Haunted — Incredible True Stories of Ghostly Encounters 2-Book Bundle Dorah L. Williams,2014-05-28 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate But that curiosity didn t last long because shortly after moving in strange things began to happen At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts Haunted is the Williams family s story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house Upon writing Haunted Dorah thought her situation was unique What she didn t realize was how many others would relate to how it feels to be haunted too After being flooded by emails from people with similar experiences Dorah began to realize this wasn t uncommon at all So Haunted Too came to be Not only will it entertain the reader as good ghost stories always have but it will also help the reader to better understand this phenomenon with the inclusion of shared experiences opinions and advice of professionals in this field **Stalked in the Woods** ,2016-11-22 Don t go in the Woods You might not come back Are you Intrigued by true Creepy Stories in the Woods Do you like stories that make the hairs on the back of your neck go up Stories of Unexplained things in the Woods Creepy Encounters Scary Stories that send a shiver down your spine In the woods in the dark alone or at least you thought you were alone and that s when

The Ghost Next Door Mark Alan Morris, 2004-01-04 A collection of chilling stories eerily believable and truly spooky very strongly recommended Midwest Book Review Most people think of ghosts as rare elusive creatures that are more or less inaccessible to the average Joe Sure we read about them watch TV shows about them and tell stories about them but we'll probably never run into one right Don't be so sure Even if you've never personally encountered a ghost chances are you know someone who has The Ghost Next Door takes a revealing look into the lives of average everyday people from across the country who have had experiences in the realm of the unexplained Whether you're a true believer in ghosts or a hard-nosed skeptic you're sure to get a chill or two when you read about the woman who was visited by her grandfather on the night of

his funeral Or the man who was forced to move by a troublesome spirit only to find it had followed him As you make your way through these and other genuinely spooky stories you ll probably find that ghostly encounters are a lot more common than you had imagined Could there be a haunted house in your town Perhaps on your very street Maybe even right next door

100 True and Terrifying Ghost Stories Robert J Dornan,2024-07-28 In the silent whispers of night when shadows cloak the world and an unsettling stillness hangs in the air a lost realm awaits where past and present intertwine This is a realm where echoes of bygone eras linger the unfulfilled and forgotten roam freely and the unseen make their presence known in the most chilling ways 100 True and Terrifying Ghost Stories offers a haunting invitation into this spectral world This book is a compendium of the uncanny and unexplained presenting a diverse collection of spectral encounters from across the globe from China to America Peru to London These are true events that defy logical explanation and challenge our understanding of reality Within these pages you will meet spirits that wander ancient castles and bloody battlefields phantoms haunting suburban homes and bustling city streets and apparitions manifesting in unexpected places Encounters range from mildly unsettling to downright terrifying featuring playful poltergeists and vengeful wraiths Each narrative offers a glimpse into a world where the ordinary and extraordinary collide and the living and the dead share a tenuous coexistence So turn the page and let the journey begin But be warned once you enter the world of the supernatural you may find it hard to leave The spirits within these pages are waiting to tell their stories and they have been waiting for someone like you to listen *More True Tales of Ghosts and Weird Encounters* C. Folklore Genres Dan Ben-Amos,2014-06-23 The essays in Folklore Genres represent development in folklore genre studies diverging into literary ethnographic and taxonomic questions The study as a whole is concerned with the concept of genre and with the history of genre theory A selective bibliography provides a guide to analytical and theoretical works on the topic The literary oriented articles conceive of folklore forms not as the antecedents of literary genres but as complex symbolically rich expressions The ethnographically oriented articles as well as those dealing with classification problems reveal dimensions of folklore that are often obscured from the student reading the folklore text alone It has long been known that the written page is but a pale reproduction of the spoken word that a tale hardly reflects the telling The essays in this collection lead to an understanding of the forms of oral literature as multidimensional symbols of communication and to an understanding of folklore genres as systematically related conceptual categories in culture What kinship terms are to social structure genre terms are to folklore Since genres constitute recognized modes of folklore speaking their terminology and taxonomy can play a major role in the study of culture and society The essays were originally published in Genre 1969 1971 introduction bibliography and index have been added to this edition
