Friend Of Don Juan:

The Real Don Juan José Zorrilla, 2016-03-02 Don Juan Tenorio is an important and influential Spanish classic which gives a softened romanticised version of the infamous hero and ends uniquely in his repentance and salvation First seen in 1844 it is Zorrilla's best known play and is still performed every year in Spain on All Souls Day The play in Ranjit Bolt's stunning rhyming verse translations was given an extensive tour by the Oxford Stage Company in late 1990 *Manners and Customs of Spain* James Mew, 1891 **The Disenchantments of Love** María de Zayas y Sotomayor, 1997-01-01 Published in 1647 these ten tales are among the earliest narratives in Western literature to focus on women's experiences and points of view in love relationships *Types from Spanish Story; Or, The Old Manners and Customs of Castile* James Mew, 1884 The Rhetoric of Topics and Forms Gianna Zocco, 2021-01-18 The fourth volume of the collected papers of the ICLA congress *The Many Languages of Comparative Literature* includes articles that study thematic and formal elements of literary texts Although the question of prioritizing either the level of content or that of form has often provoked controversies most contributions here treat them as internally connected While theoretical considerations inform many of the readings the main interest of most articles can be described as rhetorical in the widest sense given that the ancient discipline of rhetoric did not only include the study of rhetorical figures and tropes such as metaphor irony or satire but also that of *topoi* which were originally viewed as the places where certain arguments could be found but later came to represent the arguments or intellectual themes themselves Another feature shared by most of the articles is the tendency of undeclared thematology which not only reflects the persistence of the charge of positivism but also shows that most scholars prefer to locate themselves within more specific often interdisciplinary fields of literary study In this sense this volume does not only prove the ongoing relevance of traditional fields such as rhetoric and thematology but provides contributions to currently flourishing research areas among them literary multilingualism literature and emotions and ecocriticism The Devil Upon Crutches Alain René Le Sage, 2014-01-01 This is the first reprinting since the eighteenth century and the first scholarly edition of Tobias Smollett's translation of *The Devil upon Crutches* First published in France in 1707 as *Le Diable boiteux* Alain René Le Sage's novel relates the picaresque wanderings of Asmodeus a refined likable but decrepit devil and Zambullo his newfound mortal companion After Zambullo releases Asmodeus from a bottle the two embark on a flight above the rooftops of Madrid Peeking into houses prisons palaces and even tombs Zambullo witnesses one incident of treachery and self-delusion after another Smollett's superior wit and sense of irony suited him well as translator for this novel with its juxtaposition of realism with romance satire with sentiment and sexual intrigue with moral admonition This authoritative textual edition is based on the 1759 second edition of Smollett's translation The extensive introduction covers such topics as the original French edition the composition printing and reception of Smollett's *The Devil upon Crutches* and Smollett's career as a translator Also included are a complete textual apparatus and a guide to the now exotic pharmaceuticals and

remedies one encounters in the novel *Finding Columbus's Gold* Howard Yasgar, 2022-07-11 In 1966 an old friend invites Matt Vercair to Port au Prince Haiti to assist in disassembling and selling a now defunct Haitian railroad acquired under unusual circumstances Once in Haiti Matt is introduced to chief archeologist Dr Marc Blanchet Blanchet is an expert on Christopher Columbus and everything he did on the island of Hispaniola According to Blanchet the history being taught about Columbus is a fraud Instead of exploration Columbus's true intentions were to amass gold and sell as many slaves as he could to finance his travels Blanchet knows where a large cache of Columbus's gold has been hidden in Haiti for five hundred years With the help of a map Matt now embarks on an incredible journey to recover the gold traveling across previously unexplored terrain The railroad is of little concern as they search for hidden treasure but it's possible Matt is about to find a lot more than riches in the beautiful but dangerous wilds of Hispaniola
