Sex, Love, and Letters Judith G. Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of *Sex Love and Letters* immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century Along the way we meet many of the greatest writers of Beauvoir's generation Hannah Arendt Dominique Aury author of *The Story of O* Fran ois Mauriac winner of the Nobel Prize and nemesis of Albert Camus Betty Friedan and of course Jean Paul Sartre bringing the electrically charged salon experience to life *Sex Love and Letters* lays bare the private lives and political emotions of the letter writers and of Beauvoir herself Her readers did not simply pen fan letters but as Coffin shows engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production This must happen to you often doesn't it wrote one That people write to you and tell you about their lives

The Nomads of Mykonos Pola Bousiou, 2008-04-01 This is the ethnography of the Mykoniot's d'lection a gang of romantic

adventurers who have been visiting the island of Mykonos for the last thirty five years and have formed a community of dispersed friends Their constant return to and insistence on working acting and creating in a tourist space offers them an extreme identity which in turn is aesthetically marked by the transient cultural properties of Mykonos Drawing semiotically from its ancient counterpart Delos whose myth of emergence entails a spatial restlessness contemporary Mykonos also acquires an idiosyncratic fluidity In mythology Delos the island of Apollo was condemned by the gods to be an island in constant movement Mykonos as a signifier of a new form of ontological nomadism semiotically shares such assumptions The Nomads of Mykonos keep returning to a series of alternative affective groups largely in order to heal a split between their desire for autonomy rebellion and aloneness and their need to affectively belong to a collectivity Mykonos for the Mykonians is their permanent stopover their regular comings and goings discursively project onto Mykonos space an allegorical discordant notion of home

The Future of Love Daphne Rose Kingma,2010-04-21 The future of relationships is moving us toward the vaulting awareness of who we really are as human beings something we have managed to avoid for a very long time by being so thoroughly committed to convention This is the future of love vast love love beyond boundaries love without preconceptions and judgments love without outdated myths love which can actually be experienced At a time when over half of all marriages are ending in divorce Daphne Rose Kingma a well known therapist and relationship expert has recognized that our familiar ways of thinking about relationships are no longer working I have written
