Throughout the Bible there are many references to the Christian life being compared to a ship Whether we are floating along on calm seas or drowning in the waves of life we are all in need of a sure Anchor for our souls In The Anchored Life Nautical Principles that Help Believers Grow Marv Nelson and Tim Hibsman use nautical terms and analogies to show that the Bible is full of promises for the sea of life on which we are all sailing Whether you re an experienced sailor or a landlubber the lessons learned in this book will enliven you and give you hope for those times that you need to batten down the hatches and hold on to the One Who calms the storms The Intuitive Messages Handbook Marisa Maney B.A. M.S.Ed.,2020-09-24 The

messages in this book are a combination of my education experiences as well as missives that come to me from a source that I cannot define You may call it deep intuition a gift from beyond or the source I write the words that come through my hands when I read them back I feel inspired and enlightened I know that anyone reading the narration needs the energy being relayed and will benefit from it Many of these statements though this book have questions for you to answer there is work to be done Messages alone cannot resolve all your challenges Being honest with yourself and feeling the emotions that arise when you explore these ideas will open your best course for personal tranquility Each chapter will start with a story that is a combination of experiences people have had related to the chapter topic The way that you access this book is completely up to you but my idea behind its use is that you open the book when you feel you need some inspiration or guidance Open to any page that page or paragraph you see will be your message for the day or moment The words will be aligned with what you are seeking Of course feel free to read through the book or look to a specific chapter for guidance The messages you find will be energetically aligned to your needs Many of the lessons may seem similar but worded in a unique way This is important

because messages will resonate in various ways at different times for the reader There are very simple ways to improve your life outlook and experiences It may take time to understand the messages and work with them but when you learn how to view your encounters from a place of growth a whole new world will open to you
