The Face of God : The Quest for Spirituality and Transcendence KIKI EN CHRIST, In this modern world where materialism reigns supreme the quest for spirituality and transcendence is more vital than ever for humanity In his book *The Face of God* the author offers us a deep exploration of this universal quest Through a rigorous analysis of the spiritual tradition and its various manifestations the author shows us how spirituality can be a source of wisdom healing and personal transformation It invites us to become aware of the importance of cultivating our relationship with the divine But the author is not content to offer us a simple intellectual analysis of spirituality Rather it invites us to a deep and personal experience of transcendence through meditation prayer and contemplation of nature *The Face of God* is a book that touches the heart and mind If you re looking to broaden your spiritual horizon this is the book for you *The Face of God* Paul Badde,2010-10-19 Best selling journalist historian and author Paul Badde embarks on an exciting quest to discover the truth behind the Holy Face of Manoppello a relic recently rediscovered and rumored to be the veil of Veronica Vatican correspondent for German newspaper *Die Welt* journalist Paul Badde was intrigued when he heard of a mysterious image in a remote Italian village an image of a man s face on byssus cloth Byssus or sea silk is a rare and delicate fabric woven from a silky filament produced by mollusks It is claimed that the fabric is so thin and delicate that it is impossible to paint on yet the image in Manoppello is clearly visible and moreover when laid over the image of the face on the Shroud of Turin forms a perfect match Experts determined that the cloth of Manoppello is not Veronica s veil but rather the face cloth layed over the face of Jesus in the tomb Unlike the Shroud of Turin which is a negative of the image the image on the face cloth is a positive of the face of Christ Paul Badde takes the reader along on a thrilling journey of discovery as he travels to research this remarkable relic tracing the turbulent history of the Holy Face from ancient times up to the historic 2006 visit to Manoppello by Pope Benedict XVI **The Face of God** Paul Badde,2010 Best selling journalist historian and author Paul Badde embarks on an exciting quest to discover the truth behind the Holy Face of Manoppello a relic recently rediscovered and rumored to be the veil of Veronica Badde was intrigued when he heard of a mysterious image in a remote Italian village an image of a man s face on byssus cloth Byssus or sea silk is a rare and delicate fabric woven from a silky filament produced by mollusks It is claimed that the fabric is so thin and delicate that it is impossible to paint on yet the image in Manoppello is clearly visible and when laid over the image of the face on the Shroud of Turin forms a perfect match Dust cover flap *The Female Face of God in Auschwitz* Melissa Raphael,2003 The first full length feminist dialogue with Holocaust theory theology and social history Considers women s reactions to the holy in the camps at Auschwitz **Seeing the Face of God** Puttagunta Satyavani,2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where

us Home Mary Jo Leddy, 2011 **The Changing Face of God** Frederick W. Schmidt, 2000-06-15 In 1999 five scholars presented lectures at Washington National Cathedral about our images of God and what difference they make This book is ideal for parish study groups and individuals to consider and discuss the viewpoints of Marcus Borg Karen Armstrong Jack Miles James Cone and Andrew Sung Park Does the face of God change Years ago I would have said No Countless hymns passage of Scripture and confessions of faith assert or imply the changelessness of God To take issue with traditions that are centuries if not millennia old seemed to be daunting and misguided But when the great professions of confidence in God harden into philosophical propositions one is bound to ask What difference would it make to say that God has only one face Even if true in some sense the fact of the matter is that features each of us would count as necessary and changeless would be a matter of considerable debate From the Introduction **Becoming The Face of God** Sandra Comerie-Smith, 2025-08-30 Often those of us who offer spiritual care feel called to change others only to discover that the real transformation happens in us In this reflection memoir Comerie Smith shares her journey filled with transitions in her personal life and vocational lives You will discover How God orchestrates our journey as He orchestrated the many challenging transitions in the author's life How to discern the call of God in each season of life and move freely with God How God is profoundly interested in the growth of those God calls to ministry In a vulnerable way Comerie Smith shares her struggles and her learnings and the concepts and tools that helped her become emotionally and spiritually healthy so she can reflect the Face of God as she cares for others *The Face of God* Roger Scruton, 2012-03-08 Roger Scruton explores the place of God in a disenchanted world His argument is a response to the atheist culture that is now growing around us and also a defence of human uniqueness He rebuts the claim that there is no meaning or purpose in the natural world and argues that the sacred and the transcendental are real presences through which human beings come to know themselves and to find both their freedom and their redemption In the human face we find a paradigm of meaning And from this experience Scruton argues we both construct the face of the world and address the face of God We find in the face both the proof of our freedom and the mark of self consciousness One of the motivations of the atheist culture is to escape from the eye of judgement You escape from the eye of judgement by blotting out the face and this Scruton argues is the most disturbing aspect of the times in which we live In his wide ranging argument Scruton explains the growing sense of destruction that we feel as the habits of pleasure seeking and consumerism deface the world His book defends a consecrated world against the habit of desecration and offers a vision of the religious way of life in a time of trial **In the Face of God** Michael Horton, 1996-09-23 Have modern believers grown too comfortable with God In response to the unbiblical mystical spirituality of our day Michael Horton calls for a return to the teaching of the Apostle Paul and the early church The result is a compelling picture of true spiritual intimacy with God God with a Human Face John C. Purdy, 1993-01-01 To see God's face is something more than theoretical mystical or conceptional and to see it we must look at the face of Jesus In this innovative book Purdy focuses on

the face of Jesus and explores 12 gospel stories from the birth of Jesus through His crucifixion and resurrection to show that by looking at Jesus God's intentions toward us can be discerned
