Friend Among Enemies:

Helping Friends and Harming Enemies Ruby Blondell, David Konstan, 2024-06-13 A detailed study of the plays of Sophocles through examination of a fundamental principle of Greek popular ethics

Friendship among nations Evgeny Roshchin, 2017-11-17 This is the first book length study of the role that friendship plays in diplomacy and international politics Through an examination of a vast amount of sources ranging from diplomatic letters and bilateral treaties to poems and philosophical treatises it analyses how friendship has been talked about and practised in pre modern political orders and modern systems of international relations The study highlights how instrumental friendship was for describing and legitimising a range of political and legal engagements with foreign countries and nations It emphasises contractual and political aspects in diplomatic friendship based on the idea of utility It is these functions of the concept that help the world stick together when collective institutions are either embryonic or no more

Friends and Enemies Barry Schneider, 2014-02-25 First published in 2000 Routledge is an imprint of Taylor Francis an informa company

Our enemies are our friends and teachers. Plutarch, 2023-07-03

The Challenge to Friendship in Modernity Heather Devere, Preston King, 2013-11-05 In antiquity it was not only Aristotle who assumed the people are more to be understood in relation to one another than as individual or solitary constructs This examination considers the changing attitudes to friendship since antiquity

Prose Quotations from Socrates to Macaulay Samuel Austin Allibone, 1876

Murder among Friends Elizabeth S. Belfiore, 2000-01-27 Modern scholars have followed Aristotle in noting the importance of philia kinship or friendship in Greek tragedy especially the large number of plots in which kin harm or murder one another More than half of the thirty two extant tragedies focus on an act in which harm occurs or is about to occur among philoi who are blood kin In contrast Homeric epic tends to avoid the portrayal of harm to kin It appears then that kin killing does not merely occur in what Aristotle calls the best Greek tragedies rather it is a characteristic of the genre as a whole In *Murder Among Friends* Elizabeth Belfiore supports this thesis with an in depth examination of the crucial role of philia in Greek tragedy Drawing on a wealth of evidence she compares tragedy and epic discusses the role of philia relationships within Greek literature and society and analyzes in detail the pattern of violation of philia in five plays Aeschylus *Suppliants* Sophocles *Philoctetes* and *Ajax* and Euripides *Iphigenia in Tauris* and *Andromache* Appendixes further document instances of violation of philia in all the extant tragedies as well as in the lost plays of the fifth and fourth centuries B C E

1857 a Friend in Need, 1887 Friendship Forgotten William Digby, 1890

The Psychology of Friendship and Enmity Rom Harré, Fathali M. Moghaddam, 2013-10-21 This two volume exploration of what might be termed interpersonal war and peace reveals why individuals and groups coalesce or collide and how more positive relationships can be achieved In this two volume set the most comprehensive treatment of its subject to date eminent social scientists explore the processes involved in becoming friends or enemies Volume 1 *Interpersonal and Intrapersonal Insights* focuses on friendship and enmity between individuals

examining situations that arise in romances at school at work and between races genders and sexual identities The text is enriched by a discussion of individual interactions in classic books and movies what those stories reflect and what they teach about human nature Volume 2 Group and Intergroup Understanding focuses on group dynamics across time and around the globe Topics range from group interactions before and after the American Civil War to friendship and enmity between Afghans and Americans today The work s ultimate concern however is to present ways in which individuals groups and nations can learn to be friends

Buddhism in the Tibetan Tradition Geshe Kelsang Gyatso,2013-10-16 A clear and straightforward introduction to Tibetan Buddhism this book presents the basic teachings of Buddha in a way that people can readily comprehend and put into practice in their daily lives Topics such as reincarnation actions and their effects emptiness liberation and enlightenment are discussed Designed primarily for those coming to the subject for the first time the book also offers new insights for the more advanced student of Tibetan Buddhism Originally published in 1989

Love and Friendship Eduardo A. Velásquez,2003-01-01 Love and Friendship gathers the reflections of some of today s most preeminent political scientists philosophers historians and students of literature and religion in an investigation of the most influential accounts of love and friendship in Western history The collection begins with a discussion of classical philosophers such as Plato and Aristotle moves through a wide array of modern philosophers among them Montaigne Hobbes Locke and Rousseau and concludes with contemporary postmodern accounts of love and friendship Taken together the essays provide an unprecedented exploration of the most compelling and sovereign human affections and associations Eduardo Velásquez s marvelous ambitious project succeeds as each thoughtful and engaging piece proves the depth of the intimate relationship between psychology and political life

Friendship in Islamic Ethics and World Politics Mohammad Jafar Amir Mahallati,2019-11-20 Based on a decade of direct diplomatic engagement with the United Nations a decade of teaching on international relations and another decade of research and teaching on Islamic and comparative peace studies this book offers a friendship related academic framework that examines shared moral concepts philosophical paradigms and political experiences that can develop and expand multidisciplinary conversations between the Christian West and the Muslim East By advancing multicultural and interreligious discourses on friendship this book helps promote actual friendships among diverse cultures and peoples This is not a monologue It provides a model of conversations among scholars and political actors who come from diverse international and interreligious backgrounds The word Islamic should not mislead the reader to suspect that this edited volume delves only into religious discourses Rather it provides a forum for conversations within and between religious and philosophical perspectives It sparks friendship conversations thematically and through disciplinary and cultural diversity The result of the work of many prominent international scholars and diplomats over many years it conveys at least one message clearly friendship matters for not only our happiness but also for our survival

Emerson and Self-reliance George Kateb,2002 This reprint is distinguished by a new preface reconsidering Emerson s Nature a work that goes

undiscussed in the text proper Kateb moves toward the notion that Emerson's divinization of humanity renders the balance with nature lost its mute appeal. Nonetheless, Kateb, Princeton U, views Emerson as a radical for his commitment to individualism as an ideal suitable for democracy. Emerson calls it self-reliance, and Kateb distinguishes between the mental and active kinds, suggesting Emerson elevates intellectual independence above independence of character and practical achievement. Nietzsche is held up as Emerson's best reader, Kateb aspiring to a reading of Emerson friendly to Nietzsche's interests. Annotation copyrighted by Book News Inc. Portland, OR

Aspects in Vedic Astrology Gopesh Kumar Ojha, Ashutosh Ojha, 2002-10 Through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart, there has been no single work which deals comprehensively with the theory and delineation of aspects in Vedic Astrology. This book fills a void by providing a clear and concise treatment of the subject. The authors have drawn their material from the ancient and medieval classics of Vedic astrology, preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life.

Christian Friendship John P. Bequette, 2019-04-24 In response to a contemporary cultural situation in which human dignity is gravely threatened, Christian Friendship proposes a recovery of friendship as a new way of re-establishing the interpersonal communion that characterizes the human person created in the image of God. The author seeks to recover a genuine understanding of friendship by exploring ancient philosophy and the Catholic theological tradition. By examining the writings of Plato, Aristotle, Cicero, Augustine, Anselm, and others, Christian Friendship proposes a new way for Catholics to address the cultural issues besetting the Christian community today.

Soviet Military Review, 1981

Friendship Reconsidered P. E. Digeser, 2016-09-06 In the history of Western thought, friendship's relationship to politics is checkered. Friendship was seen as key to understanding political life in the ancient world, but it was then ignored for centuries. Today, friendship has again become a desirable framework for political interaction. In *Friendship Reconsidered*, P. E. Digeser contends that our rich and varied practices of friendship multiply and moderate connections to politics. Along the way, she sets forth a series of ideals that appreciate friendship's many forms and its dynamic relationship to individuality, citizenship, political and legal institutions, and international relations. Digeser argues that as a set of practices bearing a family resemblance to one another, friendship calls our attention to the importance of norms of friendly action and the mutual recognition of motive. Focusing on these attributes clarifies the place of self-interest and duty in friendship and points to its compatibility with the pursuit of individuality. She shows how friendship can provide islands of stability in a sea of citizen-strangers and in a delegitimized political environment, a bridge between differences. She also explores how political and legal institutions can both undermine and promote friendship. Digeser then looks to the positive potential of international friendships in which states mutually strive to protect the just character of one another's institutions and policies. Friendship's repertoire of motives and manifestations complicates its relationship to politics. Digeser concludes, but it can help us realize

the limits and possibilities for generating new opportunities for cooperation *The Friend* ,1879 *Love and Friendship in the Western Tradition* James McEvoy,2023-08-18 *Love and Friendship in the Western Tradition* comprises a collection of essays written over a 25 year period by the late Rev Professor James McEvoy on the theme of friendship The book traces the genesis and development of philosophical treatments of friendship from Greek philosophy through the Middle Ages to modern and postmodern philosophy The collection s three major concerns are 1 the history of philosophical discussions of friendship 2 the role of friendship in the cultivation of the philosophical life 3 the marginalization of friendship as a theme for philosophical reflection and practice in the modern period As the author was primarily a medievalist a great deal of the focus of the essays is on the development of the theme of friendship in the Middle Ages in the thought of Augustine Aquinas Aelred of Rievaulx Henry of Ghent Robert Grosseteste etc However this focus while a value in itself also serves to connect philosophical perspectives on friendship from before and after the middle ages It connects to the time before inasmuch as much of the work done on friendship in the Middle Ages is anchored in interpretations of Aristotle and Plato and it connects to the time after by providing a counterpoint to the modern paradigm of what constitutes the philosophical life The collection combines historical with thematic approaches to scholarship on this issue and is one of the only books of its kind to do so It is perhaps unique in its historical sweep and will prove to be a canonical source for further research on this topic

Friendship in the Classical World David Konstan,1997-02-06 An examination of the nature of friendship in Greece and Rome from Homer to the Christian Roman Empire of fourth century AD

Eventually, you will definitely discover a additional experience and triumph by spending more cash. still when? realize you take that you require to get those every needs as soon as having significantly cash?
