrupts her plans Is the woman just another mistress of Robert's her forever philandering husband When the gentlewoman is found dead with a snapped neck in London's notorious brothel district and her last known visitor was Robert Lady Appleton is forced to investigate As she delves deeper into the mystery she uncovers a string of murders from years dark haired of dark haired women all occurring on St Mark's Day and most perplexing all with a goose feather left by the bodies For Susanna nobody not even her own husband is above suspicion Kathy Lynn Emerson's third mystery in the Lady Appleton series once again will delight readers who appreciate suspenseful historical mysteries with a feminist slant Booklist *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course

mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

How to Write Killer Historical Mysteries Emerson Kathy Lynn, 2019-06-11 The core of the book is Emerson's personal take on writing and selling historical mysteries but it also includes contributions from over forty other historical mystery writers practical advice anecdotes and suggestions for research and input from assorted editors booksellers and reviewers For both historical mystery writers and readers This book embodies its subtitle The Art Adventure of Sleuthing Through the Past Veteran author Emerson published her first mystery twenty three years ago and this is her thirty sixth published book It draws on her experience in researching writing selling and sustaining both her Lady Appleton series Elizabethan England and her Diana Spaulding series 1880s U S This unique reference book also includes the contributions of more than forty other historical mystery writers Their books backgrounds and settings are as diverse as Ancient Egypt and Rome antebellum New Orleans early Constantinople Jazz Age England and Australia Depression era California turn of the century New York Victorian England and eighteenth century Venice

The Detective as Historian Ray Browne, Lawrence Kreiser, 2009-03-26 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it

Sequels Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *Contemporary Authors New Revision Series*, 2001-08 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details

Face Down in the Marrow-Bone Pie Kathy Lynn Emerson, 1997-03-15 Today's letter was not a summons to serve Queen Elizabeth It came from Lancashire John Bexwith my steward at Appleton Manor is dead Susanna frowned surprised that this news should have affected her husband so strongly The man was quite elderly she said hesitantly was he not Your memory is excellent Robert told her absently tucking an unruly lock of dark brown hair back up under her brocaded cap He was found face down in a marrow bone pie With that incredible statement Robert placed the letter in his wife's outstretched hand *Face Down in the Marrow Bone Pie* is a delightfully cozy Elizabethan mystery introducing Susanna Lady Appleton When her husband's steward dies in a unique ignominious and highly suspicious manner Susanna takes advantage of her husband's absence on a political mission for Queen Elizabeth to investigate Bexwith's mysterious demise The serving wench who found Bexwith claims that he was frightened to death by a ghost but Susanna can think of several poisons that could have been concealed in the marrow bone pie Susanna is something of an expert on poisons having been inspired by her sister's fatal encounter with some poisonous berries to write a cautionary herbal for housewives Even if Bexwith was poisoned was it accidental or intentional As if the case weren't complicated enough Susanna must also unmask a ghost or are the ghost and the poisoner one and the same Kathy Lynn Emerson's debut Elizabethan mystery will delight as it introduces you to a sixteenth century husband's worst nightmare an intelligent no nonsense wife who happens to know hundreds of poisons

Topsy-turvy 1585 Robin D. Gill, 2004 In 1585 Luis Frois a 53 year old Jesuit who spent all of his adult life in Japan listed 611 ways Europeans and Japanese were contrary completely opposite to one another Robin D Gill a 53 year old writer who spent most of his adulthood in Japan translates these topsy turvy claims we sniff the top of our melons to see if they are ripe they sniff the bottom of theirs 10% of the book examines their validity 20% of the book and plays with them 70% of the book Readers with the intellectual horsepower to enjoy ideas will be grateful for pages discussing things like the significance of black and white clothing or large eyes vs small ones while others with a ken to collect quirky facts will be delighted to find say that the women in Kyoto were known to urinate standing up or Japanese horses had their stale gathered by long handled ladles etc and serious students of history and comparative culture will gain a better understanding of the nature of radical difference exotic by definition and its relationship with the farsighted policy of accommodation pioneered by Valignano in the

Far East **Literature Connections to World History 712** Lynda G. Adamson, 1998-06-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes these books help you locate resources on world history for students Each is divided into two sections In the first part titles are listed according to grade levels within specific geographic areas and time periods They are further organized by product type Both books cover world history from Prehistory and the Ancient World to 54 B C to the modern era Other chapters include Roman Empire to A D 476 Europe and the British Isles Africa and South Africa Australia New Zealand Pacific Islands and Antarctica Canada China India Tibet and Burma Israel and Arab Countries Japan Vietnam Korea Cambodia and Thailand and South and Central America and the Caribbean The second section has an annotated bibliography that describes each title and includes publication information and awards The focus is on books published since 1990 and all have received at l No Mortal Reason Kathy Lynn Emerson, 2007 In her thirty third published novel the third mystery in this critically acclaimed series featuring girl reporter Diana Spaulding Kathy Lynn Emerson explores her own roots in rural New York with the aid of her grandfather s diaries 1888 When Diana and her fianc e Dr Ben Northcote journey to Sullivan Country New York they discover Diana s long lost relative embroiled in a speculator s crazy scheme to turn the family hotel into the next Saratoga Springs Then an excavation digs up a skeleton and Diana must exercise her reporter s nose to clear her Uncle Howd of a ten year old murder enhanced by a cast of colourful humans and an aggressive nanny goat **Murder in Retrospect** Michael Burgess, Jill H. Vassilakos, 2005-06-30 The pleasures of mystery novels and historical fiction double when the two genres meet in a single book This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel For those who want to read historical mysteries in sequence this is an essential guide and for those seeking background information on historical mysteries to guide their reading or collection development choices this book offers a level of detail that facilitates selection The pleasures of mystery novels and historical fiction double when the two genres meet in a single book This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature Its focus is on the best most representative most current and easily accessible publications with an emphasis on series novels Most have been released in the past decade with select classic historical mysteries e g Christie s Death Comes as the End 1945 also cited Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel For those who want to read historical mysteries in sequence this is an essential guide and for those seeking background information on historical mysteries to guide their reading or collection development choices this book offers a level of detail that facilitates selection Each series entry names the scene of the crime

identifies the detective and his or her chief associates notes the series premise comments on characteristics features and overall series quality and discusses the critical response Individual series titles The Cases are then listed and described in series or chronological order Additional access to titles is provided through detailed indexes author title series and individual characters and settings time and place Academic public and high school librarians will welcome this guide as a valuable reference readers advisory and collection development tool **Bowker's Guide to Characters in Fiction 2007** ,2008-02

Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Silk Stalkings**
Victoria Nichols,Susan Thompson,2000-09-20 Silk Stalkings When Women Write of Murder first published by Black Lizard Books in 1988 began more than fifteen years ago as the authors personal shopping list United by a common interest in crime and mystery fiction written by women and unable to find a reference source listing these titles the team of Nichols Thompson began to compile a list for themselves They have done it again the result is the remarkable Silk Stalkings More Women Write of Murder That the genre has grown enormously since the first edition was published is obvious The authors not only updated past references but have also searched out and introduced new women mystery writers This book provides a comprehensive survey of series characters created by women authors in crime and mystery fiction from 1867 to 1997 The first half of the book categorizes 187 characters created since 1976 by profession avocations and inclination and discusses them in a frank witty critical voice The second half consists of a master list alphabetically arranged by author s real name and cross referenced by pseudonyms and a series character to author list The depth of the authors research is impressive and the detail is impeccable The authors have been actively involved in the community of mystery writers for fifteen years attending conferences and getting to know the authors of the books chronicled in Silk Stalkings Nichols Thompson provide scholars and fans alike with a source of long lost or forgotten treasures as well as what is currently hot in the world of women s mystery writing today This extraordinary reference effortlessly blends engaging observations with useful data into a work that will continue the well established tradition of Silk Stalkings **The Library Journal** ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Forthcoming Books** Rose Army,2000-06 *Library Journal* ,1999-04
