[About Little Charlie Lindbergh and Other Poems](#) Margaret Randall, 2014-09-01 About Little Charlie Lindbergh like earlier Margaret Randall poetry collections presents a unique poetic voice by a revered elder in the genre These poems are all about making connections many of them unexpected Randall links national events with intimate family moments ancient ruins with present day communities and prehistory with history making a convincing argument for the former as a part of the latter Everyday speech and expressions that have become social clichés or advertising banter find their way into these poems and acquire the precision of literary elegance Straightforward speech becomes passionate lyricism This book gives lie to the notion that so called political poetry must by nature come off as propagandistic complexity and grace are always present The poems collected here pay attention to birth love loss Jewish identity domestic and international violence the environment language art class race gender and sexual identity All these seemingly disparate subjects are linked by an empowering way of seeing and saying This is social justice poetry that packs a wallop and moves the reader deeply **The Sonnets, Triumphs, and Other Poems of Petrarch** Francesco Petrarca, 2019-11-20 In The Sonnets Triumphs and Other Poems of Petrarch the celebrated Renaissance poet Francesco Petrarca intricately weaves together themes of love nature and human emotion encapsulated in a lyrical style that masterfully fuses medieval motifs with emerging humanist ideals Known for his sonnet sequence dedicated to Laura Petrarch employs vivid imagery and emotional depth crafting a poetic form that has

influenced countless writers Each poem serves not merely as a personal reflection but as a broader commentary on the human condition marking a turning point in European literature that emphasizes individual experience and lyrical expression Francesco Petrarca was not only a poet but also a scholar often regarded as the father of Humanism His profound admiration for classical antiquity and the complexities of his personal life especially his unrequited love for Laura profoundly informed his poetic vision This blend of personal sentiment with philosophical inquiry reflects the cultural shift of the Renaissance prompting readers to explore the interplay between love beauty and mortality This collection is essential for readers interested in the foundation of modern poetry and the evolution of emotional expression in literature Petrarch's exploration of longing not only resonates with those seeking a deeper understanding of love's complexities but also offers insight into the intersection of the personal and the universal making it a compelling read for both scholars and poetry enthusiasts

The Poetic Vision of Robert Penn Warren Victor H. Strandberg, 2021-12-14 Though it has won the Pulitzer Prize the National Book Award and the Bollingen Prize the poetry of Robert Penn Warren still is not widely or well understood In this study Victor H Strandberg redresses this imbalance by providing a comprehensive survey of the poetic canon of this gifted complex and much neglected poet Warren writes in the tradition of Western poets concerned with the painful experience of a forced one way passage from innocence into the world's stew of time and loss This passage Strandberg explains results for Warren in bifurcation of the self into warring segments a clean idealistic surface ego and a polluted undiscovered self in the unconscious Revelation of the dirty part of human personality is tellingly evoked in many of Warren's major works As the poet's vision expands however these conflicting elements are unified in a mystic osmosis of being whereby the world which once provoked fear and disgust may now be totally loved In addition to close analysis both of individual poems and of the poet's overall development Strandberg reviews critical opinion of Warren's poetry over the last three decades and assesses his place among fellow poets Both as prophecy and as art he concludes Robert Penn Warren's poetry is so significant versatile and excellent as to rank him among the finest and most fertile talents of his age The Fireside annual [afterw.] pictorial annual [formerly Our own fireside] conducted by C.
